President U.B. Herrington

Hello Everyone,

I would like to thank everyone for helping last weekend at the National Finals that were held at the grounds. The AASP&RC had to furnish the tractor drivers so I would like to give a big THANK YOU for the ones that helped: Billy Privett, Tommy McEwen, Darrel Brown, Colton Niblett, Marcus Cox, Chris Cox, Larry Mitchell and J.R. Holloway. If I left anyone out, I apologize. Water truck duty fell on Darrel and Sylvia Brown and Colton Niblett. Thanks so much for all your hard work. It was a nice change not having to work in the Concession Stand. Thank you to Buster and Barbara for making Wal-mart runs during Saturday and Sunday.

Convention is just around the corner. Make sure you make your reservations and bring your delegate letters.

Thanks

U.B. Herrington

AASPRC President

Region 6 VP Jan Crocker

We went from the wettest July on record to the driest August. We have not had a drop of rain since about the 20th of July. If it doesn't rain soon I can forget about the second cutting of hay.

I have had a couple of people ask me about the lawsuit. If you want a copy of it I think our secretary will send you one. Or you can send me your email address and I will send you a copy. I have it set up so I can just hit send and it's on its way.

The National Finals will be Labor Day weekend. We have a club playday that day also. I can't make up my mind which to attend. I may put in an appearance for awhile at Bowie and find out if our President needs any help but I really don't want to haul a horse to ride in the Grand Entry.

Ruby's little horse Columbo is really having a hard time of it. He has had Cushings Disease for several years. His hormones are totally out of balance and it causes him to grow really long hair. It also causes him to founder easily. To top that off his teeth are really bad. The vet had to dig one of them out last week. He is so thin he is painful to look at.

We have to feed him Purina Lifestyle feed that is a special ration for horses that founder. It is very expensive and cost 2 1/2 times the feed we feed the rest of the horses, also we feed him four times as much just trying to keep weight on him. I am almost afraid to worm him for fear the wormer will cause him to founder again.

Ruby is wearing a cast again. The doctor thinks she has a stress fracture in one of the small bones of her foot. I warned her about kicking me all the time. Yeah, right.

There is not a lot going on around here to write about and I haven't really talked with anyone about any region business. We do have a convention coming up in October. I hope we have a better turnout than last year.

I did attend Hawley Saddle Club playday last week. We had a good turnout. Ruby said she thought there were about 15 super peewees. I think that is a good sign that the Hawley Club will have a healthy membership for sometime to come.

Hope to see you at the convention.

West Texas Drifters

Princess Emily

Howdy from West Texas Drifters,

I hope that everyone had a wonderful Labor Day weekend. We did. We celebrated my grandpa's 75th birthday.

It's hard to believe how fast this summer went by. We will soon be having elections coming up in November and any changes made to by-laws. My term as a princess will soon end. I have grown so much with the honor of being able to represent our club as a princess. My big sister Bella Mason showed me how to princess since she has been Queen for WTD and for District 2. She showed me that it is an honor to represent your club and nothing to take lightly. Thanks Bella for being my big sister and helping me make some of my dreams come true.

We will have our final playday for our series on September 13 with the books opening at 4:00 and riding at 5:00. The next day will be our final district 2 playday for the series. Books will open at 2:00 and we will ride at 3:00 with no re-rides for that day since it is on Sunday.

My Aunt Melisa Hill has been making paracord bracelets to sell for raising money for the wounded warriors which is our cause this year. My mom signed our club up through Schwan's too. We were to get a portion of every sell if people ordered on line and donated a portion of their sells to us. My mom was the only one that did that, but at least it is something we can still give to the wounded warriors. We are hoping to maybe also be able to have a benefit playday so we can use that money to go with what is collected and make a difference with our donation.

We are planning on having a benefit playday for a family that lost their grandmother to cancer. Her and her husband had been raising the grandkids. We are hoping to do that on October the 4th.

Our club will be riding in our final parade this season which will be the Parade of Horse. We are hoping we have a good turnout. I am excited about this one. We ride in Lubbock and it was first parade several years ago. It's all horses in this parade no vehicles. This will be Saturday September 6th. There will be a benefit barrel race afterwards to help a young girl that needs heart surgery. That will be out at the Lonesome Pine Arena hosted by Misty Roberts one of our members.

I hope that I'm not forgetting anything, but with school started back we have gotten pretty busy.

Hope everyone has a blessed month till next time.
WTD princess,
Emily Mason
