Howdy folks!!!

Well, it rained and rained and now it's turned off HOT! The end of July is almost here and we're working at the grounds getting ready for 50/50 – which probably will have been concluded by the time you receive this issue. From the signups that I am aware of, it looks like we will have a good crowd this year and hopefully it will be a very successful event. I hope to have seen many of you there!

In August, the Bikers for Christ will be holding a rally at the grounds the last weekend of the month and we will have the concession stand open for this event, so anyone that is interested, please come on out and give us a hand in there. This group has been with us in the past and from what I am told they are a good group and a lot of fun. We have been invited to join in with their activities and it should be an interesting weekend.

The following weekend (Labor Day Weekend) we are hosting the National Association of Riding Clubs & Sheriff Poses Playday Finals, as we have for a number of years. This year is a bit different as WE are hosting the event instead of one of their districts. This means we will be responsible for getting the grounds ready and for all watering and dragging. We also run the concession stand, so any and all help will be greatly appreciated.

And don't forget Horse Show Finals the third Saturday in September! K D has a great day planned for us and it should be a lot of fun. I am hoping that more of our members will try and attend this event this year and that we have a great day.

It's not too early to start thinking about Convention in October...I understand that Janice has a LOAD of things planned for us in

Wichita Falls. The schedule has us starting Friday morning with the Queen's tour and is packed with fun things to do and doesn't stop until Saturday night with the Queen's coronation and dance! Region 2 is working very hard to ensure it will be quite an event. There will be something for everyone. There are a lot of activities available at the hotel...those that want to will have the chance to go to a casino over in Oklahoma...there is a Horse Expo going on that weekend over at the IMPAC (which is right across the parking lot from the hotel) and on and on. Sounds like loads of fun. (And of course, we have Association business to cuss and discuss!!!!)

Speaking of Convention, you will note in this issue we have started a list of topics that might be discussed at Convention. If there is something that you would like to discuss or have your delegates bring up, please let me know and we will get the request on the list. This will give everyone in the Association a chance to think about things and speak to others in their clubs and districts. In doing so, you will all be able to gather ideas and thus instruct your club delegates and District Reps on Executive Board regarding which issues you want brought up and how you wish they vote when or if the issue is brought up for discussion.

Please do not believe that ANY issue that concerns you is unimportant...you might be surprised. What you think might be a trivial question or comment might be something on the minds of others who are thinking the very same thing!! Speak to your other club and district members and your Region VPs. It is the job of your delegates and VPs to bring up items that are of concern to the membership. Or better still, come to Convention to discuss your ideas and take part personally. All members are welcome to attend and may bring their issues or ideas to the membership. And besides, Convention is really a lot of fun and is very interesting.

Finally, please feel free to call or email me directly and I will be glad to discuss ANY issue with you at any time. My cell number is 817-925-8837 and my email address is [donnaleipsic@live.com](mailto:donnaleipsic@live.com). I welcome the chance to discuss Association business (or anything else for that matter!! LOL!!!) with you at any time. The more input we have, the better job we as Officers can do and help the Association move ...

forward and be successful.

And remember, Regions 1, 3 and 5 have Region VP elections this year. For those of you that are members of these regions, watch your mailbox for notification of when the meeting for these elections will be held. When your Region VP sets this meeting, the office will be sending out notification letters to all members of those regions. Region meetings are a great time to meet with others in your region and discuss things you might want to see done within the Association. Your Region VPs are also a great source of what is happening within the Association and what is being planned for the future. Again, the more input, the better.

On another note, I want to thank those of you that continue to ask about Gary's recovery. He's beginning to walk a bit and he can drive when necessary, though he cannot stay in a vehicle for too long a period as it causes him pain. It's going to be a slow go, but at least he's out of bed and moving around a bit. He still gets very tired very quickly, but that too will pass. Thanks again for all the prayers for his recovery and well wishes.

Again, I hope to see many of you at NARC Finals over Labor Day Weekend and certainly hope you can attend Horse Show Finals in September!!

Until next month,  
Donna

## **Just to bring you up to speed:**

.....Our concession stand had quite a facelift on the inside before Finals. This month, we have been tightening up and painting the exterior of the building. It looks fresh and bright white at this time. There is still a bit to be done under the canopy, but the exterior of the building looks great!

.....We are still in the process of sanding and repainting the picnic tables and serving stations around the pavilion. We are also hoping to have the new metal seats on the bleachers painted by 50/50 as well.

