A: I wish I could hear you whinnie.

JUNIOR: Daddy, there's a man at the circus who jumps on a horse's back, slips underneath his belly, catches hold of its tail and finishes on the horse's neck!

FATHER: That's nothing. I did all that the first time I rode a horse!

Q: What is a horses favorite kind of party?

Lifetime Member of the AASP&RC

President Renee Guthrie

Hey Y'all!

For those of you that may not have heard, after a two week leave of absence, Donna Leipsic submitted her resignation as AASP&RC President. The Officers and Executive Board accepted the resignation and I was sworn into Office as AASP&RC President for the remainder of the current year and Charmie Sanders was sworn into the position of Executive Vice President. I assume this role and its many responsibilities with a heavy, yet diligent heart. I am ready to meet the expectations that come with this job, head on! It truly saddens me to suffer this loss; however, I must do the "job" that was entrusted to me.

At this time, we are suffering a bit of a financial set back and a few changes must be made:

1) We will not provide awards for Spring Round Up, Becky and I have made the decision to "jackpot" the barrel race, scheduled for Friday night, as well as the Team Playday on Saturday and the Sorting on Sunday. I think we'd all like to have a chance to win some money over another halter or fly mask anyway!

2) I have asked Wes (SRU Chair) to gather up the Intermediates to DJ and sponsor the SRU dance. I am confident that our Intermediates will put on one tremendous dance and I'm sure if you bring the music, requests will be accommodated.

3) Looking at our current budget, I think we may have a bit of trouble providing saddles at PDF; however, I have already obtained 7 pledges for saddles donations. If you, your Region, District or Club would like to possibly donate a saddle, it would be GREATLY appreciated!!! Having ALL 14 saddles donated this year would guarantee them at PDF.

4) We have put together a "wish" list (look for it in this issue of the RR) of items that we would like donated as quickly as possible in order to maintain our needs at the grounds.

There was previously scheduled a "work" weekend set up for March 19th and 20th. We could really use "ALL HANDS on DECK" if you could make a little time for our beloved Association. I will be there from the 12th through the 20th if anyone could put in a little time during the week. Don McEwen has graciously agreed to take on the Grounds Chair and has put together a "Super Crew", but they could sure use some warm bodies and a bit of muscle to help along their efforts. Your Region VP's will have a list of what needs to be done and surely we can all find something that we could offer some assistance with.

If at any time you have an issue needing to be addressed, have questions that I can answer, or have an idea that I probably haven't thought of, I would LOVE to hear from you.

Until Next Month, May your Arena ALWAYS be too SMALL to hold ALL your Friends!

