Playday Finals Bowie, Texas

Buster Jones

AASP&RC President

We will have an Executive board meeting June 14, 2016 at 6:30 PM. It will be held at the assoc. office. A rules committee meeting will be after the executive board meeting.

Hello again from West Texas

Well another month has come and gone. We had Spring Round-up on April 16. I want to thank the few people who showed up. It was a small turn out. I was very disappointed in the number of people who showed up. I get so upset when people complain about the AASP&RC not having the money to do thing like buy saddles for playday finals and then when we have an event very few show to support us. We cannot get in better financial shape until the members start supporting the Assoc.

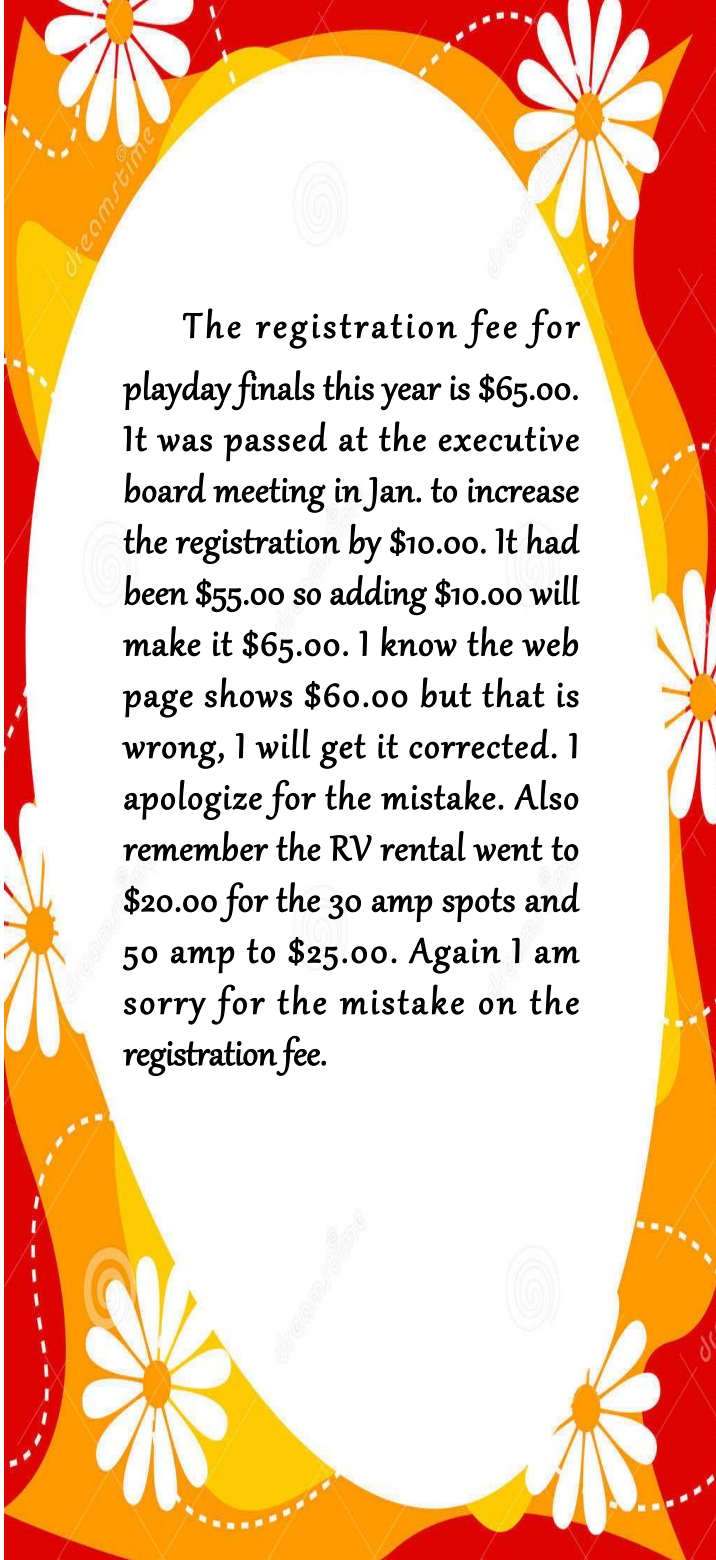

A special thanks to Chris Cox for spending all day draining the arena so we could have SRU. And a special thanks to Lynn Cox for the great job she did on putting SRU on. Also thanks to Elroy, Todd, UB, Lisa, Jan, Ruby, Jim and Jeton for all their help. I also need to thank my wife, Barbara, for running the concession stand and putting up with all my complaining.

District 5 was suppose to have a district playday in April but was cancelled because of rain. Twin Mountain Riding Club had a play day last weekend, we 25 riders and a lot of fun.

We will have saddles for playday finals as we did get all of them pledged. A special thanks to all the clubs, districts, regions and individuals who donated money for saddles.

