please forward the information to Todd  
Blackburn immediately for a running  
total so we know where we stand as we go.  
Use the donation form at the end of the  
Roundup for any amount obtained.**

## **Officer Elections For 2018**

Convention 2017 was a long one to say the  
least but a lot was accomplished by all that  
were in attendance. At the end of the day  
officers to represent the growth and  
development of The Association were voted  
into office.

Our 2018 Officers are:

President - Todd Blackburn

Executive Vice President – Tommy  
McEwen

Treasurer- LaHonda Boyce

Congratulations to this group who are  
willing to give of their time and themselves  
for our Association.

Thank you to those who took time at finals  
to attend the nomination meeting and to  
those that participated with nominations at  
convention. Without all of you we would not  
have had a slate of officers.

2017 Nomination Chair- Jennie Brock

Hello from West Texas. My name is Jessie Brock, and I am the new Region VI Vice-President. I live in San Angelo, Texas, and my home club is Twin Mountain Riding Club. I have been a member of the Association for a total of 18 years and have served in several offices. For Concho Riding Club, I was Vice-President and President. In Twin Mountain Riding Club, I have been Arena Chairman and an Association Delegate. In District V, I have served as President. On the Association level, I have been a member of the Rules Committee at Playday Finals twice.

After taking office, I was excited to attend the Twin Mountain Riding Club Christmas Party and Awards Ceremony. I want to say a big Thank You to TMRC for the beautiful Poinsettia they presented me. I also want to say thank you to our many officials who were able to make it: Association President – Todd Blackburn, Immediate Past-President – Buster Jones, Immediate Past Region VI Vice-President – Jan Crocker, Former Region VI Vice-President – Jim Tumlinson, and almost the entirety of the current District V Board: President – Jennie Brock, Secretary – Donna Rutledge, and Treasurer – Jeton Tumlinson. We were so excited to have you all here, and Thank You to TMRC for inviting me!

I am looking forward to an exciting year. I can't wait to see everyone for the Executive Board Meeting on January 14<sup>th</sup> and the San Angelo Stock Show and Rodeo Parade on February 3<sup>rd</sup>.

Sincerely, Jessie Brock

## **Twin Mountain Riding Club** **San Angelo, TX By Donna Rutlege**

Holiday greetings from the members of TMRC! As part of the holiday season, we gathered together on December 9<sup>th</sup> for our annual Christmas party. Last year and again this year, the club gathered at historic Fort Concho for food, fun and fellowship.

Current club President Jeton Tumlinson and her group of hard working elves (some of our club members), did a great job in decorating and setting up the building for the evening gathering.

This year we were proud to have AASP&RC President Todd Blackburn and wife Julie as our guests. As we looked around the room, we realized that we had many past and present dignitaries in attendance.

We had past AASP&RC President Buster Jones and wife Barbara, along with past Region 6 VP Jan Crocker and wife Ruby, past Region 6 VP Jim Tumlinson and wife Jeton, along with newly elected Region 6 VP Jessie Brock and wife Jennie, all members of TMRC and District 5.

Guests and members not only stuffed themselves with great food and snacks, they also played games including Bingo. Everyone went home with multiple door prizes etc. A grand time was had by everyone present.

Our Christmas party is also the time of the year that we award those receiving Hi-Point from our monthly playdays. This year awards went to Jim and Jeton Tumlinson, Abby Walker, Dakota Bullock and Cayden Block.

By the time you are reading this, 2017 will be history and we will move on with plans for 2018 activities.

Praying for a happy and healthy New Year! Howdy, Hope everyone had a great holiday

2018 NEW YEAR First playday will be Jan 7th and all playdays will always be barrel and poles and two other events with all events having exhibitions. So excited!!

Great way to train the young ones!!

Family membership is \$40 for the whole year. Some of the benefits of being a member is use of the arena for members, eligible for year end awards and just great family fun!! Playday ground is always amazing!

Our NEW YEAR big change is we will only have one playday a month. It will be the 1st Sunday of the month and 5th if there is a 5th weekend. \$10 for all events and \$2 exhibitions for members \$4 for non-members. Our playdays go to Saturday evenings after time change. Really excited and hoping having barrels and poles with exhibitions will help bring our membership up!! Also I know how everyone's lives are just so busy hoping one weekend a month will be what everyone is waiting for. It's just such a great place to come work horses and enjoy family fun!

## New Laws for Hauling Horses

### CDL's, CMV's, ELD's and other confusing acronyms

CMV = commercial motor vehicle

CDL = commercial drivers license

ELD = electronic logging device

### So how does this affect me?

*You need an ELD if your trailer is a CMV!*

What does an ELD do?  
Automatically records the number of hours a driver spends behind the wheel

### Is my horse truck/trailer a CMV?

YES, if your vehicle has a Gross Vehicle Weight Rating (GVWR) of more than 10,000 lbs

YES, if you haul someone else's horse in your trailer and accept money to offset the costs

YES, if you haul a horse to show with the intent to win prize money

YES, if you are a professional trainer and use your truck and trailer for business purposes

YES, if you write off your truck and trailer as a business expense

### Do I need a CDL to haul my horses?

YES, if a combination of your vehicles is a GCWR of over 26,000 lbs, and the GVWR of your trailer being towed is over 10,000 lbs

YES, if you haul any single vehicle with a GVWR over 26,000 lbs

NO, if your truck weighs 11,000 lbs & your horse trailer has a GVWR of less than 15,000 lbs, you do NOT need a CDL

### So are there situations when I don't need an ELD?

*Even if you have a CMV...*

- YES, if you are not driving more than 11 hours
- YES, if you, the driver, take 10 consecutive hours off between shifts
- YES, if you start and return your drive to the same location within 12 hours-time
- YES, if you drive within a 100 air-mile radius (as the crow flies) from the normal starting work location

### THE BOTTOM LINE

In general, these rules do not apply to the occasional short-haul transportation of horses, provided it is not for compensation or commercial purposes.

Basically, if you are hauling for recreational purposes or not showing for prize money, you are exempt from the ELD mandate.

#### FOR MORE INFORMATION:
