Materials Needed

Okay folks!! Time to look around the ole homestead and see if you have any extra stuff that we might be able to use at the grounds. We are planning on doing quite a bit of work at the grounds this year repairing stuff and making some improvements and we could really use any pipe, welding rods, sheet metal, PVC pipe and plumbing parts, paint, sucker rod, concrete, barbed or slick wire....anything that you might have that you don't have a use for at this point. Let your Region VP know what you have that you think we might could use and we'll figure out a way to get it to the grounds and where we can put it to use.

We especially need any extra steel pipe you might have, ANY SIZE. There are lots of fences out there that need to be repaired or redone, so any you have would be GREATLY appreciated. If you can't reach your Region VP, call Donna or Renee and we'll get it figured out.

Greetings from West Texas and Lubbock,

Since my last article not much has happened other than rain, snow, sleet, and more of the same. We should have nice green pastures come this summer. The first Dist 2 playday was cancelled due to weather in February. LSC got to have their first playday on March 6; they had 70 riders, which is great for a first playday. LaDonna Mild was the only rider that was unhorsed; she did receive a 10 by the judges for her dismount and front roll. She got up and walked out of the arena which is always a good thing. She was also dumped outside the arena apparently her horse doesn't like different colored dirt.

WTR passed out awards on March 16, the winners were in no particular order; Georgia Lee Shields, Ricky Clark, Kim Aldridge, Karter Morrison, Kelsi Harrison, Cody Cartner, Cory Cartner, Kelvie Roberts, Josie Soto, and Kelton Roberts. I was able to attend the Lipizzaner Stallion Show here in Lubbock with LSC Queen Joanna Byrne and her Mother, Becky along with Jackie and Lindsey Dunlap. We had a great time and if anyone has the opportunity to go to the show it is well worth the money.

We have some up coming events March 27 will be the first Dist playday hosted by LSC. April 1-3 is the ABC Rodeo, LSC playday April 10, Spring Roundup April 16-18, then another Dist playday April 25. Hope to see everyone at Spring Roundup. You know Spring has arrived when shedding season begins.

Happy Trails,

Ronnie Elrod, Region 1 VP

Region 2

A big hello from Region 2. We FINALLY got to have a district playday, 90 plus riders!! So many folks riding we had to quit it early because we ran out of time. Augie and I ran back and forth to a basketball tournement and still didn't miss an event. We were so happy to have the Waggoner family and, Couch family from Lubbock, the Cox family and other visitors, however we were really sad and concerned about Travis's finger. (now which finger was it Travis??) Thank you so much Annette for bringing us Scarlet (she fits right in with our resident physcos). We're looking forward to Spring Roundup and hosting a trail ride/cookout fundraiser (details to follow) for Convention. See ya down the road.

Charmie Beemer, Region 2

Region 5

Hello Everyone!

I don't know about you but I am ready for some pretty spring weather. March 21st was my birthday and there was 5 inches of snow on the ground at my house!

On March 6 we had our first club playday at Lewisville Saddle Club. It was a beautiful day to have our first playday. Our President Donna Leipsic even came to playday with us. I didn't get to ride TJ but had fun riding my mare Daisy for the day. As Gary Montgomery told me, it was a "breakthrough" for me not to be on TJ. I like her a lot but she is still not my TJ. We were even done with the day at a decent hour which is always good.

The next day after the playday TJ came to live with us. I was real nervous about it at first but he has been through every season of weather so far at my house and seems to be doing just fine. No w if it would just dry up so I could ride some that would be great! Thanks to Pawpaw and Grandma for letting him live with them for so long.

The next weekend was pretty quiet around our house. Pawpaw and Eric worked on our shelter for the horses and I went grocery shopping but there's nothing too exciting going on. Except for the fact that grocery shopping takes me all day because I am a coupon Queen! LOL!

As I stated earlier my birthday was on March 21st. I told my Pawpaw that the 20th was the first day of Spring but the 21st was the first day of Summer (32 years ago). On Friday I got to go out to eat with my Mom #1 (Suzanne Wilson), Mom #2 (Diane Johnson), and one of the two only little sisters I am ever going to have Jordan. We had a ton of fun. Then on Saturday I got a new hairdo and Saturday night went to eat with my parents and grandparents at Babe's in Sanger. Minus the spill I took onto the concrete and the scratch on my chin it was a good time. (Renee says she is sending me some bubble wrap to protect myself from all the falls I have taken recently). On Sunday some people from church had a little party for me which was a lot of fun as well. Thanks to everyone for the birthday wishes and gifts.

Before you know it Spring Round-Up will be here. I hope everyone is getting their teams together. Region 5 members I will be sending out a reminder as it gets closer.

Howdy from Region 6!

I'd like to start off by saying congratulations to Donna and Raymond Rutledge on their new grandson. Also, I know that Raymond has been under the weather lately and I want him and his family to know that he is in our prayers, and that we hope he gets better. It isn't the same riding without him.

We haven't had a whole lot going on this month. The weekend after the San Angelo Parade we traveled to Denton and rode with Region 3. After we got through riding we followed Lisa and UB and went to Cracker Barrel to eat. We rushed home from Denton Saturday to ride in a club

playday on Sunday. Unfortunately, there was a rider that fell off, but luckily the ground was soft and she bounced back quick. The next weekend we were supposed to have a district playday but it got cancelled due to weather. So instead we will be riding March 27 and 28.

I'm really looking forward to April and seeing everyone again. We have a pretty busy month scheduled. Like every weekend!!! On April 3, I'll be going to Decatur. On April 10 and 11, we have district playdays in Hawley and Taylor County. Then it's Spring Round Up!! I cannot wait until Spring Round Up, we always have so much fun up there. Then on April 24 Twin Mountain has another playday that I look forward to seeing Raymond there.