That is about all I have for now. Just remember Finals will be here before we know it, so get you registration, RV and stall money in asap. Don't forget the 5D Barrel Race on Thursday night of Play Day Finals. See ya there!

If you were not at January board meeting or there are any changes to board delegates, please make sure you have your letters from the district to turn into the credentials chairman.

The registration fee for playday finals this year is \$65.00. It was passed at the executive board meeting in Jan. to increase the registration by \$10.00. It had been \$55.00 so adding \$10.00 will make it \$65.00. I know the web page shows \$60.00 but that is wrong, I will get it corrected. I apologize for the mistake. Also remember the RV rental went to \$20.00 for the 30 amp spots and 50 amp to \$25.00. Again I am sorry for the mistake on the registration fee.

April 22.

Hi again everyone.

First off I would like to congratulate Region 1 and District 2 for their success at raising funds to donate saddles for the finals. Good job LaDonna.

I think there are a couple of families from District 5 who are donating saddles. Region 6 will be for sure. Last count I understand Buster said that 12 had already been pledged.

Thank all of you who have worked to raise funds and especially the families who have donated. This is the way that it was originally set up in the association to award saddles. We are a much smaller association now, so we have to work harder at raising funds as well as maintaining the grounds.

New Region 3 VP Elroy Mann and wife Crystal certainly did more than their share at the work day. I was pleased that they are taking a genuine interest in the association. In the past Region 3 VP did not bother to show up.

I hope to see a lot of people at Spring Roundup which will be over by the time this is published. I failed to write anything last month. The older I get the easier it is for me to forget.

My horse has an injured leg so I will be riding Ruby's horse that has not playdayed in 3 years. Hopefully she has a good memory.

Well her memory was not that good. I did win a couple of events but also had a no time.

We had a light turnout for Spring Roundup. I doubt that we netted a hundred dollars.

Our District Playday at Hawley was a rainout. No surprise since most of Texas was flooded. The rain date is May 21-22. Hopefully we will get it in as we have several folks who have not qualified yet. It will be an open Playday and everyone is invited to come ride. Non members will only be riding for fun and will not receive awards or points. Registration will be at 8 A.M. and Playday starts at 9.

Buster says we only lack a couple of saddles for the finals. I promised if he could get 13 that Ruby and I would donate one in memory of her little horse Columbo. So come on folks we only need one more, surely someone will step up.

I also noticed that the Queen Contest has been dropped due to lack of interest. It makes me wonder how much longer can the association last.

My horse "Easy" seems to be back to normal for him, whatever that is. I just hope it dries up enough that I can get some practice in before the finals. He is a very lazy horse and back slides easily.

That's about it for now. Catch you later.

Twin Mountain Riding Club

Happy late Easter! We had our monthly playday on March 26, at our arena. Of course, we had an Easter theme, along with a few fun events for those on horseback or on foot. Many of our members were seen with their "Bunny Ears" on, including our good natured AASP & RC President Buster Jones, also our club President Jeton Tumlinson.

Our members made sure that all riders and younger visitors went home with an Easter basket full of goodies for a real sugar high for the evening.

Thanks to all who helped in any way that day to help with the playday. Club members receiving Hi-Point in their classes included: Super Sr./Classic Wm., Elaine Lee; Super Sr./Classic Men Buster Jones; SPW Boys, Lead Line, Caiden Block; and Sr. Wm., Val Bewley and Lessa Block tied.

Our visitors that took home Hi-Point in their classes included:

Pee Wee Girls, Maddie Mayhew; Pee Wee Boys Dusty Davis; Junior Girls, Kylie Jankowski; and Int. Wm. Maricela Riojas.

We continue to enjoy our rainfall, minus the hail that came to our house. We know that state wide some of our members have had considerable damage from the storms.

**"Don't pick a fight, but if you find yourself in one, I suggest you make darn sure you win."

Lewisville Saddle Club is also going to donate a saddle and Mike and Michelle Malone, new members of Twin Mountain Riding Club, are donating \$300.00 towards a saddle.

Also I want to remind everyone, that plug your trailers in at the stalls, you have to pay the \$20.00 RV fee any time you plug in. If you do not pay, the Assoc. will send you a bill for it.

Spring Round Up Report

Mother nature kept a lot of people from coming. However, we did managed to make \$309.00.

I want to thank the following people for coming and working. I really appreciate you all for taking the time out of your busy schedules to come either to ride or just to work. Jeton and Jim Tumlinson, Elroy and Crystal Mann, Buster, Barbara and Brittany Jones, Ruby and Jan Crocker, Wayne, Kim and Megan Moody, Linda McCaig and Addison, Varsi Klatzkin, Todd Blackburn, Summer Watson, the Dugans, Hills, and Baily Vinson, Polly Moss & family, Chaston Teeler, Courtney Renfroe. A special thank you to Lisa and UB Herrington, Jordan and Colton Niblett. Also a HUGE thank you to Chris for spending all day on Thursday and Friday for draining the arena so we could ride. Spring Round-Up would not have happened if he had not done that.
