Howdy Everyone,

Due to the weather (rain) that we got on Friday & Saturday April 17&18 The Save a Life/Ride a Horse benefit and Spring Roundup was rescheduled for Friday & Saturday May 15 &16. Please invite everyone to come out and support this, it is for a good cause. There will be a Playday Saturday morning the 16th. If you have any questions call Sylvia Brown, Wendy Vann, or your officers. Please remember that the Save a Life/Ride a Horse and Spring Round up is an Association function.

Regions, Districts and Clubs do not schedule events on this date. We will have a short officers meeting Saturday morning before the playday in the office. We will have an officers meeting at 7:30 AM Saturday morning May 16, 2015 before the Playday.

The Finals is vastly approaching. You can mail in your Stall and RV requests starting May 1st. Don't forget to mail it to the Bowie PO Box. Your finals registration must be postmarked and mailed in 21 days prior to finals. If they are postmarked any time after that, there is a late fee of \$50.00 per entry. If you have any ads you would like to put in the Finals Program, get them mailed in as soon as you can so Stephanie can start on the program.

There will be an Executive Board Meeting on Wednesday evening the week of finals, June 17th, at 6:30 at the office. Immediately following this meeting, there will be a Rules Meeting as well.

We as the AASP&RC would like to congratulate all the seniors this year; we wish y'all the best of luck.

Regards,  
UB Herrington  
AASP&RC President

Greetings Everyone,

I know that Bowie is accustom to some rain at SRU and PDF but... What I went thru Friday night on I20, Ft. Worth, during the day in darkness as the night was NOT normal. The rain was so hard I was blind driving for miles until I took the wrong exit and ended up in down town Dallas, which I said I would never do, but now that I have done it nothing can scare me now. When I think of what would of happened to all those riders if they had shown up that Friday, it makes me shiver. Next time we call something because of the possibility of bad weather, I am not just going to travel on to see family. Dumb idea.

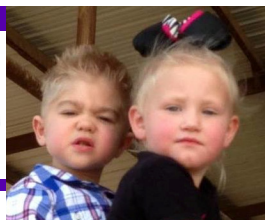

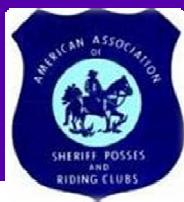

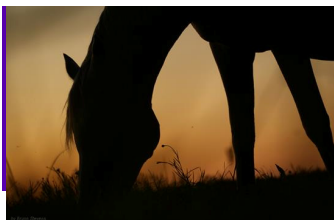

Any way I am so thank full that I have more time to get more Teddy Bears, for the Save a Life, Ride a Horse event. This is such a wonderful cause I can't wait.

I was just talking to a very classy playday young lady and we decided that the Association is in desperate need of young parents. These guys need to come in and start working to make the Association what it use to be for their kids to enjoy. I know I would be more than willing to step aside for some energetic, mover, and shakers to come in and fire the place up... (I dont mean set the place on fire, although I know a few crazy young guys that just might do it)

So, I am making a public dare to all those Intermediates that use to ride, to come back and take the challenge. **YOU KNOW WHO YOU ARE.**

See ya on the flip side, of the next page.  
Stephani

Hello everyone,

We had another rain out for our district 5 play day. Everything was looking great at 4:00 P.M. Friday. About 4:30 P.M. Friday a fast moving thunderstorm hit with 60 mph wind and torrential rain. At 5:00 the arena was standing in water. TWRC did their best to work the arena but it was just too wet. They finally called it about 10:00 P.M.

Ruby and I had arrived about 2 P.M. Friday. We had a wasted trip as far as the play day went but we had a nice visit with Jim and Jeton Tumlinson and other TWRC members. We returned home about 1 P.M. Saturday. We had received over 1" of rain ourselves.

The rain date for district 5 is next weekend. Maybe we can get it in then. We have a few people who have not qualified yet so we really do need to get another play day in. We have something scheduled for every weekend in May including the Spring Roundup the 15th and 16th of May. Everyone come and bring a teddy bear to give for the Children's Hospital. I hope to see a lot of you there.

That's about it for now.

## Kingdom Hearts Riding Club

Hello from Lubbock,

It's been quiet around here. I just got back from OKC and the BBR World Finals. I had a great time with some great friends Annette, Travis, Casey, and Slim. It was great getting to spend time riding and not stressing.

May 2nd KHRC has a playday hoping for a good day. We are still small so our playdays don't last very long.

PDF is just around the corner and I get to attend this year. I'm looking forward to seeing all my friends and extended family.

This isn't a very long recap but at least I got something in to publish.

May God bless and keep you,  
Jackie
