Howdy from West Texas,

First off I would like to send out my condolences to the Reep family. They were Association members in the past. Phil lost his battle with Cancer on April 6, 2010.

Congratulations go out to Darla (Willis) Heinrick on the birth of Myles on April 7, 2010.

April 1-3 we had the ABC Pro rodeo in Lubbock. Thanks you Princess Lauren for joining us on Saturday for the Grand Entry. Thanks go out LSC for cooking lunch in the parking lot; we were trailer gating in between performances on Saturday.

District 2 finally got to have a playday on April 11th. It was a fast playday we only had about 20 riders. The day before on the 10th LSC had a club playday with 80 riders. For those of us that road in both our horses was a little and upset that they didn't get the day off.

Jackie and I left for Spring Roundup on Thursday. We loaded in the rain in Lubbock. We arrived in Bowie is was nice and dry. Friday night during the barrel race it started raining and as of Sunday when we left Bowie it hadn't stopped. Most of spring roundup activities were cancelled except for Chuck Wagon supper of Saturday and Queen Breakfast Sunday morning. The food was great. Thank you Wes Moody and crew for the hard work put into the planning of spring roundup. The barrel race on Friday night went off well. "Thanks again". Oh I almost forgot to mention I won 2nd in the 3D Friday night.

It was great to see Dink Worthington and Tammy Wood. Congratulations to them on there up coming marriage. I also enjoyed seeing and visiting with Theresa Goldston in Bowie. Region 1 was well represented with members from LSC (Joanna Byrne 2010 LSC Queen, Jackie Dunlap), WTR (Kyle Harrison and family, WTR Jr. Sweetheart Katie Harrison, Rob and Misty Patton, Dave and Cindy Koontz, and Granny), and WWRC (Little Miss New Mexico Rodeo Deanne and her brother Rhett Guthrie on yes Renee but she doesn't count since she is Ex VP ha-ha). While we were in Bowie Lubbock received almost 7 inches of rain. I'm not sure how much rain Bowie received but I do know how much mud was on the truck and trailer.

We stopped in Seymour and wash it all off.

Up coming events for Dist. 2 we have a playday April 25, 2010 B.O. 11:00 and start 12:00 LSC arena.

Until next time, God Bless, Happy Trails,
Region 1 VP

Region 2

Hello from Region 2,

Well, we had one "heck" of a playday this month. We picked up the 3 events that we lacked from the last playday. Then went ahead and ran all 8 events, a full playday, to make sure we get everyone qualified. We had a huge crowd, the Lubbock bunch came down, and lots of other visitors. we finished up at 2:00 a.m.! Whew!!! We had to take Ali back to Saginaw after the playday. On a whim, as we were leaving Bowie about 3:00 am we called the Waggoner's' (thinking we'd be waking them up) and asked if they wanted to meet in Decatur at IHOP. Couldn't believe not only were they up, but heck yeah, IHOP sounds great! Needless to say we got home in bed as the sun was coming up.

Wes Moody had awesome plans for us for Spring Roundup, but I guess as you all know Mother Nature didn't cooperate. It would have been a great Spring Round Up. But we'll make up for all of it during finals. The food was awesome looking forward to more at finals.

Check out the ad for our Region fundraiser. We'll have a great time and do something a little different than the usual playday stuff. Also, a big thank you to those who worked on the fence around arena 1. It looks GREAT!!

See you all down the road,

Charmie Beemer, Region 2 V.P.

Region 5

Hello Everyone,

On April 10th we had a Lewisville Saddle Club/District 14 playday. It was a beautiful day to have a playday. I am glad to officially be qualified in all events for playday finals. There were a few wild horses at the beginning of the day but they all seemed to calm down as the day went on. Thanks to Kevon Theall for letting us use his tractor as ours is very ill at this point. I finally got to bring TJ to a playday and I have to say it is so nice to be back on the old man. Nothing feels better than riding the horse you are used to, but I am also glad to have my mare Daisy in case anything happens.

At the LSC/District 14 playday on May 1st I am hoping to have a little Region 5 fundraiser so that we can donate some type of award for playday finals. I will be sending a letter to the membership by the end of this week.

