Howdy from Lubbock and West Texas,

Well it's hot and dry here in Lubbock, still. It's good to see some areas of Texas receiving rain. If anyone would like to act like Pecos Bill and rope a storm and drag it this way we would appreciate it.

I would like to congratulate Misty Goldston and Jackie Dunlap on their wins from the C-T Rodeo Winter Series. Both of them rode hard all winter to bring home the buckles.

WTR is in the middle of our jackpot playday series. We have had some good turnouts and would like to welcome everyone out to ride with us.

The next District 2 playday is June 25th, at the WTR arena on FM 41.

I would like to say a special thank you to Jackie for inviting me to the Benefit Playday for Blake. I had a great time and won some really nice handmade spur leathers. Blake made all the spur leathers that were awarded.

Don't forget the STICKHORSE BARREL RACE Tuesday night before PDF.

PDF is right around the corner I can't wait to see everyone there, I know this will be a great year. This just might be my year to win a saddle. I want to wish everyone luck and well being during PDF.

Until we meet again
Happy Trails to you,
Ronnie Elrod

Hello Everyone,

Things have been pretty quiet around here as far as playdays because of the rain and the EHV-1 virus. I hope everyone has been safe from the storms as well.

Aside from the way I was raised and my wonderful family I can name two ladies that taught me what class means. They are Lorene McClung and Carolyn Garrett and as of April 27 of this year they are both in Heaven. On April 29th my grandparents and I headed to Lubbock to say goodbye to Miss Carolyn as I always called her. She was a member of the Lubbock Rangers and District One. I actually don't remember not knowing Carolyn. She always called me Summers with an S instead of just Summer. I never cared because she was such a neat lady. I remember as a little girl she would have on a necklace or something (that she more than likely made herself) and I would tell her that I liked it. Usually by the next time I saw her she had made me one similar in my size. She could make something out of nothing. There are several conventions that we got there and there were no decorations but before it was over there were and her region wasn't even hosting the event.

There are several towns in Texas that she and I have shopped upside down. She took me just like I was one of her own grandkids. When I was Queen in 1996 (and the two previous years as a Princess) she always had something neat for me wherever I saw her. Convention was in Lubbock that year and she asked me where I wanted to go on my Queen's tour and I told her "your house" and sure enough one of the stops on the tour was Miss Carolyn's house to see the barn underneath it and all of her rabbits that she decorated with. She even stood in as a chaperone when needed. I don't know how many female association officers there were before her but she is the first one that I remember and in doing my job now besides looking to my own Pawpaw, and second mom Diane Johnson, I always think back on how she handled herself in situations. Just like we have issues now there were issues then and she handled herself with the utmost class and grace.

My fondest memories are always going to be of her and Weldon dancing. I always wished I could dance like them. I never learned how to dance quite like them but Weldon did teach me how to dance.

At her funeral the preacher said the phrase that summed up Miss Carolyn was class. A little chuckle could be heard throughout the church because we all knew it was true. She always thought of others before herself and even in the hardest times she always had a smile on her face. Something that sticks out to me is when we were at Weldon's funeral in December of 96 and we were hugging her in the cemetery she says to us "you are still staying with me for the wedding (of another friend) in January right?" Even right then she was thinking of others and not herself.

I know a lot of people that aren't "lifers" to the association like me didn't get to know Carolyn or Lorene but I sure wish you could have. They were neat ladies. I am also thankful that I was able to make the trip with my grandparents and stay with our good friends Joe and Carol Schoenig while we were there. My grandparents said if not for Onstar in my new car we would probably still be driving around Loop 289 in Lubbock!

Speaking of my grandparents please say an extra prayer for my Grandma (Bobbie Montgomery) as a little over a week ago she had a fall at home and dislocated her elbow. She is still having some pain and probably has some physical therapy ahead of her. Also on June 8th my Eric will be having knee surgery. He said he didn't like the timing of it because he won't get to ride at finals but he is excited because he has waited for 19 months for the VA to do it and he has talked about since I met him.

Playday Finals is upon us, and with the EHV-1 virus lets make sure we are all responsible horse owners and up to date on our vaccinations. Also let's remember what we have pulled together and accomplished for this finals and go into it with our motto of HORSEMANSHIP, SPORTSMANSHIP, and CITIZENSHIP in mind.

"No one cares how much you know until they know how much you care."

Until Next Month,

Wow, here we are the month before Playday Finals! Did you find the information that you needed for Spring Round Up on the website? I am working to make sure that all information that is forwarded to me regarding Playday Finals and upcoming events are posted on the website as soon as possible after receiving it. I continue to shoot to make the website user friendly and up-to-date. I hope that you will continue to utilize the website to find important information, publications and general information that you might need.

As I mentioned previously, if you have any comments, questions or suggestions, please forward them my way and I will definitely respond and probably even utilize the information to continue making the website an important tool for each member of the Association.

Remember, the Riders Roundup is now being posted on the website in two locations: There is a nifty link on the Home page of the website to the most current issue. Also, there is a "Publications" tab that contains links to the current year's Riders Roundup issues and also to the back issues of the Riders Roundup as far back as 2008. There are a few issues that were not supplied to me; however, if I have them, you will find a link to them there.

Before I shut down my computer, I would like to take a brief moment to wish all of our high school seniors and college graduates a heartfelt congratulations! We are very proud of each and every one of you. Your next chapter in your life is just beginning... Have fun, live, love and laugh!

Until the next issue,
LaDonna Mild

Lubbock Saddle Club

Hello from the members of the Lubbock Saddle Club!

WOW!!!! The Lubbock Saddle Club started our playday season off with a bang in March having over 70 riders at the very first playday! We ended up having to reschedule our April playday due to the high winds and blowing dust. (Something that we have grown very tired of here in West Texas!) But, amazingly enough, we topped the charts with an unprecedented 104 riders at our May 7th playday!!!! Let me say again "WOW!" We have continued to grow again this year and so far, we have almost 60 families representing 154 members!

We had 80 riders at the make-up playday on May 14th and we are continuing the trend of big turnouts for our regular season playdays! Thanks to all that are participating! Our next regularly scheduled playday will be June 4th. Books will open at 10 am and rides will begin at 11 am, concessions will be available.

We are gearing up for our 2011 Friday Night Youth Series open to riders 18 years of age and under (as of January 1st). The series will be held every Friday night in June and the first four Fridays in July. We are so excited for this year's series and we know that everyone will have an awesome time!

During July, the 4th Annual Hailey's Roundup Playday – benefitting the American Diabetes Association will be held on Saturday, July 23rd. This playday is so much fun! The awards (1st – 3rd) will be AWESOME again this year! You all should try to come out and ride with us and have a great time with us!

Other upcoming events are:

June 14-19th – Playday Finals, Bowie, Texas

June 25th – District II Playday hosted at the WTR arena, Lubbock, Texas

July 4th Parade - Abernathy, Texas

July 9th – O'Donnell Rodeo Parade and Grand Entry, O'Donnell, Texas

Take a minute to look at the Schedule of Events page on the saddle club website: www.lubbocksaddleclub.org and see if you will be in town during one of our events! Again, the next Lubbock Saddle Club playday will be June 4th – books will open at 10:00 am and the rides will begin at 11:00 am. If you are around on a playday weekend, come on out and have fun in the dirt and sun with us!

TRIBUTE TO A FRIEND

On May 5th we lost a true friend. Freckles was born April 12, 1979. He lived a good life and brought a lot of joy too many people. He was owned by Charmie Sanders and she used him as one of her "step" horses when teaching young people to ride. This is how Leo Cramer came to know Freckles. They did so well together that when Charmie decided to sell him, what a wonderful Christmas present. That was Christmas of 2005. He was winning buckles for a young person and carrying this person in parades and trail rides until the last couple of years. He will surely be missed by many.

