

Region 5 Vice President

Hello everyone,

I hope you all had a Happy New Year. Eric and I were lucky enough to get to attend a party next door to our house. That seemed like the safest thing to do with all of the crazy people on the road.

The next weekend we had date night to dinner and the movies. We went and saw True Grit. It was a pretty good movie and worth the ticket price. The rest of the weekend I stayed around the house while Eric went hog hunting.

This past weekend was the Fort Worth Stock Show Parade. Saturday morning began early with getting the horses up and the truck packed. I got a little worried when Donna called me from the ER of the Bowie hospital telling me she had gotten kicked and I am glad she is ok. I didn't ride in the parade because I don't parade but Eric and Sarge rode with Lauren as did our autistic friend Martin that rides my horse TJ with Eric twice a week. He has been wanting to ride in a parade since last summer and he finally got to. Eric is Martin's hero I can assure you. Every minute of standing in the cold and in the drizzle was worth the smile on the kiddo's face. It made me proud that I trained TJ to be so calm even though he is smart and knows the difference when I am riding and doesn't act like such a gentleman. He even let Martin (our friend) play with my Region 5 flag. I can hardly get that silly horse through a grand entry because of flags that I am not even carrying, but as my mother said "TJ knows the expectations you have of him are different" . But I do love that horse and he has a home with me forever. I feel blessed to have gotten to be a part of helping this child become more functional because of horses, more specifically my horse. It gives me a "warm fuzzy feeling" to see horses help another child like they helped me. This child's parents were so proud that they took 913 pictures and now we are international because pictures of him with Lauren have already been sent to their home country of Sweden. We would especially like to thank Sarge Mainville for also helping with him in the parade. I should also say that Eric did great in his first parade as well even carrying a flag. It was great to see other association members riding with their clubs as well.

At the parade Queen Lauren looked beautiful and has the prettiest pair of chaps I think I have ever seen. Eric told me that when they rode past the judges that they took special notice of how nice she looked. It was good to see Lauren's parents at the parade and K.D. Foltz. I have to say she (KD) is better woman than me since she walked the parade route and crossed the bridge twice to take Lauren bobby pins.

After the parade we went with our friends to Mercado Juarez and ate fajitas and fried ice cream until we were about sick, then it was time for nap and warm feet!

The next day was the executive board meeting. I think that went really smoothly and while we had to leave I hear the Polar Bear barrel race went well also. I do have to say I was a little sad that there were so few people at the meeting. I remember a time not so long ago when we didn't have enough chairs for everyone and people were sitting on the counter in the back and on the floor. I hope that is something we can improve on this year.

On February 19 Lewisville Saddle Club will be having our annual membership drive playday. Everyone is welcome to come and play with us. You can check our website for details.

I am ready for playday season to get started since I will be mostly riding Daisy this year to give my bad neck a rest and letting TJ enjoy old age at a slower pace. Daisy is like a rocking chair! Although when possible I will ride him a little especially in the hand events where I have to do my 50%! I am ready for more daylight and less precipitation so I can ride at home. We have also added a new horse for Eric named Texas. He is currently visiting Mike Wheeler's house for some riding to get him started.

Even though I am not much of a parade person Charmie offered to bring a horse to San Angelo for me. I might just have to take her up on it just to have a little fun! Charmie I want Zippy, LOL!

Trust in the Lord with all thine heart; and lean not unto thine own understanding. In all thy ways acknowledge Him and He shall direct thy paths. Proverbs 3:5-6 KJV

Until Next Month,

Region 6 Vice President

Hello again from Region 6,

Not a lot has been happening the last month. I did travel to Bowie for the Executive Board meeting and I think it went well. I am sorry I did not make it to the Fort Worth Parade but I had been sick and missed work one day and didn't think I need to be out in the cold. I hear that Queen Lauren looked great.

Twin Mountain Riding Club had their first playday of the year this last week-end, it went very well and we had some new riders. Next we will go to Big Lake for Extreme Riders first playday of the year. Don't forget the San Angelo Stock Show and Rodeo Parade is coming up in a few weeks, I hope a lot of you can make it. I guess that about it until nest time.

Buster Jones
Region 6 VP

Twin Mountain Riding Club

Hello from West Texas and TMRC. We are ready to start a brand new year and excited about what all it holds for us.

Jim and I went to Bowie on the 16th of January for the Executive Board Meeting. It was cold and the day was long, but a lot was accomplished at the meeting.

We held our first Playday for the year January 22. The wind was a little cool, and we were able to run one of the new Playday games the Hitch N Go. It was fun and think that it will be a great event. We had 33 riders with 14 exhibition runs. Our winners for the playday were Super Pee Wee Girl - Makailey Brock, Super Pee Wee Boy - Tres Brock, Pee Wee Girl - Allison Vaughn, Junior Girl - Ashley Barker, Intermediate Women - Brittney Jones, Senior Women - Jessica Bell, Senior Men - Jessie Lee Brock, Super Senior Women - Jeton Tumlinson, Super Senior Men - Jim Tumlinson, and Classic Men - Buster Jones. Thank You to Jessie Brock for getting the arena ready for us to ride.

We had several lead line kids and some of us got a double workout with riding and doing lead lines. I heard a lot you need to run faster Ton, but that is what it is all about.

Several club members came out January 15 and worked around the arena. We thank Tom and Jeane Orsak for coming out and cutting down weeds. To Raymond and Donna Rutledge for bring their backhoe and hauling off all the stuff at the end of the arena and Jim for putting on the first coat of paint on the announcer stand. We hope to get the another coat on before long. We still have lots of work to do and everyone is welcome to come out and help.

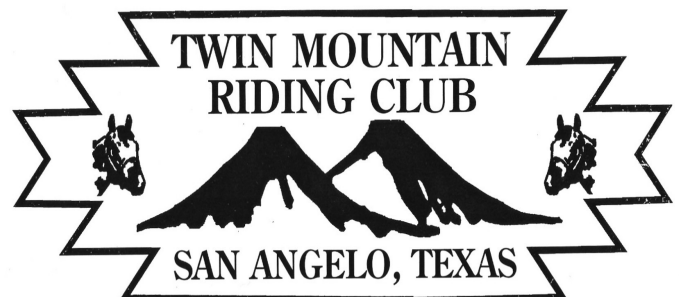

We have started getting ready for the San Angelo Stock Show and Rodeo Parade which will be February 19. Our horses will be groomed and we will have a Parade gear on us and our horses. We hope to have as many Association officers as possible to come and ride with us as well as our Association Queen Ms. Lauren O'Brien.

Our next playday will be held February 27 with registering at 12:00 p.m. and ride at 1:00 p.m. and we hope that the weather will be good as our District playdays will be starting in March and we all can use the practice.

Our Region 6 Vice President Buster Jones has requested that we have a work day in Bowie March 19th and 20th to work on the Memorial Wall as our Association project for this year so all club members mark your calendar and come to Bowie to help us get this finished.

Hope to see all of you next month at our Rodeo Parade. Until next month, please remember our Motto of Horsemanship, Sportsmanship and Citizenship. Take care and until next time.

Jeton Tumlinson

Executive Board Meeting; January 16, 2011

Meeting called to order by President Donna Leipsic at 9:40 am.

Credentials Chair Jeton Tumlinson called roll.

President Donna updated everyone on Region 3 VP Donna Rust's condition as she has been in the hospital and is recuperating from a respiratory infection at home. She also explained that Awards Chair Becky Rhodes was absent due to foot surgery she had last Friday.

Jeton stated that there are 21 voting members present.

Eric Savage gave the invocation.

Motion made by Ronnie Elrod to dispense with the reading of the Minutes from previous Executive Board meeting. Seconded by Tommy McEwen. Motion carried.

Donna reported that the balance on hand December 31, 2010 was \$8,030.21.

We do not have an Audit Chair at this time, but Donna hopes to have one in place soon. Kelli Parr will be handling the financial statements in the future. Junior Oates requested that the individual charges on the debit card be broken down to a greater extent on the financial statements.

Spring Roundup Chair Wes Moody was not present. Donna reported that she and Wes had discussed having a 4-D barrel race on Friday and a team playday on the Saturday. There will be a dinner and dance Saturday evening. We are going to try a team sorting on Sunday, April 17 instead of a trail ride. Events will be open to anyone. SRU will be April 15, 16 and 17. Discussion regarding the SRU trail ride. Other options for scheduling a trail ride were presented and we will try to work one in around another event later in the year; suggestion of having it at Charmie's house the weekend before Finals.

Donna reported that she has created two new Chair positions.

Daniel Leipsic has been named as Scholarship Chair. He is not present today, but will have a program ready to present to the Officers in the near future. Donna outlined his thoughts that the scholarship award should be based on such things as academics, knowledge of the Association history and operating procedures, an essay and extracurricular activities. He feels very strongly that the judges for this contest should be from outside the Association.

Misty Martin has been named as Special Events Chair. This committee will cover all new events and events that are not specifically covered under current committees such as barrel races, ranch rodeos, roping, sorting, youth rodeos and so forth.

Queen Lauren arrived and was introduced.

Misty discussed her ideas of events to have at the grounds. Cal Bowman is going to assist with the events concerning cattle. Our first ranch rodeo is set for April 30. There was discussion regarding advertising the new events. We have also scheduled two clinics this spring. We will host the Mike & SherryLynn Johnson Roping/Barrel Clinic on March 5 & 6. We will also host a Lynn McKenzie Barrel Clinic on May 21 & 22. Information was given on both clinics which is on the website and in the Riders Roundup.

The decision of whether or not the concession will be opened during all the special events will be left to Kathy Whatley and Janice Blahuta as Concession Co-Chairs.

Misty is talking to suppliers for cattle and believes that we can get cattle from between \$12 - \$15 per head.

Convention Chair Loretta Jeter reported that after Region 3 had a meeting to discuss Convention that she would report back to the Officers with possible sites and itinerary.

Riders Roundup Stephani Foltz reported that the Riders Roundup continued to grow in size. It was difficult for her to email it out to everyone as it had to go out in several parts and that often it took her all day to get it to everyone. She would like to send it to LaDonna to put on the website and have everyone access it via the website. The members that are still receiving it by U S Mail would continue to receive it this way. Once LaDonna gets it up on the website, Stephani will send all members a copy of the financial statements each month as the Riders Roundup on the website does not contain this information.

Rules Chair Larry Mitchell suggests that we have a naming contest for the event to be brought into the event rotation in 2012 at Playday Finals this year. He suggests that this contest be for Juniors or below and that there be 3 – 5 judges that choose the name for the new event after contestants have submitted their suggestions. He suggests that the contest be on Wednesday of PDF and the results be announced on Friday and a prize to be awarded for the person that submitted the winning name.

Parade Chair Jackie Dunlap asks that anyone that participated in the Ft Worth Parade send their parade forms to her. Also if your group rides at San Angelo or any other parade, make sure to get their forms in to be considered for the year-end awards. The parade forms are available in the Rulebook.

IT Chair LaDonna Mild reports that the website has changed a bit and she has tried to make it more user friendly with lots of additional information. She asks that everyone send their information and pictures via the webmaster links and she will get it added to the website. It was requested that LaDonna look into creating an Association Facebook page.

LaDonna also reminded us that if you utilize the PayPal feature from the website, please print off the receipt to present with the necessary paperwork to your club/district secretary so Peggy can track the PayPal payments. There was additional discussion regarding other additions that are planned for the website in the future.

Credentials Chair Jeton Tumlinson has nothing to report.

Promotions Chair Eric Savage outlined his ideas for benefitting five individual charities during the year, one at each Association event throughout the year. He proposes that we earmark funds raised at these events as follows:

Spring Roundup – Scottish Rite Hospital

PDF – AASP&RC Needy Family Fund

50/50 – SpiritHorse Therapeutic Center

Fall Roundup – Intrepid Fallen Heroes Fund

Convention – Susan G Komen

Ronnie Elrod motions to accept the proposal as set out by the Promotions Chair above. Seconded by Varsi. Motion carried.

