This month has been a lot of traveling. It started off at the Weatherford Comanchero's Saddle Show. Then I went to a Lewisville Saddle Club playday. The next weekend I went to Missouri for the Brianna Walker Memorial Rodeo. The next week was Playday Finals.

The Weatherford Saddle Show was hot but fun. Congratulations to all the winners.

At the Lewisville playday I had tons of fun visiting with everyone.

I was extremely happy to be able to go to Missouri for the Brianna Walker Memorial Rodeo because it is the rodeo my aunt puts on in my cousin's name. My aunt was really happy to see us because it was a surprise that we came, we had never been able to come up before because it the weekend before finals. One of the highlights was carrying the Brianna Walker Memorial flag in Grand Entry.

The next week was Finals. It started off with grand entry and the Queens night on Wednesday. Thank you to all of the Officers and Chair people that participated. I am glad that Jacey was not seriously hurt and was able to participate the rest of the week. The barrel race was a big success. We all had fun at the dance. Then we got to relax after the awards on Saturday. Copperas Cove Saddle Club is happy that one of our own, Super Peewee Girl, Christin Wilson brought home a saddle. Good job to everyone else who placed.

Region 5 Princess Andrea Winters

Hey Everyone!!

Before I start my June article, I want to be sure and tell everyone that's been helping me thank you so very much! Thank you to the Thealls for letting me ride their horse, Diesel, when I attended the Lewisville Playday before finals. Thank you so much to KD for your continued support of the Queen's court. Thank you Summer for your encouragement and advice throughout these past few months. Thank you so much Renee for helping me get ready for our Finals week. And a big thanks to Markie... everything you've sent is absolutely beautiful! Lyndon and Mandy, thank you so much for wrapping my knee the last night at Bowie. It's so pretty....and colorful still...Darn L-gate! And finally thank you to my family for all the support y'all have and are continuing to provide. There have been so many people who have helped I hope I haven't missed anyone!

I don't know about y'all but I am already missing Bowie. The week seemed to have flown by too quickly. Everyone seemed to have a lot of fun, I know I did! For the few that didn't get to make it this year, here are a few highlights. Wednesday morning we began Grand Entry with a cool routine that our Officers performed for us to set the pivets. Grand Entry and introductions that morning went very well. Then it was time to start off the week with Straight Away Barrels and Spur. Queen Ali did an excellent job with her Queen's night this evening. We raised over \$700 with her idea of auctioning off the pies in the face, and I have to say it was very funny watching the people throw the pies. Some of them had a little bit too much fun with it though. (Haha) I just want to say thank you Grammy for playing along and taking one for the team with us. You're the best Grammy! I also believe Queen Ali did a great job including the younger kids by playing Duck, Duck, Goose and Red Rover. Thursday was also another accomplishing day, the events Flags and Poles went very well during the day. When we ran the Barrel Race that night we raised over \$500 for Breast Cancer. That's awesome! Nice Job everyone! Everyone that set up the Barrel Race did such a good job that evening. Friday's events were Pylons and Barrels which again went well. The dinner and dance on Friday night was a blast! Thank you to everyone who took part in preparing for such a successful night. We had a special surprise that evening as former Queen Shallon May came out to visit. It was great to see her and have a chance to visit for a little while. Thank you also to the band that came and played for us that night, you did an awesome job. Saturday, we ran Flying W and Baseball and this was a sad day... only because the week was coming to an end. It was also a very rewarding day because we presented awards to all of our winners for the week. Congratulations to everyone that placed that week!

As a sidebar, I am happy to announce that I am now a graduate from Kaufman High School and an enrolled student at Tarleton State University in Stephenville. My family and I are going to orientation this July, where I'll select my classes and find out who my roommate is for the fall. I can't wait!!