.....Remember the big pile of limbs and tree stumps and such on the east side of the property? Well, it's all been burned and cleaned up.....at least what WAS there is gone - because we've cut and dumped another dozen trailer loads of limbs back there again from what's been picked up and trimmed in the last couple of weeks. And to those of you that don't know, I'm a pyromaniac at heart and can't wait for another calm day (as we're still not under a burn ban yet in Bowie!!) and I plan on torching this new pile as soon as I get the chance.

.....In my discussions during this year with Kim Race, the President of the National Association, I mentioned to him that we were considering covering the slab. He was pleased at this idea and offered to help in this endeavor if he could. As a result, the National Association has agreed to donate their half of the proceeds from 50/50 back to us to help us in our efforts to "improve" the grounds. Therefore, the proceeds from 50/50 will be 100% benefit to the AASP&RC. If you get the chance, thank their members for their generosity. I am told they are very excited at the prospect of utilizing the pavilion for their awards ceremonies and such at their Playday Finals in September.

Hello everyone,

Wow this year is just flying by but it has been a blast and I have till October, still it's hard to believe that its almost over this has been amazing meeting so many new people and going places I haven't been before. I love to travel and I sure did, this past month I have been on my toes. The first weekend my dad and I drove to alpine for my college orientation and I loved it was so pretty out there but the drive was long but the mountains were so pretty. I had already made tons of friends not to mention the ones my dad embarrassed me in front of but I guess that's what dads do, but my friends came up to me and said my dad was one cool guy I guess my dad can be cool J. I loved everything about the school the equine program was really interesting the stables and arenas looked great I got so much information. They mentioned that you might want to be chaperoned by someone at night if your coming back from the computer lab from writing a paper not because of scary people but because of mountain lions, that's something I haven't heard before, I just can't wait to go back in August. After that weekend I planned on going out to WTER but the rain decided to ruin my plans but the following weekend my brother and his family left

for a wedding and I had to watch the dogs. The 17<sup>th</sup> I had a highpoint in cove so I could make that but had to leave early to let the dogs out.

This weekend July 24, I am headed to San Angelo for the WTER playday. Then its 50/50 I will be super excited to see everyone again! Well hope to everyone at 50/50 and stay cool it's going to be hot!!

Hey ya'll!

I hope everyone had a wonderful Fourth of July. Luckily, here in San Angelo the rain let up just long enough for my brother and I to shoot off fireworks for my nieces.

I'm happy to hear that Gary Leipsic is doing well.

July 10, I was supposed to ride with the West Texas Extreme Riders in Big Lake, but unfortunately the weather had other plans and it rained all day. So instead I spent the day at home with my nieces and my parents and cleaned house.

The week of July 17, I was supposed to go to the FFA State Convention in Corpus Christi, but unfortunately my teacher didn't get a hold of me in time to go, so instead I stayed home that week and

that weekend had to go with my parents to Odessa for my dad's company picnic.

On July 24, Twin Mountain Riding Club had a playday as well as the West Texas Extreme Riders. I was hoping to be able to go to both, but since they were scheduled for the same time in two different places I went to the Twin Mountain playday, but I did hear that Queen Joy was at the Extreme Riders Playday. Unfortunately, we had two people fall off their horses, but they both got up and got right back on, not even a scratch. Mom and Dad had to leave early for a family emergency. Mikki Bullard from Hawley even stopped by the playday to say hi for a few minutes.

On July 31, I will of course be at 50/50 in Bowie. Then the next week I will be registering for school. On August 14, I'll be attending the Extreme Riders playday in Big Lake. I will start school again on August the 23, I'm excited to finally be moving up on the high school food chain. On August 28, Twin Mountain is having a playday.

Well since I'm supposed to cook dinner for the family I'll end it here, hope everyone has a great month and stays safe.

Until we meet again,

Well here we are again! This month feels like it has drug on and there will be no end. However, by the time you read this, I will have already seen most of everybody at 50/50. That means only 2 more judged events and then only a couple months until convention. This has been, without a doubt, an awesome year. This past month K.D., Stephani, and I all traveled to

Lubbock to attend Hailey's Round Up. It was a blast and I loved it. Hailey is truly an inspiring young lady that makes you realize no matter how many problems you think you have in life, you just gotta keep going. Thank-you to Hailey and her family for having me, and thank you to the Lubbock Saddle Club for their hospitality. You guys are great, I LOVE coming to see you!