Eric also proposes a saddle raffle to raise monies to benefit our scholarship fund. Motion to accept this proposal by Ronnie Elrod. Second by LaDonna Mild. Motion carried.

Eric requested advertising budget. Discussion regarding cost of advertising. Suggestion that decision on this be left up to the Officers.

Concession Co-Chairs Kathy Whatley and Janice Blahuta are going to meet with Donna in the next few weeks to check the concession stand and make up a list of things they would want to have for the concession stand. We need a soda fountain. There was discussion on how to get workers to volunteer to work in the concession stand as we are having a lot more events at the grounds this year.

10 minute break

Credential Chair Jeton Tumlinson called role. There are now 23 voting members present.

Scrapbook Chair Leslie O'Brien stated that she will place a letter in the Riders Roundup regarding scrapbook entries for Convention.

Donna outlined proposal for Horse Show/Fall Roundup. It has been suggested that this event is to now be called Fall Roundup. It would consist of a combination of Horse Show with additional events. The proposal calls for a barrel race on Friday night Sept 16, followed on the morning of Sept 17 @ 9 with an horse show with all classes (except speed); then at 4pm that afternoon we will have an open buckle show. If you ride in Horse Show only the cost would be \$30; riding only in the buckle show would cost \$30; if you ride in both the cost will be \$50. Sunday we would have Queen's breakfast, cowboy church and anything additional on Sunday afternoon that we chose. Motion to accept changing "Horse Show" to "Fall Roundup" by Varsi Klatzkin, second by Kyle Harrison, motion carried.

KD stated she will be working with Eric for promotion and also to make additional funds if needed for awards.

Donna reported that she has discussed 50/50 with the NARC people and this is the date that we have come up with. There was discussion regarding alternate dates, but if we go with most anything else, we tend to not draw their members to ride.

Donna presented proposed awards budget from Becky Rhodes. She is asking for a total of \$26,660.00. This is an increase over last year due to possible price increases of awards. There was discussion regarding costs and numbers of the awards, our entry fees and the extra activities to generate additional funds. Specifics were given regarding what we paid last year and our expectations this year. Our bank balance on January 31 of 2010 was \$21,456.00. The participation awards for Finals (caps and visors) were not dated so they are available for use this year as well. Same situation with our ribbons as they are not dated nor did they have the event on them, so we will be able to fill in our ribbons this year. There was discussion regarding income/expenses at PDF. A motion to accept the awards budget was made by Michael Wheeler. Seconded by Jeton Tumlinson. Motion carried.

There was discussion regarding ad incentives and how many people participated. The ad incentive information will come out in the Riders Roundup next month.

Discussion regarding the Queen's proposal was tabled until the end of the meeting.

Donna reported that we were clear regarding all of our IRS issues. We are current with the IRS at this time.

Ronnie Elrod announced his plans for a Stick Horse Barrel Race on Tuesday night before PDF. Region 1 will sponsor this event for children 5 years and under (as of their birthday). They will give a Corriente 10" barrel saddle for the winner and a buckle for second. The Association will not have any cost and will not make any money. \$10 entry fee, 2 runs, fastest time counts.

Ronnie would also like to see some sort of display for historical memorabilia regarding the Association. Things on display would include old vests, old Riders Roundups and other items from years past.

The "revamp" of the Officer's uniforms is still a work in progress.

Donna reported on her efforts to contact the Grand National Horseman's Association to generate arena use and possible membership and participation. Michael would like to see us look into a nationwide playday event as there are playday organizations throughout the country. This might could be accomplished utilizing sponsorships and would be along the lines of the NFR. There was discussion regarding this idea.

Regarding insurance, the Officers decided to let the spectator insurance lapse. The premium is \$1400 per year. Donna explained coverage provided by this insurance. There was discussion regarding different types of coverages we might have. The spectator insurance is event specific. There was discussion that Lewisville Saddle Club has general liability insurance coverage and they will supply us the contact information so we can look into the coverage they have. Donna reported on possible insurance on the buildings and the ongoing search for this type of coverage. It was left to the Officers to investigate the insurance issue. We will look into additional signage for the grounds. Move to table the insurance question by Jim Tumlinson. Second by Ronnie. Motion carried.

We will set a work day, probably in March.

Donna reported on the outcome of the discussions from the Queen's committee and outlined the different proposals that were put forth and the points of each. There were two basic proposals regarding selection of the Queen: (1) to go from PDF to PDF and select and crown the Queen at PDF and (2) the Duchess program where we will select a Duchess at PDF and crown her at Convention. There was also discussion regarding the recommendation by the committee to sever the scholarship from the Queen's contest and open the scholarship to all Intermediates. Donna also outlined the Princess program for the younger girls to begin participating in the royalty programs. There was discussion that the new program would not be implemented until 2012. Additional discussion regarding different forms of the contest to be implemented was had.

Ronnie Elrod suggested that the new Queen's program will not begin until 2012 but the Princess program will begin in 2011. Discussion. Motion made by Ronnie (with the assistance of Diana Johnson) as follows: that the Queen's contest should crown the new Queen at Playday Finals 2012 and implement the Princess program (clarification on Princess we are talking about the small girls not the Region Princess, Junior classes and down) to begin at SRU 2011. Motion seconded by Jackie Dunlap. More discussion. Question called by Tommy McEwen. Motion carried. Programs will be brought up again at Convention for vote on final form.

Garland Hargis motioned to adjourn. Seconded by Ronnie Elrod. Motion carried.

Hello from the IT Chair...

Howdy from the great city of Lubbock, Texas! Michael and I made the trip from Lubbock over to Bowie to attend the first Executive Board Meeting for 2011! While I was in the meeting, Michael worked with Gary to make sure things were ready for the Polar Bear Barrel Race. He and Gary were busy from the time we arrived until the meeting was over.

We had much to discuss and I believe that we are off to a GREAT start! I am excited about the things going on with the Association and encourage everyone to get involved and have a good time this year! There are many new things coming up and I for one believe that there will be something for anyone and everyone that does anything with a horse! Whoo hoo!!

By now, I am sure most of you have had a chance to take a gander at the website. I have been hard at work making sure all of the links are live and all of the important information that we all look for are available on the site. I am very excited about serving in this position.

I welcome any suggestions, comments or even criticism regarding the site. Most pages you will find a link to the Webmaster. (aasprc@lubbocksaddleclub.org) I encourage you to utilize it if you would like to contact me. I am requesting that a representative from each club and district contact me with the 2011 officer information. On the "Regions" page, I have created a link to each Region. (Reached by clicking on the light blue Region number.) On each region page I have listed the officers of the Districts and Clubs in that region. I have also listed out to the side of the Club name, a link to the club's website, if there is one. Please help me create more exposure for your club through our site by forwarding the information.

I am working to keep the calendar updated. I am removing the month that is completed so we will continue to have room for any added dates and information. If there is a link for more information or a flyer associated with specific events listed on the calendar, I have supplied a link to those as well.

I will continue to keep the site as up-to-date as I possibly can. I am shooting to have updates posted within 24 hours of the receipt of the updates. This sometimes can be a hectic task, considering what we all have going on in our regular lives, but I believe it is important to provide you all with the most current information possible.

Links will soon be provided related to Spring Round Up. I have already posted the flyers related to the Friday Night Barrel Race and the Sunday Team Feedlot Sorting. Keep checking the site regularly.

Keep in mind, that you are always welcome to get your Rider's Roundup from the website! There is a nifty link on the Home page of the website to the most current issue. Also, there is a "Publications" tab that contains links to the back issues of the Rider's Roundup as far back as 2008. There are a few issues that were not supplied to me; however, if I have them, you will find a link to them there.

Until the next issue,
LaDonna Mild
IT Chair

District 2

News from District Two!