It was nice to see everyone at Finals and I can't wait to see you all again soon. If anyone has anything going on, I would love to come out so just let me know and I'll do my best to be there. Have a great summer everyone! Region 5 Princess Andrea Winters

Region 7 Princess Joy Mainville

Hello again ,

I hope everyone has been having a great summer, I was until I went to Playday Finals then it got awesome. Of course after I recovered from driving four hours, but I was so excited about finals I had no trouble staying awake.

The theme days were great. So many people participated in them. This year we set a new record of 267 people now let's try to break that next year. I met so many new people and I can't wait till I see them all again!

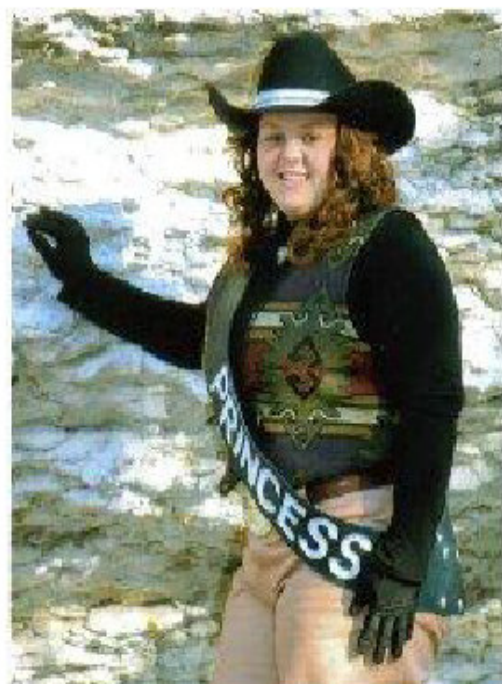

Camo Day was fun, everyone looked like they were in the army or going hunting. Queen's night was so much fun but I ended up with whip cream in my nose and that's all I could smell that night. I also got to use my awesome auctioneer skills again (dala dala). Mix-Match Day was fun, barley anyone matched I know I didn't, I want to thank everyone that participated in the benefit barrel race for breast cancer that night we raised a lot of money and congratulations to all the winners. I loved the hot pink barrel covers. On Pink Day so many people wore pink, I sure saw some tough people that wore pink. The dinner and dance was also awesome. Everyone danced and had a fun!! The last day was weird I was seeing double with all the twins on Twin Day.

After all the awards were over with I realized that finals was over and that the week went by super fast, but the whole time I loved representing Region 7 as their Region Princess. I hope that I will see many of ya'll at 50/50 in October, or hopefully before that at Horse Show Finals in September.

If you would like to invite me to any of your playdays just let me know I will try my hardest to be there.

Hey Everybody!

I hope everyone had a great and safe time at finals. It was hot, windy, and of course it flew by so fast! Congrats to all those who won and certainly to those who came from Region 6 (yea, us!) Thanks so much to everyone who participated in the theme days and to those who rode in the 4-D barrel race on Thursday night! I know it ran late, and but it was a huge success! We raised \$650.00 for the American Cancer Society PLUS another \$101.00 from the glow sticks and luminary bags. A special thanks to Lisa and the girls who announced and ran the barrel race and to Rick and UB for driving the tractors.

Great job to the royalty crew ~ ya'll looked so pretty! Thank you once again to everybody for being open minded about the themes and dressing up! I hope

everyone had a great time just like I did and of course **THANK YOU, THANK YOU, THANK YOU** for wearing PINK! I wish everybody a safe rest of the year and hope to see everybody next year for another week of fun!

West Texas Extreme Riders

Just wanted to say how proud I am of the great members we have. This was the first time the Scott family had ever been to Bowie and Cheyenne Scott placed 7th in Junior Girls. Lori Scott got to meet Bowie dirt up close and personal at the Barrel Race Thursday night, way to go girl, and Shoni Scott just had a wonderful time floating all around the grounds with a big ole grin on her pretty face. The newest additon to my family, Taylor Foltz, also placed 7th in Intermediate Women, you keep riding and I'll keep watching Dalton. K.D. Foltz placed 3rd in Int. Women which just pleased her to no end and we have quite a go getter in our Senior Sweetheart, Lauren O'Brien. She really worked hard to make Finals at time to remember and do something to help others with Cancer, we are very proud of her, and this was the frist time she and her family had been to Finals. We had a blast!

Queen Ali, Princess Andrea, Princess Joy did an awesome job during Finals. Looks like Princess Joy is now leading in ad sales with \$1450, Princess Andrea has brought in \$1325, and Queen Ali has completed her goal with \$650. Keep it coming.

Let me back up a little before Playday Finals. On Memorial Day weekend a group of us from Lewisville Saddle Club went to Poverty Hill Ranch in east Texas for a roping put on by Diane Johnson's dad Raymond Gallegos or as we all call him "Pop's". This roping was HUGE. The morning began with a tour of the ranch where I saw a LIVE deer for the first time ever. Then we made our way to the arena for the roping. The roping started at 2 in the afternoon and ended at about 3:30 in the morning. My mom and Michael Wheeler turned back cows for the entire time and mom was even on a strange horse! I did the bringing of drinks and things like that to those two. I also took a 3 hour nap in the middle which they still haven't let me live down. After everyone had slept about 3 hours we had a big breakfast and headed home.

The next weekend we had a playday at Lewisville Saddle club and our very own Princess Andrea Winters came to ride with us for a little while before she had to go to work. Thank you to Kevon Theall for loaning her Diesel to ride for a little while. Queen Ali was also in attendance and seemed to be having a really goodtime, she even presented our LSC Royalty with some flowers that she brought with her. Playday Finals 2009 is now history! I hope everyone had a good time. We made it though for the first time in a few years without a storm, which is fine with me because I hate storms. Wednesday morning started off with Grand Entry and the officer's doing a drill. I would like to thank Diane and Morgan Johnson for letting me ride Cooper. My horse TJ will do most anything I ask him to except let me carry a flag. Thanks to my Pawpaw, Gene Montgomery for making a "stick" as I called it for my flag and to Glynn Noblie for cutting my flag off shorter before the grand entry.

One that was finished it got a little bit hard as I along with others were missing our friend Andi but we knew she would want the show to go on. The competition was tough from the start. I would like to thank Connie Ivins, Suzanne Wilson, Kevon Theall, and Eric Savage for helping with bathroom duty on Wednesday morning. I would also like to thank Connie Ivins and Dean Winters for agreeing to be Region 5's rules people and to Mom for filling in on the day that Con had to leave for a funeral. Thursday was Region 5's day to handle trash and I was trying to get some help and I looked up and Kevon Theall had already done it all. THANK YOU KEVON!

I think Diane Johnson our association secretary deserves a standing ovation for all the work she did in the office getting ready for finals and during finals. Sometimes we don't think about how the points were figured so quickly in order for the awards to be handed out. It is people in the office giving up time with their friends to make sure that everything gets done. Thank you Diane!

Thursday night was the "Tough Enough to Wear Pink" barrel race and we had A LOT of riders. At one point we asked anyone who had survived cancer or their family had been affected by any kind of cancer to come in the arena and I must say I was truly surprised at how many people's lives had been touched by it. The last I heard \$650 was raised for breast cancer research.

Our Region 5 Princess Andrea Winters did a wonderful job representing us all week. She kept going with a smile on her face even though she had an injury. Every time I looked up I saw her out and about visiting with people. We are very proud of you Andrea!

Before we knew it the week was over and like Donna Leipsic said in one of her previous articles by Monday you are ready to go back next year! I would like to congratulate all of the Region 5 winners and although he is no longer a Region 5 member he was at one time, a big congrats to Wes Moody who has waited a long time to win a saddle. I would also like to congratulate my husband Eric Savage on surviving his first playday finals and dealing with the stresses of having a wife that is an officer. His horse got hurt on the first night but I shared TJ and he placed in everything he rode and I am very proud of him.