I hope everyone that was at Spring Round Up this past weekend has dried out. I have never been so thankful for dry socks and shoes in my whole life. Friday night I had planned to run my new horse in the barrels but after the officers meeting Eric suggested I might want to change my mind (knowing how I feel about weather as rule). It was at that point that it started raining and never stopped until Sunday. Even though we were forced to call off most activities, we still managed to have a pretty good time. We had some amazing food provided by John Jeter and his family. I have known John all my life and had no idea he could cook like that, although I think Karen did a lot too. On Sunday morning we had an excellent church service and breakfast. Even though the rain came at an inconvenient time for us we still need to thank God for it as we will be looking for it August.

As most of you know I have belonged to the AASP&RC all of my life. I started dreaming of being AASP&RC Queen in 1982 when I was four years old and the 1982 Queen Tammy Kocian limped like I do and wore a lot of purple which was my favorite color at the time. In 1996 I realized that dream and wouldn't trade it for anything. I grew up around the politics and operations of this great organization. As I got older I took on positions serving as Queen's chairperson twice, credentials chairperson twice, District 14 Secretary for three years and am now in my second year as Region 5 Vice President. I always said that I wanted to be the first person to be Queen and President. I am over that but I am the first person to be Queen and an officer. I truly enjoy being an officer and am totally ready to serve more than one term as Region 5 Vice President if that is needed. With that being said, none of this means that I have always agreed with the way things have been run in various years. I didn't like it when the Queen and Princesses were allowed to wear short sleeved shirts but that didn't mean I totally shut down and stopped trying to help girls that were in the shoes I had previously worn or decided I wouldn't be a Queen judge when I was asked. To dig in my heels and refuse to share my knowledge would not have helped the greater good of the AASP&RC.

When we vote for president of the United States we don't always get our way (as is the case now for many of us) but this does not stop us from being productive members of society. As citizens we continue to go to work, pay our taxes, and help those less fortunate than ourselves. The same holds true when we go to convention and vote for new officers each year. All of the votes or the elections are not always going to go like we would want them too but *most* of us will continue to do work when asked at the grounds or take a chairperson position when asked. I personally think more times than not whoever won the election is who was meant to because no matter how hard humans try to maintain control of each detail, ultimately the Good Lord above is in control. He really chose the winner - not those of us that had a vote that day (Romans 8:28 And we know that all things work together for good to them that love God, to them who are the called according to his purpose.). Those that try to discredit people that are trying to do a good job for this great organization will ultimately be judged for their actions even if they think no human eyes saw.

Continued...

I have not always agreed with things that happened or even how I was personally treated but I have chosen to do what the Bible commands and forgive them because it says if you do not forgive you will not be forgiven (Matthew 6:15 NIV But if you do not forgive men their sins, your Father will not forgive your sins). Some of those people that I have had conflict with in the past are now really good friends and are those that I have the most fun with.

I have been around longer than a majority of our members even though I may be younger and I have probably forgotten more about our rule book and Queen's Handbook that some will ever know. I am so thankful for grandparents that raised my mother as a member of the AASP&RC and that my mother raised me here as well. I have been asked by my bothers-in-law who I know got in plenty of trouble as kids why I never did and without missing a beat I answered "I had a horse". On Saturday nights when some kids were in trouble I was probably sitting on the back of old Caesar waiting to ride at a playday or laying my head down on a hotel pillow in some small town in Texas because I had been invited as your Queen to represent you at a rodeo, parade, or awards banquet. These are memories I wouldn't trade for the world, not only my teenage memories but my childhood memories of playing in the dirt under the concession stand or traveling with my grandparents when my Pawpaw was an officer. When they go to Heaven I will have memories with them that even their other granddaughters do not have. It has been my dream to be able to raise my kids like I was as a member of the AASP&RC.

I pray each day that because some adults did not get what they wanted, this opportunity is not ruined for my children which I don't even have yet.

With many of us, being members of our respective clubs and the Association is a huge part of our lives. Recently several of our members have endured great tragedy. When these things happen we are forced to take a step back and evaluate what is most important in our lives and I pray we can all do that. If we lose the people and relationships of the AASP&RC all we are left with is some sand, pipe, and a metal building sitting on 40 acres in Bowie, Texas that can blow away when the next severe storm comes through Montague, County. The heart of this organization is the people and what will keep it going for another almost 60 years.

LET'S GET COVERED!!!!

One of my goals this year has been to add value to the grounds and make improvements to our grounds that we can all enjoy. I believe that we have a wonderful facility and we ought to be able to rent it out to others so that we can realize a situation where others "pay our bills".