Twin Mountain Riding Club

Hello everyone and Happy Summer. It is very hot here in West Texas and we really need some much needed RAIN as well as the rest of the state. This is the driest 7 months in the past 117 years here, but we are very thankful that we do not have to deal with all the tornados that have hit other states as well as floods and nature disasters.

We had our April playday on the 30th. It was hot, but we had a good turnout. Our winners for that day was Super Pee Wee Girl – Makailey Brock, Super Pee Wee Boy – Tres Brock, Pee Wee Girl – Allison Vaughn, Junior Girl – Ashley Virden, Intermediate Women – Misty Keane (former club member), Senior Women – Tie between Chandra Brock and Lessa Block (another former member), Classic Men – Buster Jones. We had an accident and Anna Pickett was hurt and was taken to the hospital by ambulance but is doing ok. Our thoughts go out to Stanley Mayfield for the loss of his horse that was hurt during the playday and did not make it. As we all know they become part of the family. Yours truly was unable to ride as my own horse Dunny got a bad case of colic and had to be taken to Lamesa for possible surgery, but we were blessed and he only had to stay a week and did fine without the surgery. That was a long day and on the way home we had almost made it back to San Angelo when Jim hit a deer with our pickup and then blew a tire on the horse trailer. This past month has been very expensive for the Tumlinson household.

As Playday Finals is fast approaching I understand that they have a lot of neat things planned for everyone to do and Queen Lauren has a week full of activities for the young people and we are very excited about all of Twin Mountain riders that are going to represent us well. We can pray that the Equine Virus is over with by the time all of our members are ready to travel. The AASP & RC has asked that everyone keep their horses at home until finals.

Some of us that will not be able to make it to finals this year will head to Bowie on Sunday the 19th for an Executive Board meeting.

Thought for the month:

A Birth Certificate shows that we were born

*A Death Certificate shows that we died
Pictures show that we live!*

Have a seat. Relax . . .

And read this slowly.

*I Believe....
That heroes are the
people
who do what has to be
done
when it needs to be
done,
regardless of the
consequences.*

*I Believe....
That my best friend
and I
can do anything or
nothing
and have the best
time...*

*I Believe....
That sometimes the
people you expect to
kick you when
you're down will be
the ones to help you
get back up.*

*I Believe...
That sometimes
when I'm angry
I have the right to
be angry, but that
doesn't give me the
right to be cruel.*

*I Believe...
That maturity has
more to do with what
types of experiences
you've had and what
you've learned from
them and less to do
with how many
birthdays you've
celebrated.*

*I Believe....
That it isn't always
enough,
to be forgiven by
others.
Sometimes, you
have to learn
to forgive yourself.*

*I Believe...
That no matter
how bad
your heart is
broken,
the world doesn't
stop for your grief.*

*I Believe....
That our background and
circumstances
may have influenced who
we are, but,
we are responsible for who
we become.*

*I Believe...
That you shouldn't be
so eager to find out a
secret.
It could change your life
forever.*

*I Believe...
That the
people you
care about
most in life
are taken
from you too
soon.*

*I Believe....
Two people can look at
the exact same
Thing and see something
totally different.*

*I Believe...
That your life can be
changed
in a matter of hours
by people who don't
even know you.*

*I Believe...
That you should send this to
all of the people that you believe in.
I just did.*

*'The happiest of people don't
necessarily have
the best of everything;
They just make the most of
everything they have.*

*I Believe...
That even when you
think
you have no more to
give,
When a friend cries
out to you,
you will find the
strength to help.*

*I Believe...
That credentials on the wall
do not make you a decent human being.*

Hope everyone has a great month.

Our next club meeting will be June 7 at Los Panchitos on the Paseo. Anyone interested in running for office of our club for 2012, please feel free to contact Jim Tumlinson and that time will be here before we know it.

Take care and until next time.
