Queen Ali Burks

Well this is my last article as Queen. It has been a great year and I have had fun representing the Association. In the last month I have started my Senior year of High School, gone to National Association of Riding Clubs and Sheriff Poses Finals to work in the concession stand, and attended our own Horse Show Finals. We had more planned but some much needed rain caused a change in plans.

Everyone looked great at Horse Show Finals. If you have never competed in a Horse Show it is a great experience and a chance to let your horse do something different.

I want to encourage everyone that can to come to National Finals next year for Labor Day weekend, we have fun in the concession stand and you get to meet a lot of new people, you never know what will end up being fried on Monday when it is slow (Butterfingers don't work very well).

The team events that the Nationals compete in on Monday are great to watch and gave me ideas that I would like to try at our Saddle Club.

The next thing on the agenda is our 50/50 competition with Nationals on the 3rd of October. We need all the help we can get to make sure we take home the trophy this year. It would be a shame to lose it because we just don't have enough people participating to get the points we need.

After 50/50 we have convention. I know that Region 1 has been working hard to make this a great convention this year and I want to thank them for all of their hard work. I hope to see everyone there.

Andrea and Joy have been working hard this whole year to show us all how well they will represent the Association next year as Queen. I want to wish both of them good luck and hope that they have had fun this year.

I will be selling most of my outfits that I used these last two years at 50/50 so if there is anything you liked please come and shop or let me know and I will send it to you.

Thank you for your support this year,

Ali Burks, 2009 AASP&RC Queen

Executive Vice President

Hello Everyone!

I would like to start off by thanking all of these families for helping in the concession stand at National Finals: McEwen, Burks, Mainville, Jones, Leipsic, Higgins, Cramer, Cox, McLeroy, Herrington, Garrett, and Waggoner. Thanks to all that helped out, it was greatly appreciated!!!

We were able to have Horseshow Finals despite all the rain. It was a fun time for all who participated. We had a few first times there as well! Thanks for all who showed up and those who came and worked.

The 50/50 is just around the corner on 10/3. I hope everyone can come and ride. We are looking forward to it and I hope we have a big turnout!! There are only 4 events so hopefully it will not go until 2 in the morning like last year!!!

Convention is in a couple of weeks. Please fill out your reservation form and get that to the office. I hope everyone got the list of topics that has been generated from members of the association. If you have not received one, just let me know and I will be happy to email or mail you one. I hope everyone can come to Lubbock, looks like we have lots to discuss.

Until next time,
Lisa Herrington

Region 5 Princess Andrea Winters

Hey Everyone!

I hope that everyone had a great month! This month has been kind of busy for me between functions that I have been going to and going home to see the family on the weekends. On my way home during National Finals weekend, I made a stop out at the arena to see how everything was going. I didn't get to stay long though because I was on my way home. Although, I did hear that a few of our Association boys placed. Nat McEwen won the saddle in his class and Casey and Corey placed third and fourth in their class as well. Congrats boys!

The next weekend I went to Lubbock and attended the National Cowboy Symposium Parade. That was a lot of fun to be able to ride and hangout with the West Texas Raiders. Thank ya'll for letting me

come and ride with ya'll. While I was in Lubbock, I got to spend a lot of time shopping with my granny and Aunt Annette. I don't get to do that too often, so it was a lot of fun for me. After my trip to Lubbock, I headed back to Bowie to attend Horse Show Finals. I had so much fun that weekend! Thank you Aunt Annette for letting me use Shelby. Augie won Hi-Point All Around in the 17 and under class, with Queen Ali winning reserve. I won the Hi-Point All Around in the 18 to 25 class, with K.D. winning the reserve, and then in the 26 and over class, my Aunt Annette won Hi-Point All Around with Renee Guthrey winning reserve. It was a really good weekend.

Now, this weekend I have an unexpected trip home to Kaufman to spend the weekend with my family. A friend and I will be in Dallas Oct. 27th through Oct 30th participating in an internship at the State Fair. We are going to have so much fun with that. When I get back from the fair, I have a busy week of tests that are anxiously waiting my return... Ohh the joys of college! Then it is time to get ready to head back to Bowie for 50/50. I'm super excited and can't wait. I kind of like having a busy month because then time goes by faster. Haha! I hope everyone is ready for a day full of riding and fun at 50/50. When we get back from there, I think my best friend is coming down from Hardin Simmons to spend her birthday weekend with me in Stephenville. Right after that weekend, it's time for the most exciting part of the year... Convention. It is what us girls have been looking forward to all year long..and it is almost here. I can't wait! It is going to be a blast, so everyone be ready for a good weekend. I know that Miss Delci and Miss Donna Willis have a great time planned out. Well it is all just right around the corner, so I hope to see you all soon!

Thank you to everyone that has helped me out this year!!

Andrea Winters,
Region 5 Princess

Region 7 Princess Joy Mainville

Hey Everyone,

Hope everyone had a great summer its not officially over, but the cold weather is moving in fast. I have a feeling it's going to be quite cold at 50/50, so I would bring jackets, but it is Texas and the weather can change just like that.

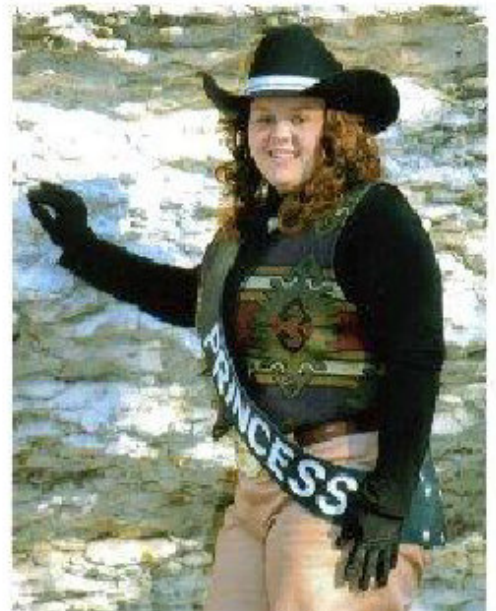

Since my last article I have constantly been on the move between school, work, and association functions, I have stayed busy. The last weekend in August I traveled down to Austin for my nephews fifth birthday party, we kind of shared a birthday mine was on the 27th his was the 3rd of September so we just combined them. The next weekend my dad and I traveled up to Bowie for Nationals to help out with the concession stand. Then I had one free weekend which I spent at our homecoming football game right here in Cove, I had fun. The following weekend we traveled up to Bowie again for Horse Show Finals, it was my second time showing a horse, lets just say I'm not that greatest at it but had fun and hope everyone else did too. Everyone that placed did great whatever place you got.

By the time this gets out I will probably have been to San Angelo for District 5's Awards Banquet and to Big Lake for a playday. The next weekend is 50/50 and I am really excited, I have always wanted to go but we never could make it and this year I have to go so - yay!!! Then the weekend after that I am going to Mertzon for their Halloween Playday. I'm still not sure what I will dress up as but I will come up with something. Then finally the weekend after that is convention in Lubbock. I've never been to Lubbock yet even so that's another trip I'm looking forward too. Hope to see everyone at 50/50 and convention.

See ya'll down the road,

With Convention just around the corner it is time to start thinking how we can make our Association better. I am sure you all have some ideas and as we all know Convention is only two days, with meetings that have time limits. So here is your opportunity to get your suggestions out to the members in plenty of time for thought and discussion among yourselves.

Send them to Stephani, Rider's Round Up Chair, either by email or U.S. mail and she will comprise a list. Keep them short and to the point. This list will be emailed and U.S. mailed mid September to all that we have addresses for. That will give everyone a head start on Convention.

This notice will be published in the August Rider's Round Up.

Well, Fall is just a few days away....that means cooler weather, horses working on their winter coats, football....and only how many shopping days until Christmas???? The year is beginning to wind down and playday season is drawing to a close. That being said, don't forget to mark you calendars NOW for the Region 3 jackpot playday on January 2! We want to be the first thing on your calendar for 2010, so plan to come out to this event being held at the Denton Roundup Club arena. Hopefully the weather will cooperate and we will have a fine day in store.

