# Buster Jones President

Hello from West Texas,

Well convention has come and gone. I want to thank everyone for giving me the honor to serve as your President for 2016. I look forward to working with the other officers this year.

I want to also thank UB for the good job he has done the past three years. For those that were not at convention, we did get a few things done.

Playday finals will be back to 4 days. Also this year, saddles will only be given for playday finals if all 14 are donated by May 1. We had to do that because the Assoc, does not have the money to buy them. There are other changes so talk to your region VPs to get all the information. I look forward to this next year and hope we can have a great year. One thing I want everyone to know is that I do not text or do facebook, so to get in touch with me, you have to call me or email me. I still have some committee chair open so anyone interested, please contact your Region VP or myself.

I want to thank Jordan for doing an awesome job on the awards this year. Congratulations to all the winners!

My home club, Twin Mountain Riding Club here in San Angelo has been trying to get a Halloween playday in for the last couple of weeks but when we get it scheduled it decides to rain so...don't know for sure when we will have it. Going to try again next weekend.

If you have a region or district function coming up, let me know. I would like to visit as many people as possible, so the sooner I know the dates the better I can plan.

My email address is:

**jones\_buster52@yahoo.com**  
and my phone number is 325-939-9296. If you have any questions or suggestions please let me know.

# Riders Round Up Chair

As some of you know the computer that was responsible for the Riders Round Up crashed. All information was lost. If you know of anyone needing this newsletter mailed to them, I need their address.

All Region VP's need to poll the clubs with in their region to find those addresses and send them to me at:

***stephania1711@gmail.com.***

Thank you,  
See you on the flip side,  
of the next page,
