The sooner the better.

Rider's RoundUp is online: www.aasprc.net

Reminder: Only printed copies are mailed to those that truly need them. Please contact the Riders Round Up Chair Stephani or Secretary Peggy to have your name removed from the mail out if you are able to receive by email or view on our website.

Notice: The purpose of the Riders Round Up is to be an information tool for Clubs within the Association, keeping every member up to date with functions and members success stories. The Officers of this Association wish to promote a happy, healthy, family oriented newsletter.

Rider's Roundup Chair

I can't say this enough,

Please push yourselves to turn in your articles as soon as possible. If you are going to be late let me know by email as soon as you know. I can work with you. But not if its going to be longer than a day or two.

The Riders Round Up is the best way to let all of our members know when your events are within your club and let us know all about your members.

The Riders Round Up is also a most essential tool for new members within your club. Everybody loves to see their name, or their picture, or their success stories of their family members in the newsletter.

So get motivated and start writing those articles.

See you on the flip side, of the next page,

Howdy from West Texas,

This will be my last article as Ex VP. We have had a great year and would like to thank everyone for all they have done this year for the association. There are too many to name but THANK YOU to everyone.

We have lost some great members this year, without these members this association would not be here in Bowie. It is time for our younger members to step up and start to take the reins of the association and go forward with what our older members have started. We have some very capable members that would make great leaders.

Convention is almost here I hope to see a full house and have new ideas heard for our association to build on for the future of our youth and association.

Until we meet again

Happy Trails to you,

Ronnie Elrod

In Loving Memory

Garland
Wayne
Hargis

Garland Wayne Hargis, 86, beloved father, grandfather, brother and friend, died Friday, Sept. 6, 2013. Service is 1 p.m. Tuesday, Sept. 10, at White's Springtown Chapel, 401 N. Main Street, Springtown. Interment will be in Springtown Cemetery. Visitation is 6-8 p.m. Monday at the funeral home. Garland Wayne Hargis was born Jan. 23, 1927, to Perk L. and May Brinkley Hargis in Leonard. He proudly served his country in the United States Army. Garland retired from Texas Electric Service Company in 1987 after 40 years of service. He was a member of the American Association of Sheriff's Posse and riding clubs and enjoyed watching his daughter, Delinda, and grandson, Parker, compete.

Survivors include a daughter, Delinda Cantrell and husband, Melvin, of Weatherford; grandson, Parker Cantrell; siblings, Bob Hargis, Louise Jensen and husband, Will, Dorothy Herman and husband, Bob, and Martha Cannon; brothers-in-law, John Ward and wife, Cissy, of Longview, and Charles Ward and wife, Barbara, of Toronto, Canada; several nieces and nephews; and many other family members and friends. Garland was preceded in death by his loving wife, Delia Hargis, on Aug. 18, 2013; and a sister, Helen Euvon H. Tripp. In lieu of flowers the family suggests that donations may be made in Garland's memory to the Cal Farley Boys Ranch.

The passing of our friends Garland & Delia Hargis has not only shocked our world but also shocked the Association world. The AASP&RC will never have a more loyal family than the two of them. They were truly the most dedicated people in the association. They worked so many years and did so with the greatest attitude ever and they enjoyed every minute of it.

They were the most loyal and fun friends anyone could have had. They had 65 years together and now they are together again and probably enjoying every minute of it. We were so fortunate to have had them in our life. I know there are so many people in the association who think like we do. The association should really think of some way to pay honor them.

*They were truly a couple of the good guys!!
Love, The Jeter's*

Region 1 VP * Jackie Dunlap

Greetings from Lubbock,

Could someone please bring back the longer days and more riding time in the evenings. Summer is gone and fall is here. I'm not a fan of this season or the next. My riding time is short and far between during fall and winter, since I have to work to feed the ponies.

Playday season is winding down, which I don't like, that means I'll have spare time on the weekends.

We have lost another one of our great members, Garland Hargis passed away. I was looking through my scrap book and found pictures of Delia and Garland dancing at Bowie. They will both be missed. I will miss both of their hugs and smiles. I have Parker and his parents in my prayers.

District 2 has set it's awards banquet for November 9th. It will be at Eddie's BBQ in Lubbock.

October is almost here which means convention is almost here, I'm looking forward to the trip. Should be an interesting weekend. Hope everyone has their rooms reserved and registration sent in to Peggy.

October is also Breast Cancer awareness month. West Texas Drifters has a team for the Komen Race for the Cure. We are a small team but, we are making a difference with donations coming in for the foundation. A great BIG THANK YOU to Jeff Valimont, Debbie Mason, Bella Mason, and of course my Mom, Virginia for the support and walking with me.

Happy riding to everyone.

Please continue to pray for rain.

Howdy from District 2,

It's been a slow month. District finished off the playday series. Which leaves us with one playday series to go which is WTD playday. They will do the final playday for the series October 12th.

A special thanks to Joanna Byrne, for letting me borrow her amazing horse Sara once again. Karma. my horse has had a rough summer. It started with colic and now she's out due to a snake bite.

We finished the parade season with Parade of horse. The parade was a great way to go out for the season. District 2 won 2nd in judge's choice. Which was Joanna Bryne carrying the District 2 flag and myself riding as District 2 Queen. We've had an amazing year together.

Happy Fall to everyone. Hope all of you are enjoying so much needed cooler weather. Once again the LORD has blessed us with rain. We are grateful for all that we get here in West Texas.

We had our district banquet Sunday September 15 here in San Angelo. It was great to visit with the friends that came from Hawley. They were the Crockers and the Miller girls and their families. I apologize for not having the winners in this issue, but I will make sure that I have my list for next month.