I want to thank Brittney for making sure I get this letter typed every month and get it sent in. See ya' soon. Well, that's about it for now. Talk to everyone real soon!

As most of you know, the south side of our property has some pretty good Coastal Bermuda grass growing on it. In our continuing quest to raise additional funds for our operations, it has been suggested that we cut and bale the viable areas on the grounds and sell the hay produced. It is expected that we have between five and ten acres of viable Coastal to cut at this time....this area being between the two rows of barns and along the old track to the south side of the barns.

As a result, we are planning on cutting and selling this hay to any member who wishes to purchase it for their use. We are planning the first cut a week or two before Playday Finals and we will sell this hay at Finals for around \$5 a bale. If successful, a second cut is planned just before NARC Finals, where we will again sell to our members....or theirs. We will NOT fertilize the grass this year. Whether or not the areas are ever fertilized will be a decision to discuss in years going forward when we see if this program is a success.

Regarding who will cut this hay — we will take bids. We do have members that have their own equipment and we welcome anyone and everyone to bid this job. If you know someone that is a good prospect, please let them know they are welcome to take a look. We want to get the very best deal possible. It has been suggested that we find someone to cut on a percentage so that there will be no cash outlay by the Association....only the profits from selling what we have as a result.

SO......now there will be no need to haul hay from home when you come to Playday Finals. It will be available to you there on the grounds so you don't have to load and haul it from home. Hey — it's another WIN WIN!!! It's convenient for you and the Association profits! What a deal!!!

Be aware, the hay will be available on a first come first served basis, so if you decide you want to haul some back home with you when Finals are over, get there early and claim what you want!!!

<u>District 2</u>

Congratulations to the members of District II that participated in the San Angelo Parade on February 20th. Two of the three clubs participated and both placed in the Out-of-Town Riding Groups category.

West Texas Raiders placed 1st and Lubbock Saddle Club placed 2nd. The Parade Marshall of West Texas Raiders, Kyle Harrison and the Jr. Sweetheart, Kaitlyn Harrison rode with several other members from WTR. Lubbock Saddle Club was represented by its Queen, Joanna Byrne and Jackie Dunlap Skinner carried the LSC flag. Third place was awarded to West Texas Extreme Riders. Again congratulations to these clubs and their members.

<u>District 31</u>

We were so glad to be able to host our first Play Day of the year. We had a lot of rain here early in the week but the sun came out and the wind helped out. Thanks to Tommy McEwen and Rusty Howard for all their hard work getting the arena in great shape.

The weather was beautiful, a little cool after it turned dark but no one seemed to mind. I think we were all getting a feeling of being "cooped up"! This was the largest Play Day for District 31 since I have been a member. We had 94 riders sign up!! We had riders come from all around – as far as Lubbock.

Thanks to everyone who helped make this a successful and fun play day. Whether working the arena, in the booth, etc. your help is always appreciated.

Our President graced us with her presence. We were so glad to have her ride with us. It is always a pleasure to visit with her.

We also gained three new families that day. District 31 is growing!!

BCSC is very proud of all our representatives.
This month we would like to introduce you to
Tana Friar,
The 2010 BCSC
Junior Sweetheart

"Hi, my name is Tana Friar and I am 13 years old. My parents are Tomme and Tamara Friar. I have a step-brother who is in the US Air Forces stationed in Abilene and a step-sister Brittne who is 18 and lives in Brady. We live in Taylor but I attend Thrall Middle School where I am in the 7th Grade. I participated in volleyball and tennis in school this year. I am a member of Wrangler Junior High Rodeo Region X, NBHA 23, Black Land Riding Club, Thrall 4-H, and BRUSHY CREEK SADDLE CLUB. I enjoy the sportsmanship and many friends that I have made at Brushy Creek over the last year that we have been members. Upon graduation I would like to attend Tarlton State University and pursue a career in Vet Science.

I have a variety of animals at my house. Dusty my 27 year old gelding is my best friend and primary mount. Dusty was raised by my PoPo, Robert Hirt. My PoPo used him as a Ranch Horse and my Mom trained him and ran barrels on him some. When I turned about 2 my PoPo handed me the reins. He has a lot of heart and has taken real good care of me. Dusty and I have won around 24 buckles, a saddle and many other awards over our 11 years together. I enjoy riding him bareback around the pasture at home and jumping the creek the most when we are not at a playday or Rodeo. Clase is my up and coming challenge. He is 5 and we are beginning to form our partnership. We have an additional 3 horses at home, Maid of Bucks, Sugar, and Pistol who just turned 10 months. Buddy is my border collie, 2 nanny goats and I help my dad with Dad with our 55 Whitetail Deer that we are raising.

I am looking forward to June when I will be attending my first Playday Finals in Bowie. I have heard many exciting stories of all the good times and friendships to be made. I hope to meet you there or at one of our Brushy Creek Playdays in Georgetown. I would also like to thank Ms. Addie for all the guidance and support that she is giving me during my rein as 2010 Jr. Sweetheart for Brushy Creek."

Howdy,

It's sure been a crazy year. The weather is all over the place. So much rain, but we were able to squeeze a playday in on Sunday Feb. 28th, man was it windy. We had a good turn out, 22 riders. Everyone had fun getting together and practicing for our first district playdays, or so we thought. We had to reschedule our District playdays due to a rainy forecast. The first two are rescheduled for the 27th and 28th. We will see if we get to ride. We are glad to have the rain, which would mean beautiful spring flowers and less grass fires, so we aren't complaining. We look forward to seeing everyone at spring round-up.

We would like to congratulate Donna and Raymond Rutledge on their new granddaughter. Also congratulations to our Region 6 Princess Brittney Jones on being inducted into the National Honor Society.