One of the things that I had thought would be a very nice addition would be a cover for the slab. Spring Roundup put an exclamation point on the need for us to have a covered area where we could meet in a larger group. I have discussed the possibilities with the Officers and we have decided to move forward with this project. That being said, we are going to ask our members to become invested in this project if possible.

The following is a list of materials we will need to build this covering. Beside each item is the price of what one piece of that item will cost. If you see fit, please try to donate at least one piece of material to help us toward our goal. If nothing else, ANY donation of cash will be greatly appreciated.

This project will make it so much nicer for us at the grounds. I am hoping that when we complete this project, we can add lights and fans to make it so much nicer for us for awards presentations, dinners, dances and so forth. I have high hopes that if we all pull together and work diligently towards this goal, that we can complete this dream before Finals!

We need:

8 – 4" x 4" x 25' (1/2" thick) posts	total cost \$2048	or	\$256.25 each
60' R-panel roof cap, white	total cost \$320	or	\$16.00 each
40 – 22' pieces of R-panel (white)	total cost \$2710	or	\$67.75 each
2 ½", 14-gauge square tubing (below prices figured on \$1.70 per foot cost)			
8 – 24' sticks	total cost \$486.40	or	\$40.80 each
9 – 20' stick	total cost \$338.40	or	\$37.60 each
3 bags self-tapping screws, white	total cost \$75.60	or	\$25.20 per bag
1 bag lap screws	total cost \$22.50	or	\$22.50 per bag
20 bags concrete	total cost \$107.00	or	\$5.35 per bag

Total material cost \$6107.90

Please understand, metal prices fluctuate daily, so some of these material costs might fluctuate a small amount. But if we move forward quickly, they should be fairly close.

It will cost us approximately \$1800 labor to build the trusses off site and transport them to the arena. These trusses will be at the same angles to match the office peak, so the cover will be simply an extension of the current building.....

Total labor cost \$1800.00

Therefore, our total cost for construction of a cover on the slab will be approximately
.....\$7907.90

I truly believe that this is a very achievable goal. If we all work together to reach the completion of this project, we can enjoy this improvement at Finals this year. Anything you can send in will be greatly appreciated. If you can donate the cost of a piece of R-panel, send in a check for \$67.75.....if you want to donate an upright post, send in a check for \$256.25....if you don't see anything that fits into your budget at the moment, try to send in \$20. Again, if we all work together, we can get this done and have something that we can all use and enjoy for years to come.

I am planning on working hard at this end to see if I can solicit some donations and lower our costs in this manner. There are lots of companies in the DFW area that carry metal, so keep your fingers crossed!!

And when we achieve this goal, I think we need to stop calling this area the "slab" and start calling it "the pavilion"!!! Between us all, we can do this, so
LET'S GET COVERED!!!!!!!

Region 6

Howdy from Region 6!

Well another month has flown by, and boy was it a busy one. First, on March 27, we traveled to Big Lake for our first District Playday hosted by the West Texas Extreme Riders. The weather was nice other than the wind blowing 45 mph. Due to the wind we couldn't run flags. Then on March 28, we were here at home for the next District Playday hosted by Twin Mountain Riding Club. The weather was a lot nicer, plus the wind didn't blow quite as bad.

On April 3, I traveled to Decatur to attend a Pleasant Grove Cowboy Church Riding Club playday. It was a lot of fun. I think the highlight of the playday was seeing Queen Joy and Princess Brittney trying to do the 3-legged coke race. Apparently in that game, size does matter. Afterwards, we went to dinner with Lisa and UB Herrington, Junior and Kay Oates, Carl and Marcia Courson, and Marvin Oates. Thank you Junior for buying it for us, it was very thoughtful.

The next weekend my wife and I went to Hawley and Taylor County for our second set of District Playdays. They went very well, the weather was wonderful, and we had a lot of fun. Everyone did say that they missed Princess Brittney though since she wasn't there due to a horse judging contest.

Then came Spring Round Up. I am truly sorry that the rain followed me up to Bowie from San Angelo. Although the playday did get rained out it was still fun to see everyone again and talk to everyone. I think it was the first time in Bowie that I was actually able to just sit down and talk to people and catch up on things. Queen Joy, Princess Lauren, and Princess Brittney looked great all weekend and did a wonderful job.

