Howdy,

Let me start off by apologizing for not attending the San Angelo Parade. We very much had planned it but I found myself recovering from being in the hospital.

Playday season is off and running and I hope everyone is ready for it. On March 16th, we are having a workday at the arena. It starts at 8am. There are several items that need to be fixed and taken care of. Please call your Region VP to find out what your Region is responsible for. Buster is supplying the hot dogs and hamburgers. So bring chips and drinks to go with it. Spring Round up is coming up next month, so look for details.

Our Association has lost a good man, a former President, Mr. Bob Myers. Please keep his family in your prayers. Until Next Time.

Howdy from Ex V P

I'm sitting here on Monday Feb. 25, 2013 listening to the wind blow outside and snowing here in Lubbock. We are under blizzard like winter weather. We needed some moisture but, I'm not so sure about getting it this way. All schools were cancelled in Lubbock and area schools. That makes a long day getting up at 4:40am ready to go to work. HAHAHA.

It is with a sad heart that we say goodbye to a long time Association member and Past President R.E. "Bob" Myers.

I was late getting last months article in so here it is. Still quite with most of the clubs here but fixing to kick off. West Texas Drifters had a team sorting January 19th, they had a 137 teams for their 1st in a series. WTD team sorting on Feb 9, 2013 at Lonesome Pine Arena (one of the indoor arenas we have in Lubbock) had 143 teams in our 2nd in a series of four sorting. The next WTD sorting is March 16, 2013 at Lonesome Pine Arena. If anyone is in driving distance, you are invited. Anywhere within the state is driving distance (hahaha). If you can make the sorting, please come.

Thanks to Jackie and mom (that's what I call Virginia) for letting me tag along to Ft Worth and Bowie. Miss Brooklyn (Bella) Mason our new Dist 2 Queen joined us on the trip and did a great job representing our Dist in the stock show parade and Grand Entry. Thanks to mom's sister Aunt June and Jackie's brother for hauling us around Ft Worth. We met U B, Lisa, K D, Summer and friends Friday in Decatur for dinner and had a great time.

Jackie and I were treated to pecan pie and whip cream for our birthday cake. Thanks U B.

All dates are set for this coming year. March 16 will be an all association work weekend and Buster Jones will be cooking hot dogs and hamburgers for everyone that comes to help. Many things need to be done at the grounds. April 20th Spring Roundup we will be having a saddle playday (more information to come) from our SR chairperson and Charmie on the playday and the rest of the weekend. Playday Finals will be June 12-15. There is talk about having the 50/50 again this year in July. Convention will be in Abilene this year Oct 18&19.

Saddle donations for Playday Finals have already starting to come in Ronnie and Jackie In Memory of Azure Too Go aka Spiderman donating 1 for the Classic men and Dist 2 will donate 1 for SSM. I hope to see "all saddles" donated this year

Until next time

Happy Tails

Region 6 VP * Buster Jones

Hello from Region 6,

Playday season is starting here. Twin Mountain Riding Club had their first playday in January and we had a really good turnout. We didn't have one in February because of the rodeo here in San Angelo.

We did ride the rodeo parade and had a lot of new members ride with us. Thanks, Sarge, for coming in and riding with me. Thanks, Makailey Brock, for riding as an Association Princess. You were very pretty.

Sarge, there is no hope of you looking pretty, but did have a lot of fun. Sarge hung around and had lunch with us at Los Panchitos restaurant, then hit the road home.

We will start our District playdays on March 9-10 and the first will be at Hawley Saddle Club for both days. Looking forward to seeing everybody there.

Don't forget the Association workday on March 16. We need all regions, districts and clubs to come help clean and repair so we are ready to kick off Spring Roundup. I am pleading and hoping that my region will step up and make the trip to get the barns painted. We need everybody to bring any and all types of tools, such as, chain saws, paint guns, hammers and anything you think we might need to get the jobs done.

Brittney, the Youth Chair, is planning to have activities for the younger kids to keep them occupied while the older "kids" work. Don't forget I will be cooking hamburgers and hot dogs for lunch, but I do need all the trimmings. If you want to bring your trailer and spend the night the association will not charge for camping that weekend. We would like to start the projects around 8:00 am and hopefully get them done early in case it gets hot. PLEASE REMEMBER THE GROUNDS BELONG TO ALL OF US AND WE HAVE TO STEP UP AND TAKE CARE OF THEM!

