Howdy Everyone,

February sure did fly by fast. First of all I want to say I am sorry that Lisa and I didn't get to make the San Angelo parade due to my work. March is here and playday season is among us.

In April, we have Save a Life Benefit/Spring Roundup at the 17th and 18th. There is a flyer in the Rider's Roundup. For more information, you can call Sylvia Brown or Wendy Vann. If you can secure some sponsors for this event, that would be great, and get with your Region VP and let them know.

As a friendly reminder, the association dues were due by March 1st. We still like some clubs having all of them in. Please remember if they were not postmarked by March 1st, there is a late fee of \$25.00 per family.

We have projects that need to be done on the grounds, please get with your Region VP. Please let me know what your Region would like to do and at what date ya'll would be coming.

Congratulations to KD and Chris McGowan on their new arrival, Whitney Anne!!

Thanks

Hello from San Angelo,

Home of the wacky weather. This years Rodeo was full of ever weather event you could imagine. At least the parade day was beautiful. Congratulations to the Twin Mountain Riding Club who got 1st place.

I have had some excitement this last month with the arrival of my grand daughter and newest member of the AASP&RC, Miss Whitney Anne McGowan. Can't wait to see her ride, it is so wonderful to have grand kids on horse back.

I put the word out on FB I was collecting Teddy Bears for the Save a Life Ride a Horse and the response is pretty good. Next I will hit up my work with a flyer or two and see how many I can get there. What a fantastic idea to give those children a Teddy Bear while they are in the hospital.

Everyone get ready to go to Spring Round Up. Can't wait to see you there.

See ya on the flipside, of the next page,
Stephani

Hi, my name is Wendy Vann. We are hosting our 3rd annual event that will benefit two great organizations, Cooks Children Center of Ft Worth and Life Gift Organ Donation Centers across Texas.

On October 16, 2011, I lost my 22 year old daughter to a rare illness that she had never even been diagnosed for called AVM - **Arterio-Venous Malformation**. Before that moment she had already made a big life choice to be an organ donor. What we didn't know was that one of the important people that were going to benefit from this choice was an 18 month old little boy named William. I found out the night before they took her in for harvesting that while we were at Harris Methodist of FTW, right next door at Cooks Children one of the recipients was waiting patiently. Although I was dealing with major grief of losing my child, my thought was also going out to the family next door and knowing that another family would not have to go through what I was because of my daughter's life choice.

Since this time, I have got to meet and talk to many of the recipients that my daughter helped save. I had a big choice to make –be angry at the fact God took my child and mother of my grandchild or use what had happened to make a difference and not let her death be in vain. I choose the latter. I started talking to both organizations and took what both my daughter and I love and decided to do something with this.

We are asking for your support in helping these organizations in a big way. We are hosting the 3rd annual, "SAVE A LIFE – RIDE A HORSE" benefit. Out of this Cook's Children's will receive new teddy bears, that will be given to children that are being admitted, and Life Gift Organ Donation Centers will receive 30% off proceeds made from this Jackpot to help with funding, research and the cost that goes into organ donations. 70% will be paid to entries, so no money is made by this event. Please help us make this happen. This is a 501c non profit association so your contribution will be tax deductible. A tax donation letter will be sent to your address for your records. Please make all checks to the **"Save a Life – Ride a Horse Benefit Fund"**.

ATTENTION PARADE JUDGES!

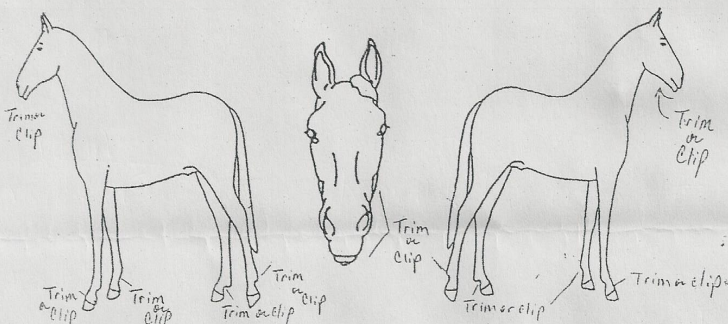

PLEASE KEEP THE FOLLOWING POINTS IN MIND DURING JUDGING OF THE RIDING GROUPS:

****Members carrying the flag, leading the group or Sweethearts or Mascots MAY be dressed differently or have different horse equipment that the other group riders. THIS IS OK, DO NOT subtract points in this case.**

****The rest of the riding group should be consistent and alike or similar in their horse equipment and clothing. Example: If one rider has on black gloves, they should ALL have on black gloves, if not, then they deserve a reduction in points. Example: If some riders have on chaps, then all riders should have on chaps, or have points subtracted.**

****If one rider has blackened hooves, then ALL members of that group should have blackened hooves, if not, then they deserve a reduction in points.**

****If a rider has NOT groomed their horse well, then points should be subtracted. Typically, hairs around and on the face should be clipped or trimmed. Also, the lower part of the horses legs should be trimmed or clipped (see diagram). If a rider has not trimmed consistent with the other riders in their group, then points should be subtracted from their score.**

Hello again everyone,

We have really had a lot of winter weather the last couple of weeks. It seems like nearly every weekend a new front hits. It hasn't been really cold except for Monday the 23rd and the high was 26 degrees. We are expecting some more snow and freezing rain beginning Wednesday night and lasting into next week.

We traveled to San Angelo and rode in their parade on the 14th. The weather was really nice Saturday and we had a great time. We also attended the rodeo with Jim and Jeton Tumlinson.

The San Angelo folks take their rodeo seriously as there were no vacant seats. Several of the top PRCA competitors were there. I thought overall it was a great rodeo.