On the way home we had a blow out on our camping trailer and would like to thank Diane Johnson and Mike Johnson (no relation J except that we are all like a big family) for making sure we were rescued on the side of 380.

Region 5 would like to send our sympathy to the Roberts' and Callan families on the loss of "Skipper" and we are so thankful that Jaycee is ok.

In closing I would like to commend President Tommy McEwen on the wonderful job he is doing. Thank you for taking the time to do this and for your friendship. Congratulations on your new job!

Until Next Month, Summer Savage, 2009-2010 Region 5 Vice President

Region 6

Hello from Region 6,

Just got back from Play Day Finals and boy, am I tired. I had a great time, even getting the pie in the face. I will get Brittney for that one. We had a wonderful time. It was hot but the wind helped a lot.

I want to thank all the officers and committee people who took care of their assignments and did what they said they would do. Renee Guthrie did an excellent job with the awards again this year. Thanks to Chris Cox and U. B. Herrington for all their hard work making sure we had water for the arena's and for the showers. Also, thanks Lisa Herrington for all you did.

We had 3 Saddle winners this year from our Region, Ruby Crocker (Classic Women), Delaney DelaRosa (PeeWee Girls) and Ashley Barker (Junior Girls). There were other winners from our region but I didn't get all the info. District 5's publicity person should have the complete list. Congratulations to all the winners. Keep up the good work and we will see you next year.

I want to thank District 5 for working their event and then the next day working in the concession. Special Thanks to Randy DelaRosa and Bobby Walker for driving the tractor all day. We had lots of people there and everybody pitched in so that we had workers all day.

My understanding is that the 4D Barrel Race was a success. Thank you, Lauren O'Brien, for being the motivation behind this event. I hope everyone had fun.

Until next month,
Buster Jones,
Region 6 VP

QUEEN CHAIRPERSON

Finals is over and the Royalty raised A LOT of money. They're doing exceptionally well on their ads and you'll be shocked to hear the results at Convention.

The Raffle at Finals went towards the girls and after the girls paid for their raffle item and they each walked away with at least a \$100.

Queen's night was a blast of laughter. Thank You to the Brave Souls that got a pie in the face: Ali Burks, Andrea Winters, Joy Mainsville, Lisa Herrington, UB Herrington, Diana Higgins, Chris Cox, Buster Jones, Rick Fitzgerald, KD Foltz, Michael Wheeler, Stephani Foltz, Rusty Howard, Marcie Courson, Tracey Burks, Daniel Leipsic, and Sarah Winters. Without your presence we would not have made \$721.

The Barrel Race on Thursday was a hit and want to say Thanks to Lauren O'Brien and Thank you to Lisa & UB Herrington, Tracey Burks, Summer Savage, Rick Fitzgerald, Randy & Shannon Delarosa, for helping out on the Barrel Race, the West Texas Extreme Riders for the loan of the Pink Barrel Wraps and if I forgot your name I have been in the heat too long and I apologize.

It looks like the Royalty is gearing up for Horseshow Finals and remember its not to late to buy a program ad or an ad for the Riders Round Up.

Just a note from the office:

I am working on getting the roster completely updated, however, several membership applications came in with only names and a signature. Lots of addresses were left off, emails, phone numbers, etc.

To get the Riders Roundup emailed to you, it is imperative that we have a good email address for each and every one of you. When you have time, please just send me a quick email with your name, address and of course, your email address on it. If I get duplicates, I will weed through those, but this is the best way I can think of to obtain those, short of sending out a letter to everyone.

Thanks for the help.
Diane Johnson

Region 1 District 2

Hello from West Texas.

I had a great time at Playday Finals this year. The wind did blow every day but that was ok because we have it about everyday here too. I wish to say a special thank you to some people. Thank you to Rusty Howard and Darryl Brown for getting the ground ready for our event Friday and for driving all day for us. Thank you Sylvia Brown for working the tractor gate all day (sorry for the sun burned legs and feet).