This has been a very busy month in Bowie. The National Association held their Finals at the grounds over Labor Day Weekend and our Association runs the Concession Stand for this event. We were surely busy. I tell you what – those people EAT!!! Thank you to all that came out and helped in the Concession Stand. We have several members that ride in the National Association as well and I want to congratulate them on their showing. I know we had some of our own members that placed very well and at least a couple that took home high point awards. Way to go!!

This last weekend was Horseshow Finals. We had a modest turnout, but with Mother Nature being so fickle, I think it was a success. After a soggy week, the day turned off beautiful and the arena was in good shape. I did not ride, but I learned SO much. Thanks to Charmie for all the “mini-clinics” during the day. It really helped those of us that don't know anything about showing and made for a fun day. I think everyone had a really good time and even the horses seemed to enjoy the change of pace. You should have seen the look on one little sorrel's face when the hinny standing next to him in the Showmanship Class let out a bray!! It was priceless. Talk about an EDUCATION! The awards were awesome and I saw many happy...and several very surprised...faces at the awards ceremony.

Next on the calendar is the 50/50 the first Saturday of October. I hope everyone can attend and ride for the American Association. That “other” Association usually has a large turnout for this event and we really need to go and participate and chalk up those points for our side!! We want to take home bragging rights this year for sure. The Concession Stand will be open and we always need help in there. So please mark your calendars and come to Bowie for our final event of the year at the grounds.

Convention is coming up fast. I think by now most everyone should have received a copy of the list of topics that might be brought up at Convention. Discuss them with your districts and clubs to let your delegates know your wishes. I know there have been questions about the list and what can and cannot be brought up at Convention. Please be assured that this is not intended as an “agenda”. It is simply a list of topics that might be brought up so that we may be aware of what others are thinking and gives us all the chance to ask questions and to discuss the pros and cons at club and district level and be able to instruct our delegates on how we wish them to cast their votes. It is NOT to say that these are the only things that will be discussed at Convention. Topics can still be brought up from the floor that are not on this list. I know that in the past there have been things that have been brought up at Convention that have been a “surprise” to the delegates in past years and it was thought that this would give people a chance to think about the topic and not have the delegates vote without having the chance to discuss it with the general membership. We certainly want to make the best decisions we can at Convention and it is hoped that being able to discuss them beforehand will keep us from making decisions based on emotion or without thinking them through.

Anyway, hope all of you can attend this year. I am very sure that Delci has a wonderful weekend in store for us and I am looking forward to visiting Lubbock once again. If you have never attended a Convention, it is very informative and lots of fun.

On a sad note, condolences to Taylor Foltz and her family on the passing of Taylor's great-grandmother, Lois McCoy. I have known Mrs. McCoy most of my life and she was quite a lady. She and her husband Buddy were among the founding families of Golden Triangle Saddle Club in District 14 (then District 11) almost 50 years ago. She will be sorely missed.

Again, hope to see you all at 50/50... until next time.

September began with the annual Lewisville Saddle Club Labor Day Rodeo and as usual we were really tired when Monday came but wouldn't have it any other way. Those of us in the parking lot crew tend to have a pretty good time. I would like to thank Chip Levers for putting me in "parking lot management" (sitting in a lawn chair and getting change when needed) due to my broken foot. It was still a ton of fun. All of the Lewisville Officers and Directors did an outstanding job. There are too many individuals to list that worked very very hard to make the rodeo a success. Thanks to Michael Wheeler for letting the "money counting crew" use his trailer. The rodeo is always a fun time to see old friends that you have not seen in a while. Congratulations to Lauren Collie on winning Rodeo Queen and the new trailer. When I walked to the truck to get something one night while counting money I heard a horse stomping in a trailer and was Lauren's horse (also named Lauren) already in that brand new trailer!

I do apologize that I was not able to come and help in the concession stand for the NARC&SP playday finals. The officers that needed to be aware of the situation were. My doctor did not want me that far from home and he is still not real crazy about it but is relaxing things a bit more.

The next weekend we had a club playday scheduled but the large amount of rain caused a cancellation. So the next thing on the agenda was Horse Show Finals. I had a really good time working in the concession stand with the McEwen's. I would like to send a huge congratulations to our own Region 5 Princess, Andrea Winters for winning the high point in the show classes, third place in the speed events, and high point over all. She was very excited and she did an awesome job just as she has all year representing Region 5. We are very proud of her! Everyone that helped with Horse Show Finals did a wonderful job.

On September 15th we had our Region 5 meeting we discussed things we would like brought up at convention and we laughed a lot but we should have fun doing this. Thank you to all who attended and brought your ideas. Doyle Coulter even ran into an old classmate on accident because he saw we had the arena lights on.

Before we know it the 50/50 will be a memory and we will be onto convention in Lubbock. If we go into convention remembering our motto of Horsemanship, Sportsmanship, Citizenship and the principals the Association was founded on way back in 1952 it will be a productive and enjoyable convention.

Every time I go to the doctor or physical therapy I beg to ride again but to no avail. I will be at the rest of the functions but it is looking more and more like I am out for the season, which I am sure is ok with TJ who is standing belly deep in grass and nobody is bothering him.... haha.

Until next month,

Summer Savage, 2009-2010 Region 5 Vice President

Region 6

Hello From Region 6,

Well, the National Finals was quite an experience for me since I had never been there to work before. Makes for a really long day though. Our club had a playday scheduled for that Saturday, but due to rain had to cancel. Rain is nice though. We will be praying for it later so must take it when it comes.

Horseshow Finals was fun. Thanks, Charmie for letting Brittney show and thanks, Glen for letting Brittney show your horse. She had never shown before so she learned quite a bit. She was excited to have finished in second place in the speed events of her age group. It was great to see Queen Ali and her court at the Horseshow Finals.

We have the District 5 Awards Banquet this coming weekend (September 26). We are also doing a Region meeting prior to the awards banquet. Twin Mountain Riding Club will have a playday that morning at the Concho Arena Foundation arena and West Texas Extreme Riders will have a playday on Sunday in Big Lake.

I guess the next time I see everyone will be at 50/50. Everyone show so that we can give the National group a run for the money. I know last year I had a really great time (Even if it was early Sunday morning before we got through.)

I want to thank Stephani for the wonderful job she has been doing on the Riders Round Up.

Then, Convention will be here before you know it. Good Luck to both Princess Joy and Princess Andrea. Queen Ali, you have been an excellent job representing the Association.

Well, until time,

Buster Jones

At the **West Texas Fair & Rodeo Parade** there were 155 entries! And check out how these guys did:

1st - Taylor County Sheriff Posse

2nd - Hawley Saddle Club

3rd - Parker County

Taylor County Sheriff Posse has placed in some other area parades. They got 2nd in the Stamford Rodeo parade in July. We also got 3rd in the Western Heritage Parade here in Abilene. They had about 30 riders in the group at the WTF&R Parade!
GREAT JOB TO ALL!

It was so good to see everyone that was able to make it to National Finals. The Concession stand was steadily busy. It was so nice of so many to drive the distance to work the Concession Stand.

We were not able to host our regular playday on the 2nd Saturday due to some VERY MUCH NEEDED RAIN!!! I don't think anyone minded that much – we really needed the rain!!

We have rescheduled our last regular points playday for October 10th and a "FUN" playday for October 24th with a Halloween theme. If you have a chance, come on out – dress up in costume – dress your horse up, just come have fun!!! We will have grub!

We have set our Awards Banquet for November 14th at the Legend Bank Community Room in Bowie. For the third year, they have graciously let us use this wonderful facility without charge. There will be a lot of good food and great fellowship. Anyone that would like to join us is welcome.

So many here are looking forward to Horse Show Finals this weekend. Good Luck to everyone participating.

Until next time, I hope for health and happiness for you all!!!