That's all I have this month so I hope I see a lot of people at the workday!

Twin Mountain Riding Club

Hello from us at Twin Mountain Riding Club,

Hope all had a wonderful Valentine's Day and was able to spend time with family, friends and your loved ones.

In January at our club playday our chairperson Brittney Jones did an outstanding job setting up the events, helping getting the arena ready and even driving the tractor. You will need to ask her about turning the tractor off. We had a great turnout and a lot of non club members that came and participated with us.

Before the playday we donated our check to the Meals for the Elderly. That were very grateful and took our picture with all the kiddos and a few adults. You can find it on their web site and some of our members took pictures as well.

On February 16, TMRC rode in the San Angelo Stock Show and Rodeo Parade. We missed many AASP & RC Officers as we look forward to them coming and being a part of our group here in West Texas. We did have our own dedicated Region 6 Vice President Buster Jones and Region 7 Vice President Sarge Mainville ride for the AASP & RC. Our own Makailey Brock rode as their Princess and looked pretty and represented the AASP & RC well.

Our club had 16 riders that braved the cool weather and the early morning to take part in a long time tradition of the Stock Show. Our sweetheart Allison Vaughn did an outstanding job at waving to the crowd and looked really pretty as well. The crowd was very kind as well as the TV people that commented on how good we looked and that we were out to win. I want to THANK everyone that came and rode with us and made it a big success. After the parade most of our group went to Los Panchitos and ate lunch and then on to the Rodeo and the Carnival. Yours truly is getting a little old to be riding some of those carnival rides, but made it ok with being only a little sore the next day.

We will be getting ready for our first set of District playdays coming up March 9 and 10th in Hawley and then to San Angelo in April so we need to start riding our horses and getting them in shape.

Some of our members are headed to Bowie the 3rd weekend in March for the Bowie workday. Those that will not be able to make it could offer a monetary donation to help with what is needed to the ones that are going.

Jennie Brock is still working on the Convention so please look for her article coming in the Riders Roundup. We will be asking all of Region 6 to pitch in and help make this Convention the best that it can be.

We wish Stephani Foltz a speedy recovery and hope she is getting stronger every day.

Our Association lost another great past president. So sorry for the loss of R.E. Myers. The knowledge that our past presidents take with them is something that I would love to be able to have.

Our February birthdays are: Tres Brock, Kathy Douglas, and Barbara Jones. We will all of you a very special Happy Birthday.

For this month, I leave you with these words:

Success story

A successful business man was growing old and knew it was time to choose a successor to take over the business.

Instead of choosing one of his Directors or his children, he decided to do something different. He called all the young executives in his company together.

He said, "It is time for me to step down and choose the next CEO. I have decided to choose one of you. "The young executives were Shocked, but the boss continued.

"I am going to give each one of you a SEED today - one very special SEED. I want you to plant the seed, water it, and come back here one year from today with what you have grown from the seed I have given you. I will then judge the plants that you bring, and the one I choose will be the next CEO."

One man, named Jim, was there that day and he, like the others, received a seed. He went home and excitedly, told his wife the story. She helped him get a pot, soil and compost and he planted the seed. Everyday, he would water it and watch to see if it had grown. After about three weeks, some of the other executives began to talk about their seeds and the plants that were beginning to grow.

Jim kept checking his seed, but nothing ever grew.

Three weeks, four weeks, five weeks went by, still nothing.

By now, others were talking about their plants, but Jim didn't have a plant and he felt like a failure.

Six months went by -- still nothing in Jim's pot. He just knew he had killed his seed.

Everyone else had trees and tall plants, but he had nothing Jim didn't say anything to his colleagues, however, he just kept watering and fertilizing the soil - he so wanted the seed to grow.

A year finally went by and all the young executives of the company brought their plants to the CEO for inspection.

Jim told his wife that he wasn't going to take an empty pot. But she asked him to be honest about what happened.

Jim felt sick to his stomach, it was going to be the most embarrassing moment of his life, but he knew his wife was right. He took his empty pot to the board room.

When Jim arrived, he was amazed at the variety of plants grown by the other executives. They were beautiful - in all shapes and sizes Jim put his empty pot on the floor and many of his colleagues laughed, a few felt sorry for him!

Continued...

When the CEO arrived, he surveyed the room and greeted his young executives.