I want to thank all the people that did all the work at the grounds. It really looked great. I also want to thank the people who helped in the concession, especially Jim and Jeton. Anyone who missed Spring Round Up missed some really good food from the chuck wagon group.

On April 24, I'll be riding with my home club then going home and helping my daughter get ready for Prom. Then on May 8, I will be attending Ms. Addie's Sweetheart Social. On May 15, I'll be at the Copperas Cove Saddle Club Buckle Playday. And on May 22, I'll be attending the National Chisholm Challenge.

Well that's about it for now. Hope to see everyone soon!

FOR YOUR
CONVENIENCE,
WE'RE GONNA
SELL HAY!!!!

As most of you know, the south side of our property has some pretty good Coastal Bermuda grass growing on it. In our continuing quest to raise additional funds for our operations, it has been suggested that we cut and bale the viable areas on the grounds and sell the hay produced. It is expected that we have between five and ten acres of viable Coastal to cut at this time....this area being between the two rows of barns and along the old track to the south side of the barns.

As a result, we are planning on cutting and selling this hay to any member who wishes to purchase it for their use. We are planning the first cut a week or two before Playday Finals and we will sell this hay at Finals for around \$5 a bale. If successful, a second cut is planned just before NARC Finals, where we will again sell to our members....or theirs. We will NOT fertilize the grass this year. Whether or not the areas are ever fertilized will be a decision to discuss in years going forward when we see if this program is a success.

Regarding who will cut this hay – we will take bids. We do have members that have their own equipment and we welcome anyone and everyone to bid this job. If you know someone that is a good prospect, please let them know they are welcome to take a look. We want to get the very best deal possible. It has been suggested that we find someone to cut on a percentage so that there will be no cash outlay by the Association....only the profits from selling what we have as a result.

SO.....now there will be no need to haul hay from home when you come to Playday Finals. It will be available to you there on the grounds so you don't have to load and haul it from home. Hey – it's another WIN WIN!!! It's convenient for you and the Association profits! What a deal!!!

Be aware, the hay will be available on a first come first served basis, so if you decide you want to haul some back home with you when Finals are over, get there early and claim what you want!!!

District 2

Hello from District II! April is a month full of events for the riders of District II. We began the month with the ABC Rodeo – held the 1st-3rd. Members of District II, the Lubbock Saddle Club and West Texas Raiders rode in the grand entries on Thursday and Friday night and both the matinee and the Saturday night performances. On Saturday, the 3rd, Region 6 Princess, Lauren O'Brien, AASP&RC EVP, Renee Guthrie, and Little Miss Rodeo New Mexico, Deanne Guthrie all came and rode with us. The Lubbock Saddle Club members always pool together and "tailgate" the rodeo performances. This year, they grilled hamburgers and hot dogs and served all of the trimmings. LSC members invited those that rode with District II and Princess Lauren and her parents to come and join in dinner and fellowship. District II Queen, Jackie Dunlap and Region I VP, Ronnie Elrod presented Princess Lauren with a token of appreciation for coming to Lubbock and riding with them in both Saturday ABC Rodeo performances.

Next came the Lubbock Saddle Club regular playday on April 10th. They had an awesome turnout for their second playday of the season breaking a Club record of over 90 riders! Good thing they begin their playdays early – they were finished by 10:30 p.m.

The following Sunday, April 11th was the first (rescheduled) District II playday hosted by the Lubbock Saddle Club. It was a cool and breezy day with a chance of rain. There were about 25 riders and luckily, the rain held off and the playday was ran without any issues.

Upcoming, District II has a regular scheduled playday on April the 25th. The playday location has changed from Morton, hosted by WOF to the Lubbock Saddle Club Arena hosted by LSC. Books will open at 11:00 a.m. and the rides will begin at noon as regularly scheduled. Western Outfitters will host the May 23rd and June 27th playday at the Morton Arena. WTR will host the final two scheduled playdays at their arena on July 25th and August 22nd. Anyone that happens to be in the area on a weekend of a District II playday is welcome to come out and ride with us. We will treat you like family! Until next time,

The Brushy Creek Saddle Club held our second point play day on April 10, 2010. Once again we had a great turnout and wonderful time. The weather was perfect for horse and rider.