Delay in Receiving your Riders Round Up

Please except my apology for the delay in this issue. The Friday before Horse Show Finals my telephone line was cut in half by a tractor. At least I got my field planted in oats. Verizon did a good job getting things fixed even with a crazy women panicking to get internet. I did retype all the articles so if there is a misspelled word it is not the senders fault. See ya soon!

Brashy Creek Saddle Club

Hello Association Family,

Well, we have had a lot of things going on down in our part of the country. First of all, for those who may not know, we had one of our club members/officers involved in a serious horse accident, Ms. Yvonne Solorzano. She is doing better now, but still has a long road to full recovery. She can't wait to be back up on her horse though.

We had a fundraiser for Yvonne at our club playday and WOW, we have such an awesome group of members that came and brought stuff for the silent auction and gave money to the 50/50 cash bucket. Thanks to each and every one of our members for donating and purchasing the auction items and putting in money to the 50/50 cash pot. All the money from the 50/50 was given to Yvonne as well as all the silent auction money to help towards her medical expenses.

The club will be hosting a 3-event tack playday with a 4D barrel race to follow on October 31, 2009. Books open at 9:30am and start with the playday events at 11:00am. Exhibitions for the 4D barrel race will start at 3pm and 4D Open will begin at 5pm. We may have a 4D Youth barrel race if enough interest is shown. This will be held in Burnet, Texas at the arena behind the airport on HWY 281. 70% pay-out in the barrel race. All proceeds will go to Yvonne to help with medical expenses.

Now, for the awesome playdaying we've been having at BCSC. We just had a playday on September 5 and had a great turnout. It is coming down to the wire with one more playday to go. We have some close points in several of our classes, and it will come down to the last event on October 10, to decide who will be our Saddle winners for the year. Good luck to every one of you.

I would like to take this time to let all our members know how blessed I have been this year as the President of BCSC. You have all shown your support and have pitched in to help at all times. We couldn't have had such an awesome year without each and every one of you. I am proud to be a part of this club and proud that this club is part of the Association of Sheriff Poses and Riding Clubs.

Now, for our winners from the September 5th playday:

Howdy Yall,

It has been a wild summer since Finals. We have had a couple of playdays, one which had to be rescheduled due to rain (I'm not complaining). Our next playday is scheduled for September 26 register at 8 am and ride at 9 am, CAF arena. Also, that day we will be holding the Region 6 District 5 Awards Banquet, here in San Angelo. Stay tuned for our District high Point Award winners.

We are looking forward to seeing everyone at Convention. I can't wait to see who is crowned Queen. Good Luck to both Andrea and Joy. Yall have both done a fabulous job this year. Hope everyone has brought a good scrap book. I love to see what the other clubs have done and to see how to make ours better, for next year.

We are gearing up for our 3rd Annual Spook Fun Playday. If you have not attended one of our Spook Fun Playdays, you are missing out. They are a blast. We have events for riders and non-riders. There is a balloon pop, barrels on foot, cake walk on foot and on horse, and a costume contest. There are lots of candy and goodies. It gives me a tooth ache just thinking about it. We have it scheduled for October 31st at the CAF arena.

We will be hosting a Cancer benefit playday, dinner, auction for Krista Tribbett, who is undergoing treatment for stomach cancer. She lives here in San Angelo, and is 29 years old and has 2 kids ages 10 and 2. All proceeds will go to assist in offsetting medical and travel expenses.

When: October 10th, 2009 Dinner served at 3 pm, Brisket and Sausage w/the fixings \$8

Where: San Angelo Cowboy Church, 4001 N. Chadbourne

Horse Hair: Potentially Dangerous!!!

In a press release today, the National Institute of Health has announced the discovery of a potentially dangerous substance in the hair of horses. This substance, called "amo-bacter equuii" has been linked with the following symptoms in female humans:

Reluctance to cook

Reluctance to perform housework

Reluctance to wear anything but boots

Reluctance to work except in support of a horse

Physical craving for contact with horses (may be an addiction)

***Beware:* If you come in contact with a female human affected by this substance, be prepared to talk about horses for hours on end.**

This has been a public service announcement.