We made a mad dash home and the next weekend had a home playday in Big Lake. Queen Joy was able to come see us. It was good to see her and Sarge! Well y'all, not much else going on here in little ole Angelo~just rain and school. What a bad mix :( Hope to see everyone at Horse Show Finals!

## **Region 1**

Greetings from Lubbock and West Texas,

Well let me see since last month, Lubbock has become a tropical isle. We received over a foot of rain in ten days. I think I saw an old man building an ark and loading animals onto it, we had thought we were in for forty days and nights of rain. Thank goodness it stopped. WTR had to reschedule first playday to August 8th and LSC had to reschedule their July playday for the 24th.

This weekend of the 17th was Hailey's Roundup, thank you to Princess Lauren, K.D., and Stephani Foltz for driving up and playing with us.

K.D. won 2nd place in the intermediate class, she almost won the jackpot as well, she ran an 8.6 and the winning time was 8.2. Thank you to Stephani for hand delivering some of the Riders Round Up for last month. Congratulations to all the winners of Hailey's Roundup, some special ones are Bryson Pickett, Jo Arnold, K.D., Kim Biggs, and there are a whole lot more that this old mind can't remember congratulations to everyone. Jo also won the driving division of the playday. Who would have thought that "Daddy" would be scared of buggies, he unbuckled himself and hid in Joanna Byrnes' trailer. "Daddy" is her big bad stud horse.

Oh yea and Lari Garrett isn't the only one that can have a 10 point landing, Joanna leaned a little to far over in the Rodeo Flags and BAM! hit the dirt, "Daddy" just stood there and looked at her. As a side note I drew out due to Spiderman throwing a shoe. Wesley and Melody Sloan rode over to the LSC arena to visit for a while, it was great seeing them and visiting.

Region 1 will hold our election meeting August 10, ALL region members need to be there and voice there opinions and vote.

Our next function is the 50/50 we need to come out in force to maintain our title and win, win, win. I will be there along with my compadre in crime Jackie.

Until we meet again,  
happy trails

Boy, oh boy was June ever a busy month. Our wedding was awesome. Totally planned by our girls, they did a great job, it was fun for them too. We had a after wedding party at the lake place of Mike's brother. The kids had a ball swimming and slip and sliding. So many people came. Wow! It was great to have Renee and Donna and their families as well. Thanks to all of you came.

It was fun having Renee and family stay to participate in the Jim Bowie Days activities. We "rescued" her children from her a time or two. The poor dears had never been fishing before, but they are old pros now.

Jim Bowie Days was busy as well, of course. Ali had her Queen duties before giving up her crown on Saturday night. Congrats to Macy Martin for getting 1st runner up for Little Miss Jim Bowie. I think Leo Cramer might have a new career as a panty racer. He won money in the Panty race, so I guess that makes him a professional.

Well we have a couple more district playdays and the girls will Rodeo at Forestburg and Saint Jo. Soooo, busy, busy, busy as usual. Have a great Summer!

Howdy from Region 6!

Well I finally got rested up after finals. Not a whole lot has been goin on. We kept my grandkids for three weeks.

We were supposed to ride with the Extreme Riders in Big Lake on July 10, but there was too much rain so they called it. The rain date was July 24, but we didn't go because we went to the Twin Mountain playday. Unfortunately, Barbara and I had to leave the playday early due to an emergency with my mother. So we left Brittney and my grandkids at the playday with my son so they could finish it.

I'm really looking forward to 50/50 this next weekend. It should be a lot of fun.

Well I'll let everyone get back to their day.

# **Lubbock Saddle Club**

Lubbock Saddle Club is continuing their Friday Night Youth Series for the fourth year! It has been a HUGE success! We have averaged 40-50 riders each Friday Night... All riders are 18 or younger! Our future leaders of the Club have been off to such a great start. Our series on July 2<sup>nd</sup> and July 9<sup>th</sup> were cancelled due to rain and will be made up on Friday July 30<sup>th</sup> and August 6<sup>th</sup>, respectively.

We had a few members of our Club that could pull their trailers out of the mud participate in the 4<sup>th</sup> of July parade in Abernathy, Texas. A small group, but they looked great. The group did not ride our next scheduled parade in O'Donnell due to excessive rain.

