Happy New Year

Buster Jones

AASP&RC President

Hello from West Texas,

Well, I hope everyone had a happy and safe Thanksgiving. We had a nice one. Not a lot has been going on around the Jones house.

Twin Mountain Riding Club did finally get a playday in in November after trying for 3 months. We kept getting rained out.

TMRC will have their yearly benefit playday on Dec. 12. This year it is to benefit the Concho Valley Home for Girls / Emergency Shelter. Everyone is invited to come, we will register at 12:00 and ride at 1:00.

I have the chair people for the coming year except for a Grounds Chair and Rulebook Chair. So I need someone to step up to fill these chairs. Let me know if you are willing to do one of them. Don't forget the Fort Worth Parade on Jan.16 and the Board Meeting on Jan. 17. The meeting will be at the office at the grounds.

Well that about all I have for this month. Merry Christmas and Happy New Year from the Jones house. We hope everyone has a very safe one.

As some of you know the computer that was responsible for the Riders Round Up crashed. All information was lost. If you know of anyone needing this newsletter mailed to them, I need their address.

All Region VP's need to poll the clubs with in their region to find those addresses and send them to me at:

stephania1711@gmail.com.

There were no responses from the last Riders Round Up. Lets try a little harder to get those addresses to me.

Thank you,
See you on the flip side,

Twin Mountain Riding Club

Hey guys!

Some of you know me and some of you don't, but I'm Brittney Jones. This year my home club, Twin Mountain Riding Club, is doing their benefit playday for a place that is very near and dear to my heart, the Concho Valley Home for Girls/ Children's Emergency Shelter.

As some of you know, I work for the Children's Emergency Shelter. This place has become a second home to me, and the kids I meet have forever changed my life. The CVHG/ES is a non profit organization that provides a safe home for children in CPS care. All of the money that the CVG/ES gets comes from either the United Way or fundraisers like this one. Many of these kids have never had a real Christmas, birthday party, or even a real home and that's what we provide them.

We are asking that anyone and everyone try to join us at our benefit on December 12. With things being so close to Christmas, we are trying to get donations of toys, clothes, school supplies, back packs, money, gift cards, and anything else that a kid wants to wake up to on Christmas morning. We have boys and girls ages 0-17 coming in and out of our shelter all the time, so the least we can do is give them a Christmas that they have never had. These kids come in from all over the state, and we just want to help them spend the holidays in a place where they feel loved and cared for, and you can help us do that.

If you would like to help out with our benefit but live too far away, you can contact me personally and we can figure something out. These kids deserve what any of your kids deserve. They did not choose to be in a place like the shelter for Christmas, so why should their Christmas be any different than kids who get to spend Christmas with their parents?

Please help us make this benefit something great so that these kids can have the best Christmas ever!
