# Buster Jones

AASP&RC President

**Hello from San Angelo**

Well another month has come and gone. This month we had the San Angelo Rodeo and Stock Show. Twin Mountain Riding Club rode in the parade and won third place. I want to thank Jan Crocker for coming and riding with me to represent the AASP&RC. Yesterday Twin Mountain had a playday, we had a good turn out and a lot of new kids came to ride with us.

Spring Round-Up will be here before we know it. I am really looking forward to seeing everyone there. Please make plans to come this year and support the association. Before spring round-up gets here, we have some things that need to be done at the grounds in Bowie. So I am asking everyone to come to Bowie the 3rd Saturday of March to help with a work day. We need to get a lot of mowing done, trees need trimming, and ruts from last years finals need to be filled in. And I am sure there are several other things to be done. So everyone come and help. Remember the grounds belong to every member of the association so come and help or don't complain when things are not done.

May 1st will be here before we know it and so far we have maybe 6 saddles donated. These are the ones I have heard about:

**Ronnie Elrod and Jackie Dunlap have already paid for the Super Senior Women saddle**

**UB Herrington and Todd Blackburn are donating a saddle**

**Region 1 -- 1 saddle**

**District 2 -- 1saddle**

**Region 6 -- 1 saddle**

**Lone Star Riding Club -- 1 saddle in memory of Rob Tomerlin**

**Summer Watson and her group may donate a saddle in memory of Kevin Theall.**

That only makes 7 saddles so far. So everyone please get busy working to get the other 7 donated. If you will notice out of the 7 we have three and a half of them are coming from Region 1. The rest of the Regions need to step up and help. Remember if you can't donate the \$600.00, you can donate part of it and just think if 6 people give \$100.00 that would be a saddle. I can't afford to give a full saddle by myself but I will give \$100.00 towards one. Make sure you let us know if you donate, that it is for a saddle and if we don't get all 14 donated we will refund your money. We just have March and April to get them.

I hope everyone got their membership mailed by March 1. If you didn't, remember there is a \$25.00 late fee per family. Well I guess that is all I have for this month. I hope to see everyone at the work day at the grounds on March 19. Brings your weed eaters, mowers and chain saw, and come ready to work.

**Kingdom Heart's  
Riding Club**

**Come support Region 1 on April 3rd for a benefit playday to raise money for a saddle for finals.**

**We will run 4 events to be drawn that day. District 1 is hosting the playday at Kingdom Heart's Riding Club Arena. 701 N FM 1729 Lubbock. Hope to see everyone there.**

## Jan Crocker Region 6 VP

Hello everyone.

We had a nice visit with Twin Mountain members when we attended the San Angelo parade the first weekend of February. The weather was very nice and we had a very enjoyable trip. We did not stay and attend the rodeo this year as we had to get home and take care of livestock.

I can't stress enough the need for everyone to get their membership dues in. The Association needs the funds to continue to operate. We have a couple of fund raisers slated but it will be later in the year. We need money now just to pay the bills.

All saddles must be donated and paid for by May 1st. If we do not receive the funds by May 1st, saddles will not be awarded. Please indicate that the donation is for saddle only. I would like to encourage folks to donate any amount they can afford toward awards. It does not have to be a saddle. Individuals who wish to donate are very welcome and appreciated.

District 5, Region 6 is opening their district play days to all riders this year. Non members will not receive points or awards but can participate for fun. The first two play days are in San Angelo at the Twin Mountain arena on March 5 and 6th. Sign up is at 8:30. Hawley Saddle Club will be April 23 and 24th. We welcome all. There will be a cake raffle and a silent auction at both places.

Spring Roundup is just around the corner on April 16. The play day will be a jackpot this year. If I should be lucky enough to win any money I intend to donate it towards a saddle that Region 6 will donate for finals.

I got an email from President Buster Jones stating that there is a lot of work to be done at the grounds. No workday has been established yet as far as I know, but keep in mind that we do need your help. The members are the Association and must expect to pitch in and help when necessary. If the Association is going to remain a viable organization we are going to have to have more participation from all members.

That's all I have for now.

## Twin Mountain Riding Club

We are very grateful for the recent rains we have had in our area. Hopefully none of our Association family had any severe damage from the recent storms.

On Saturday, February 27, we had a wonderful crowd at our arena for our monthly Playday. Thanks to all who helped in any way that day to help with the playday. Club members receiving Hi-Point in their classes included: Super Sr./Classic Wm., Elaine Lee; Super Sr./Classic Men, Jim Tumlinson; SPW Boys, Lead Line, Cayden Block; Pee Wee Boys, Dakota Bullock; and Sr. Wm., Val Bewley.

Our visitors that took home Hi-Point in their classes included: SPW Girls, Caylynn Garvin; Pee Wee Girls, Maddie Mayhew; Junior Girls, Kylie Jankowsli; Junior Boys, Clay Boness; Int. Wm. Bianca Narvaez; and Int. Men, Tristan Smith.

Our next open playday will be on Saturday, March 26, with the theme of Easter, everyone needs to bring their Easter baskets.

On Saturday and Sunday, March 4 & 5, Twin Mountain hosted the District 5 Playday.

We send our thought and prayers to Lori Brock as she recovers from an unexpected dismount off of her bucking horse that Saturday.

The club appreciates everyone who helped to make our District Playday run smoothly and quickly. It takes all members to have a successful playday.

*Bye for awhile....share a smile!*