Lubbock Saddle Club will wrap up their playday season with three playdays left:

- July 24<sup>th</sup> : Rescheduled playday from July 3<sup>rd</sup> post-phoned from rain, BO 10:00 am, Rides at 11:00 am
- August 7<sup>th</sup> : Final scheduled playday, BO

After Lubbock Saddle Club's regular series, the next upcoming events will be a parade

in Crosbyton, Cal Farley's and the Parade of Horses. Please check the Lubbock Saddle Club website: [www.lubbocksaddleclub.org](http://www.lubbocksaddleclub.org) for the schedule of events, cancellations or new and exciting news!

The 3<sup>rd</sup> Annual Hailey's Round-up Benefit Playday was held on Saturday, July 17<sup>th</sup> at the Lubbock Saddle Club Arena. There were 63 riders that participated in the benefit playday. Special thank yous to Region 6 Princess, Lauren O'Brien, KD Foltz and Stephanie Foltz for making their way to Lubbock and riding in this special playday. KD won 2<sup>nd</sup> place in the Senior Class – winning a pair of trophy conchos. Princess Lauren looked AWESOME during the introductions and again during the awards ceremony in the arena at the end of the playday.

The honoree, Hailey Burton won 3<sup>rd</sup> place and Princess Lauren was there to hand her the 3<sup>rd</sup> place trophy conchos. All proceeds raised at this playday will be donated to the ADA. Awards will be given for 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> place – (Buckles for 1<sup>st</sup>, Conchos for 2<sup>nd</sup> and 3<sup>rd</sup>). Hailey was diagnosed with Type I diabetes when she was five. Now eight years old, Hailey has learned the importance of working for a cause. Thank you to all that donated their time and their support to make this event a HUGE success!

# West Texas Extreme Riders

On July the 24th the WTER had a wonderful playday in Big Lake. It was the first night time playday ever for the Extreme Team and the folks that came were full of laughter and giggles.

We were honored with the presence of the Queen Joy Mainville and her father, Region 7 V.P. Sarge Mainville. Can't tell you how much we appreciate Sarge, he worked the whole playday from start to finish and then drove all the way back to Copperas Cove. Sorry to hear you hit a deer on your way back. Those guys are everywhere around here.

## **Our winners for the night were:**

Emma and Logan Fraizer - Lead Line

Cindy Brown 1st & Jackie Scott 2nd - Super Sr.

Brandy Alcanar 1st & Lori Scott 2nd - Seniors

Pistol Babb - Pee Wee 1

Delaney Ramsdell 1st/ Addie Nehaus 2nd - PW2

Kenzie Price 1st & Katlynnne Aguilar 2nd - JR 1

Joy Mainville 1st & Lauren O'Brien 2nd - Int.

Cindy Brown 1st & Brandy Alcantar 2nd - Open

Region 6 Princess Lauren O'Brien was looking good riding her horse "Quiggly". They are getting faster and faster. So fast, she met the ground up close and friendly right after the second barrel, but being the tough elegant one she is, she got right back on and finished the ride. Lauren is the first Princess from the WTER and we are so proud of her. She has become a very important role model for the rest of our young ladies.

This weekend we are heading for Bowie for 50/50 and can't wait to see all of our friends there. Then in September were back up there again for Horse Show finals. I happen to know personally that the Horse Show Finals Chair, K.D. Foltz is working really hard on all the details.

Oh yes, K.D. is another WTER member that we are proud of. She is also the Playday Chair for the WTER and works on setting up every event to assure a straight pattern. She is really kinda picky. I must say that last Saturday at the playday K.D. was beat by Pat O'Brien in Pylons. Outstanding Pat, Way to go!!!!

Our Sweethearts: Miss WTER Cheyenne Scott and our Lil Miss WTER Shoni Scott are always a huge help around the playday. They have been working hard selling raffle tickets for a saddle we are giving away. You two girls just keep working.

Come October we will be heading to Witchita Falls for Convention. This years Conventions sounds like it is going to be a really fun one. Bravo Janice Blahuta, your really working hard on that one.

The WTER are all about haveing a good time so anyone wanting to take a drive out to Big Lake to come see us, is more than welcome.

WTER signing off for now,  
Stephani

Oh, I almost forgot, we went to the Hailey's Round Up in Lubbock and.....

***YOU LUBBOCK PEOPLE ROCK!!!***