We also elected a new Region 6 Vice President. Jan Crocker was nominated and elected. I know that he will do us a great job here in Region 6 as well as the AASP & RC. Buster Jones has had that position for many years and has done us an outstanding job and we will miss him but he is on to bigger and better things for the Association.

Our winners for our August 24 playday were as follows: Super Pee Wee Boy Mason Rutledge, Junior Boys Jaycee Hubbard, Intermediate Women Brittney Jones, and Super/Classic Men was Jessie Brock. Congratulations to all of our winners.

We held our club meeting September 3 and elected new officers for the year 2014 and they are as follows:

President – Jeton Tumlinson, Vice-President – Lori Brock, Secretary – Ginny Shuster, Treasurer – Juanice McLaurin, Board Members are Pamela Hunter, Kresta Thomas and Jeane Orsak, Playday Chair – Brittney Jones, Playday Secretary – Jennie Brock, Chuckbox – Freddie Shuster, Riders Roundup – Jeton Tumlinson, Scrapbook – Freddie Shuster, Awards – Juanice McLaurin, Advertisement – Pamela Hunter, Parade Chair – Linda Bell, Sweetheart Chair – Brittney Jones, and District Delegates are Elaine Lee and Jeton Tumlinson.

Our sweethearts this year are Amber Shuster and Jamie Philipp. Congratulations to everyone.

Next month will be a busy month for TMRC. We are hosting along with Hawley Saddle Club the AASP & RC Convention. We hope the rest of the Association will come and support us during the Convention as we have always supported the other regions that have hosted in the past. West Texas is not really all that far as many of us travel many miles to the Association functions.

We also have our spook playday scheduled for October 26 beginning at 4 p.m. Our club voted to also ride in several Veterans Parades that will be coming up in November.

We would like to thank the Jones once again for all their hard work during the National Playday Finals that was held Labor Day weekend. I understand that they worked all weekend and we are very blessed to have such dedicated members in the AASP & RC.

Our hearts are once again broken at the loss of one of the best AASP & RC Presidents, Garland Hargis. His knowledge and wisdom will be missed by many.

School is back in session and I know that all of our young people are excited about that.

We want to congratulate Kenneth and Juanice McLaurin on becoming grand parents again. Cayden Tyler Block came into the world 3 ½ weeks early but mother and baby are doing fine. Ton (which is me) and Uncle are pretty proud of that baby as well.

Birthday for October are Randy and Linda Bell, Jennie Brock, Anna Chandler, Dominic (Berry) King, Jaycee Hubbard, Dee Philipp and Billy Price. If I have left anyone out please let our secretary know so that she can update the roster.

Words for this month:

JUST PUSH

A man was sleeping one night in his cabin when suddenly his room filled with light, and God appeared. The Lord told the man he had work for him to do, and showed him a large rock in front of his cabin. The Lord explained that the man was to push against the rock with all his might, So, this the man did, day after day. For many years he toiled from sun-up to sundown, his shoulders set squarely against the cold, massive surface of the unmoving rock, pushing with all his might!

Each night the man returned to his cabin sore and worn out, feeling that his whole day had been spent in vain. Since the man was showing discouragement, the Adversary (Satan) decided to enter the picture by placing thoughts into the man's weary mind. (He will do it every time.)

"You have been pushing against that rock for a long time and it hasn't moved." Thus, he gave the man the impression that the task was impossible and that he was a failure. These thoughts discouraged and disheartened the man. Satan said, "Why kill yourself over this? Just put in your time, giving just the minimum effort, and that will be good enough."

That's what the weary man planned to do, but decided to make it a matter of prayer and to take his troubled thoughts to the Lord. Lord," he said, "I have labored long and hard in your service, putting all my strength to do that which you have asked. Yet, after all this time, I have not even budged that rock by half a millimeter. What is wrong? Why am I failing?" The Lord responded compassionately, "My friend, when I asked you to serve me and you accepted, I told you that your task was to push against the rock with all of your strength, which you have done. Never once did I mention to you that I expected you to move it. Your task was to push. And now you come to me with your strength spent, thinking that you have failed. But, is that really so? Look at yourself.

Your arms are strong and muscled, you're back shiny and brown; your hands are callused from constant pressure, your legs have become massive and hard. Through opposition you have grown much, and your abilities now surpass that which you used to have. True, you haven't moved the rock. But your calling was to be obedient and to push and to exercise your faith and trust in my wisdom.

That you have done. Now I, my friend, will move the rock." At times, when we hear a word from God, we tend to use our own intellect to decipher what He wants, when actually what God wants is just simple obedience and faith in Him. By all means, exercise the faith that moves mountains, but know that it is still God who moves the mountains.

West Texas Drifters Princess Emily

Howdy from the West Texas Drifters,

We had a busy month for September. We rode in the Parade of Horse in Lubbock, Texas. Then that afternoon we had our make up playday. We followed up the next weekend with our regular scheduled playday. We actually had one free weekend during the month of September which was the 21st. Our club is having a ranch sorting September 28, hopefully we will have a big turn out. I wanted to get the newsletter in or I'd report on how it goes. We'll do that next month. Membership is due at our October 3rd meeting so that members can vote at the November meeting.

We have a group of 4 walking in the Susan G. Koeman walk. That will be on October 5th. Jackie and Virginia Dunlap and Debbie and Bella Mason. Both sets are mother, daughter. The last two are my mom and sister. We thank them for doing this. Jackie is walking as a survivor and that is a blessing to our club. Good luck you all. October 12th will be our final playday for this series. This will be our Halloween playday so I hope everyone comes out dressed up. I love this time of year and have my costume already planned. Happy Fall, Emily Mason, West Texas Drifters Princess