District 2 held the first meeting of the year on January 11th. The playday dates for 2011 were set and are as follows:

March 19th – hosted by Lubbock Saddle Club
April 23rd – hosted by West Texas Raiders
May 21st – hosted by Lubbock Saddle Club
June 25th – hosted by West Texas Raiders
July 16th – hosted by Lubbock Saddle Club
August 20th – hosted by West Texas Raiders
All playdays: Books open at Noon, rides begin at 1:00 p.m.

As you will notice, all playdays are currently hosted by either the Lubbock Saddle Club or West Texas Raiders. There were no representatives from the Western Outfitters present, so the playdays were assigned to the two clubs present. (In the event that WOF hosts any of the playdays changes in location will be noted on the Lubbock Saddle Club website on both the “Schedule of Events” page and on the “District II” page.)

District 2 will hold its annual awards banquet on January 29th at Eddie’s BBQ in Lubbock at 6:00 pm. Everyone that rode in the 2010 playdays had a great time and Donna Willis has worked hard to make sure that the banquet and the awards are AWESOME this year! I am sure that everyone will love them!

Finally, District II and the clubs in the Lubbock area would like to congratulate Donna and Doyle Willis for celebrating their 40th anniversary! Best wishes for many more happy years together!

District II Reporter,
LaDonna Mild

Has your club started a 2011 Scrapbook? If not, you’re running out of time.

A club scrapbook can be your only record of history for your club. Something others can enjoy for years to come. This year have a member dedicate to collecting pictures and facts for all to see.

A scrapbook can be as small or large as you want to work on it. It can even be a power point presentation.

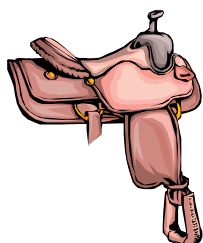

Check out the AASP&RC rule book to see the rules. www.aasprc.net

It is very important that if you plan on presenting a scrapbook at convention, you must let me know 30 days prior to convention, or as soon as you know you’re going to present.

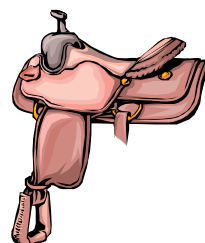

The purpose of a scrapbook at convention: “To determine the Best All A Round Club”. Get to scrapping!

The R.O.C.K. stands for Ride On Center for Kids; it is a non-profit provider of therapeutic horseback riding and Hippotherapy for individuals with cognitive and physical challenges and is located in Georgetown, TX.

Brushy Creek Saddle Club information can be found online at; www.brushycreeksaddleclub.weebly.com. This site will include further details on all upcoming events as well as general club information.

Lubbock Saddle Club

Hello from the members of the Lubbock Saddle Club!

Not much is going on here in Lubbock right now except no precipitation, cold and some wind! Imagine that... Wind!

We are getting ready to set our playday dates at our February meeting. We are looking to a FANTASTIC playday season! Anyone that is in our area during an event is invited to come out and ride with us!

Take a minute to look at the Schedule of Events page on the saddle club website: www.lubbocksaddleclub.org and see if you will be in town during one of our events! We are looking forward to riding in the ABC Rodeo grand entries the first weekend of April, the Benefit playday for Blake Dunlap on April 30th, Hailey's Roundup Playday benefitting the American Diabetes Association in July and a plethora of other events!

At our January meeting, the Lubbock Saddle Club voted to try something new! We will be implementing a new class into our regular playdays. We will now run a "Buggy Class" after our Super Senior Class. The Buggy Class will be anyone of any age with a small two-wheeled buggy pulled by a single horse. (Similar to the one pictured to the left.)

Jo Arnold, Lubbock Saddle Club & AASP&RC Member

We have a local buggy club that has a few members that come out and ride with us at Hailey's Roundup. They were looking for a place to ride and we invited them to come out

and join the club and ride with us! We are hoping that this is an innovative addition that will increase the exposure and interest in the Lubbock Saddle Club! It will make for a fun day for sure as some have even mentioned the willingness to offer buggy rides to those that haven't ridden in one before!

If you are around on a playday weekend, come on out and have fun in the dirt and sun with us!

"As a horse runs, think of it as a game of tag with the wind." ~ (Tre Tuberville)