We returned home Sunday just in time to greet our next cold front. We did have 3 nice days that week and we rode every day that was nice. Then Friday night it began to rain and sleet. We wound up with 1/2" of rain and about 1 or 2" of sleet. The sleet finally melted off today. I just hope it clears up long enough for us to get our district play days in the 7th and 8th of March.

Hawley Saddle Club is having their awards banquet this Saturday. The forecast high for our area is 38. We intend to attend if the roads are clear.

I hope you have enjoyed my weather report. I'm sure everyone has had their own problems. However we have been fortunate compared to the folks in the Midwest and Northeast.

I'll close for now. Maybe next time I will have something more interesting to write about.

Jan Crocker,
Region 6 V P

District Five

Hello, from District 5, Region 6,

We had our District Awards banquet in September, 2014 and election of new officers for 2015. Officers are as follows:

President-Lori Brock
Vice President-Angela Miller
Secretary-Donna Rutledge
Treasurer-Jeton Tumlinson
Play Day Secretary-Jeannie Brock
District Delegate-Jim Tumlinson
Reporter-Barbara Jones

Congratulations to all the high point winners from District 5. The day of the meeting I was working so I didn't attend and I don't have a list of who the winners were.

Our first District playday will be in Hawley at the HSC arena on March 7 & 8. We won't know until the 6th how the arena is as they have received a lot of moisture and snow. The moisture is greatly needed but this weather plays havoc on playdays. The second one will be in San Angelo at TMRC arena on April 25 & 26.

Congratulations to K.D. & Chris McGowan on the birth of Whitney. She is precious and I am sure Grandma is bursting with pride.

Everyone stay safe and warm during this cold weather and ice we have been having.

Until next time, Barbara.

Kingdom Hearts Riding Club

Greetings from Lubbock,

CONGRATULATIONS to KD and Chris McGowen on the birth of their daughter!!!!!! Many blessings to y'all.

I would like to say HAPPY BIRTHDAY to my sister Summer Watson.

March 13-15 I will be in Andrews TX for a barrel race. I'm thankful to my friends Annette, Misty, and Sheila aka Triple Threat Productions for planning and coming up with this race. It is to help me pay medical bills and get the reconstruction surgery. I truly am humbled by the support and love that I am receiving.

March 28th will be the first playday for KHRC in 2015. I pray we have a good turn out. We are looking at dates to have a full season of playdays this year. We will post our playdays each month, so if you are in the area and want to ride come ride with us.

I've been trying to write an article about my memories and the fun times I used to have in Bowie. My favorite event of all time was Seven Man Relay. It was the feeling of being in control of something totally out of control. My favorite Spring Round up was in Copperas Cove when we got to trail ride on Ft Hood. My mother wasn't very happy with all the mud I came back to the trailer with. Especially on my hat. The hat came clean thank goodness. When it was time for finals we would leave in the middle of the night to be at the gate Saturday morning so we could set up pens. There was usually a line of trucks and trailers waiting to get in and set up. Before finals would start there would be a group of West Texas people that would go to Wet N Wild. During finals my favorite night was Thursday and the fish fry at Dick Allen's place. We had so much fun swimming in the lake. Friday night has always been the dinner and dance. Which has always been a great time. As our membership is fading so is the fun and friendships. Now it's all about winning a saddle. I have been around for a lot of years. I have placed at finals and won day ribbons three times. It's not about the awards for me but seeing my friends and extended family I don't get to see very often. I'm thankful to be a part of the small group that was able to grow up in the association. It has taught me that no matter the miles true friends will be there for you. I hope the kids in the association now will be able to look back and say "those were some of the best times of my life." The memories I have will go with me wherever I am. Whether the association lives or dies.

Region 1 is planning a fund raiser playday to raise money for a saddle for finals. We will have a silent auction along with running the events. I believe the date is May 30th. More information to come.

God bless you,

Kingdom's Heart Riding Club

District Thirty One

The Ft. Worth stock show is over and it's time to turn our attention to the upcoming playday season. We've had some beautiful days and also some days when all you want to do is curl up with a good book, a warm blanket and a cup of hot cocoa.

We can only hope that March will bring good weather. District 31 will begin the season with a playday on March 14th. Signup will begin at 1 pm with the first event to begin at 2 pm. We will run 6 events to be decided before the day begins. Anyone wishing to assist with getting things ready can come on Friday night or early Saturday morning. So dust off those horses and check your equipment for needed repairs.

My condolences go out to the Taylor family. You have suffered a great loss as have all of us in the association. Al was a good man, always willing to help. He was one of the first people to greet and welcome Andy and myself at our first playday finals. His enthusiasm was catching and he just plain liked people and horses.

On that note, I'd like to thank the officers and committee people at club, district and association levels. Theirs is a thankless job. We may not always like their decisions, but someone has to make the hard choices. They are for the most part elected by you the members and they make it possible for clubs, districts and the association to function. They are volunteers, so the pay and benefits aren't the greatest. They do it because it's a job somebody has to do. We need more like them and we need to let them know they are appreciated. Happy trails to all!

Sylvia Brown, Dist. 31 Secretary

Poor Boy Riding Club

Our new members this month are Linda Slaughter and Bobby Bazzell & family. We would like to welcome each of you to the PBRC Family and hope you will have a great year.

At the February meeting we discussed starting up the Tuesday night expos. The board is also planning another Jackpot Barrel race. No date has been determined but we will keep you posted. Gaye Patrick and April Ramsey worked hard on the 2015 Playday schedule. Of course, there will occasionally be conflicts with other things but we really appreciate the effort these ladies put into getting the schedule together. It looks like this will be a great year!!