Now that we are into our point play days, the competition is beginning to heat up. With participants ranging from lead line to super senior, everyone came out and gave it their best shot. The events for the day consisted of Pylons, Poles, Flags, Straight and Cloverleaf Barrels. As we progress, the points are beginning to

accumulate and buckles and saddles are now the goal.

It is also important to remember, however, there are also many participants in the playdays that don't actually ride. We have announcers, playday chairmen, sweetheart chairmen, awards chairmen, judges, concession stand hosts, and many other hardworking individuals that play a valuable role in each playday. These individuals contribute to the success of each playday and are greatly appreciated.

**Thank you to those individuals
who work so hard!!**

The winners from the April 10, 2010 playday are as follows:

Brushy Creek Saddle Club Upcoming Events.....

Playday/Sweetheart Social - Our next point playday is scheduled for May 8, 2010. This playday will be special because it is also our annual Sweetheart Social. Each year we honor our past and current Royalty along with our Association Officers. This promises to be quite an event so please feel free to come out and participate as a rider or just as a spectator.

Practice Night - We have another practice night scheduled for April 23, 2010. We encourage any riders that like to have some time in the arena for practice, training, or just pleasure, to come out and participate. For a small fee, you can have time to work your horse in the arena as well participate in the planned event practices for that night. The scheduled practice events for the April 23rd practice night are poles and barrels.

4D Barrel Race - The Brushy Creek Saddle Club is also planning two 4D Barrel Races in conjunction with Black Land Riding Club out of Taylor, TX. These are scheduled to be held in the Williamson County Sheriff's Posse Arena in the San Gabriel Park in Georgetown, TX.

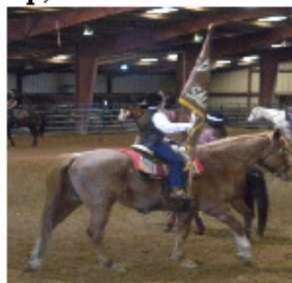

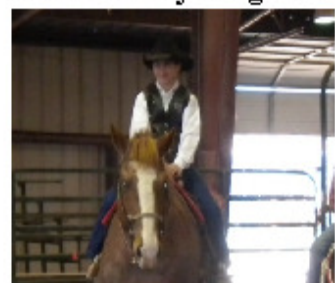

Please check our website, www.brushycreeksaddleclub.weebly.com for further details on all upcoming events as well as general club information

BCSC is very proud of all our representatives. This month we would like to introduce you to Kyle Green, The 2010 BCSC Wrangler

Kyle is 10 years old and is in the 5th grade at Thrall Elementary in Thrall, TX. His parents are Robin and Ken Green. His hobbies are baseball, soccer, playdaying, trail riding and reading. He participates in FFA where he shows hogs and goats at the county and major level. He has been participating in playdays since he was 5 years old. Kyle is a member and Wrangler at Brushy Creek Saddle Club and a member and Wrangler at Black Land Riding Club in Taylor, TX. His horse's name is Tumbleweed. Tumbleweed is 26 years old. Some of Kyle's favorite places to trail ride are Parrie Haynes National Park and McKimney Roughts in Bastrop, TX.

Lubbock Saddle Club

The Lubbock Saddle Club once again had the opportunity to ride in the ABC Rodeo, April 1-3rd. A local organization (AMBucs) hosts the rodeo and a portion of the proceeds are donated to the local Boys and Girls Clubs. Each performance the Lubbock Saddle Club averaged 20-25 riders! They donned their parade uniform and the LSC Queen, Joanna Byrne and the LSC Princess, Mikayla Reilly lead the Club. On Saturday, Region 6 Princess, Lauren O'Brien and her parents joined us for our rodeo tailgating cookout. AASPRC EVP, Renee Guthrie and her family also came and joined in the fun! Members from WTR and those that rode under the District II banner came and ate and visited as well. It was a great day and it was so much fun to get to visit!

April 10th, Lubbock Saddle Club hosted their second scheduled playday of the season. We had over 90 riders, possibly breaking a Club record! We began on time at 11:00 a.m. and we finished up about 10:30 p.m. We now have over 45 families representing over 120 individuals that have paid their memberships and are actively riding with the Club. Our next playday will be on May 1st and we are looking forward to another awesome playday event! Check the Lubbock Saddle Club website for information related to upcoming events: www.lubbocksaddleclub.org