Jim just tried to hide in the back. "My, what great plants, trees and flowers you have grown," said the CEO. "Today one of you will be appointed the next CEO!"

All of a sudden, the CEO spotted Jim at the back of the room with his empty pot. He ordered the Financial Director to bring him to the front. Jim was terrified. He thought, "The CEO knows I'm a failure! Maybe he will have me fired!"

When Jim got to the front, the CEO asked him what had happened to his seed, Jim told him the story.

The CEO asked everyone to sit down except Jim. He looked at Jim, and then announced to the young executives, "This is your next Chief Executive Officer! His name is Jim!"

Jim couldn't believe it. Jim couldn't even grow his seed. "How could he be the new CEO?" the others said.

Then the CEO said, "One year ago today, I gave everyone in this room a seed. I told you to take the seed, plant it, water it, and bring it back to me today. But I gave you all boiled seeds; they were dead - it was not possible for them to grow.

All of you, except Jim, have brought me trees and plants and flowers. When you found that the seed would not grow, you substituted another seed for the one I gave you.

Jim was the only one with the courage and honesty to bring me a pot with my seed in it. Therefore, he is the one who will be the new Chief Executive Officer!"

- * If you plant honesty, you will reap trust*
- * If you plant goodness, you will reap friends*
- * If you plant humility, you will reap greatness*
- * If you plant perseverance, you will reap contentment*
- * If you plant consideration, you will reap perspective*
- * If you plant hard work, you will reap success*
- If you plant forgiveness, you will reap reconciliation*

So, be careful what you plant now; it will determine what you will reap later.

Think about this for a minute.

If I happened to show up on your door step crying, would you care?

If I called you and asked you to pick me up because something happened, would you come?

If I had one day left to live my life, would you be part of that last day?

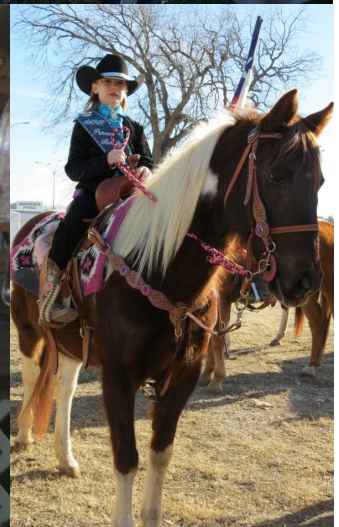

If I needed a shoulder to cry on, would you give me yours?

This is a test to see who your real friends are or if you are just someone to talk to when they are bored.

Do you know what the relationship is between your two eyes?

They blink together, they move together, they cry together, they see things together, and they sleep together, but they never see each other; that's what friendship is. Your aspiration is your motivation, your motivation is your belief, your belief is your peace, your peace is your target, your target is heaven, and life is like hard core torture without it.

West Texas Drifters

Hello from the West Texas Drifters!

Spring is right around the corner. I can't wait because with spring comes warmer weather for riding, hopefully greener pastures for our horses.

We have had two very successful team sortings. We have two more left to finish up the series. March 16th and April 20th at the Lonesome Pine arena. .

Hopefully everyone has been keeping their horses legged up. We've been working on that when the weather has been nice.

We've had two practice gymkhana playdays to help everyone get ready for the March 9th gymkhana playday. These were hosted by the Broken Hart arena. Thanks Kevin and Christi for allowing us to all come out and practice. I think there was a pretty good turn out at both.

The March 9th will be a jackpot. \$15.00 per rider and we will draw names to see who will run against each other. We had a lot of fun at the first practice one. The barrels to me were the most confusing because both riders share the middle barrel. My mom told me to just focus on the three barrels that I was running.

My sister Bella, Jackie Dunlap and Tatum Hatfield all were able to make the wrap'n up a cure barrel race in Andrews the 23rd of February. No one brought home money this year, but they all had a blast.

District II playdays also begin the 23rd of March. We will be getting ready for the ABC rodeo the 28th-30th of March. Our club will be riding in the grand entry at all four of the performances. This will be my second year to ride in the grand entry. This year I will be riding as princess along with my friend Tatum and my sister Bella will be riding as District II queen.

I am very excited to get our playday season started back up. I really like hanging out with my friends that I have made from being a member of our club.

Don't forget daylight savings time March 10th! We will get our daylight back for longer evenings of riding!

This month is busy with holidays too. Happy St. Patrick's Day!! Happy Easter!