Thank you to the group from Reg. 1 that helped in the concession stand, Donna Willis and Ronnie Elrod for cooking, Ronnie's granddaughter Ashley, the two young ladies that helped at the end of our shift, Reg.5 Princes Andrea Winters, Tara Farmer, all the people from our Region. (If I missed someone I'm sorry.)

Working up stairs for our event was Dist. 2 Sectary/treasurer Donna Willis, Kathryn Hanks, Dist. 2 V.P Delci Willis, Kim Biggs. Thanks to Ronnie Elrod's grandson Shane for being our runner to the office sometime. The ones on the ground were Ronnie Guthrie, Royal Winters for the gate also Reene Guthrie for working in the arena and the gate. (by the way the awards were great Renee) Ronnie Elrod, Curtis Biggs, Delci Willis, Misty Biggs, Andrew Mild, Reg. 1 V P Mandy Couch, Past President Annette Waggoner, Casey Waggoner, Corey Waggoner, Amber Workheiser, Lyndon Couch. Thank you to anyone I might have missed. Thank you to who ever brought the extra tractor and Jetter for the water truck. Thank you to all the people that worked in the office we could not make it without you.

I know that there were problems around the grounds but thank you to the Region VP's and Committee People and their family's that came early to get the office, grounds, concession stand, bathrooms and anything else ready for all us to use and have fun with. (Thank you, Thank you.)

I know that we had some problems with the water and electric but everything worked out ok in the end. We as a group of people need to work together not stand back and say well so and so should have done it, just get out there and help. I would have helped in any way I could if someone asked. You have to ask for help so we will know what to do. One person cannot do everything even if they think they can. I know that there are a lot of very smart people that know how to do things so ask them what to do.

God Bless and keep everyone safe. We hope to see you for convention at Lubbock, Texas this year.

**Congratulations to all of our
Playday Finals winners! Y'all
did a great job!**

Twin Mountain Riding Club

Howdy,

Wow it's been a busy month. At our last playday on June 6th we had a good turn out of 29 riders. We enjoyed talking to everyone and riding our horses. We did not like the HEAT but it helped us get ready for finals. The winners were..

Super Senior

Women- Jeane Orsak

Men- Buster Jones

PeeWee

Boy- Logan Guerin

Intermediate

Girl- KD Foltz

Super PeeWee

Girl- Makailey Brock

Boy- Porter Guerin

Junior

Girl- Ashley Virden

Senior

Women- Kristi Guerin

Men- Chad Harris

We had a blast at finals. It was hot and humid but isn't it always. We had 12 families go from our club with 14 riders. We really missed seeing Keith and Skyler who planned to attend, but were unable to at the last minute. It was a great week of talking, camping, shopping, swimming, dancing, and eating. The food was great (Busters Cobblers, Need I say more?), showers not always so great (water pressure issues), and scooting a boot with everyone. We really enjoyed the lead line class that was added this year. The theme days were lots of fun, it is kinda hard to mix match with boots and jeans thought. Never the less we had a lot of participants, who know that our men would look so good in pink. Our Final High Point results for our club were...

Classic Women

4th place Elaine Lee

Junior Girl

1st place Ashley Barker

Senior Men

4th place Jessie Lee Brock

Super PeeWee Girl

4th place Makailey Brock

Junior Boy

9th place Robert Rossen

7th place Chad Harris

The following club members earned at least one daily award.

Stanley Mayfield, Jeane Orsak, Buster Jones, Jessie Sr. Brock , Brittney Jones, and Becky Rossen.

Thursday night was high in emotion as several cancer survivors and families filled the arena to honor those that have battled cancer. We continued the night with a 4D barrel race to help raise \$ for the Tough Enough To Wear Pink campaign. With the pink barrel covers the race was on. Our own Brittney Jones placed 3rd place in the 4th D. She won a great pair of spur straps; she even borrowed a pair of spurs so that she could wear them. There was over \$600 raised for the campaign. We look forward to next years Playday Finals.

Happy Trails from Twin Mountain Riding Club.