Renee Guthrie

Executive Vice President

Hello All,

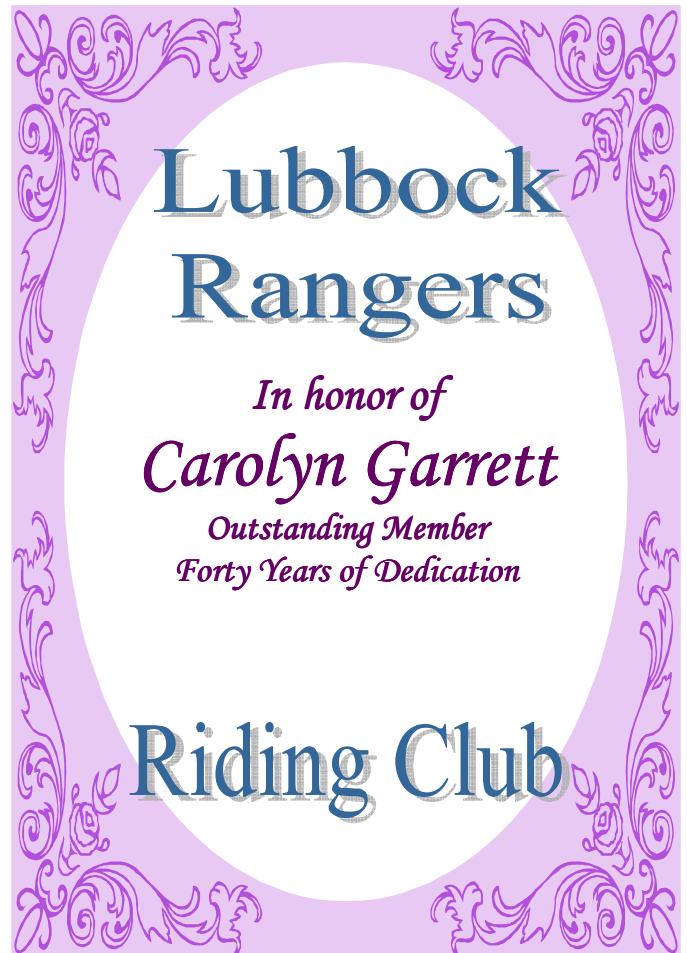

I know by the time this issue goes to print you will have all heard about the recent problems in our association. The executive board meeting has been held, issues addressed and hopefully we will have answers and solutions. Therefore, I'm not going to rehash the issues. At this time more than ever we need to come together as an association. Its time to put petty personal differences aside and step up to the plate, tighten our belts, and get busy moving forward and making our association strong again. I want my children to be able to enjoy this organization in the years ahead. We have many upcoming special events on the calendar as well as our association functions, so any help and input will be appreciated. Coming together is a beginning, keeping together is progress, working together is success.-Henry Ford.
See you all down the road,
Charmie Sanders

Lauren O'Brien

Hey everyone,

WOW!! Where has this year gone already? We are only a month away from Spring Round Up and that seems crazy to me..... it seems like we were just at convention. I hope that everybody's horses are shedding those winter coats and running even better than they were last year, and I hope that everybody is saving those pennies and dimes so they can come. Trust me, Spring Round Up and Play day Finals are not going to be something you want to miss this year.

February; I think drank a few Red Bulls and grew some wings because I have a hard time remembering what happened to the month. It has been jammed packed with school, work and the San Angelo Rodeo for the past couple of weeks. It does not seem to slow down ever, as I think most people are feeling this way too!! I have not seen my bed in a long time, or the dinner table with the family either. No worries though, I know both of them are running around the house somewhere. I was able to ride in the San Angelo Stock Show parade and had a great time. THANK YOU so much to Buster Jones for riding with me. I know I can always count on him. I heard Sarge was in town, but was not feeling well at all. I hope he feels better and thanks to him for driving all this way, sorry you got sick. I want to say congratulations to Twin Mountain Riding Club. I know that they placed 1st in the parade judging. You all looked great! My home club, West Texas Extreme Riders, also was there with a big

crowd and it was good seeing them. They won 2nd place in the cart division. Once again, thank you to everyone who came out, I had a great time riding in my home territory and seeing everyone!

Well February also means rodeo for me in my book, and for 2 weeks I have been almost living out at the grounds, volunteering to work putting on the rodeo. I had a great time this year, however, I am super happy that the rodeo is over and I get time to recover from it. I love it and it is always a guaranteed good time!

Although this past month has been great and it is one of my favorite months because of the rodeo and all the fun and chaos that come with that, I lost a family friend. Debbie Wilde was 53 and fought a hard battle with ovarian cancer. Sadly, she lost her battle on February 26. In honor of Debbie and her legacy, I am dedicating the rest of my queen year to her. From now on, you will see a teal ribbon on my saddle, saddle pad or my shirt. Debbie was a lady that saved all the animals she could, whether she could afford it or not. If she couldn't, she would find a way. She was also an amazing leader in the local 4-H Horse Club. She was determined to make sure that any child that had a dream to ride was going to ride. She offered her time, heart, and horses to anyone that was willing to learn and try. Without this truly amazing woman, I would not be where I am today. This is why I am dedicating my year to her. Now I am asking all of you to dedicate this year to somebody who has fallen because of or fought cancer. Whether it is family or friend, and no matter the cancer they have. I ask that you wear the ribbon like me. For \$5 you can buy a roll of ribbon of the color you choose and honor those who have fallen or fought the battle. You can find the colors of cancer on this website:

http://www.chemoangels.net/Angels%20Corner/Sub%20Folders/cancer_colors.htm

In the next month I have District 5 playday coming up and a few other surprise stops to make. It should be a good month! I hope to see everyone soon at Spring Round Up....ready to rock and roll!

Ride Hard and Be Safe, *Queen Lauren*

AASP&RC PRINCESS PROGRAM

The Princess Program is to make possible for any girls that would like to participate to be allowed, to ready all participants for hopefully becoming a future AASP&RC Queen or Queen's Contestant, to work together for the betterment of the AASP&RC.

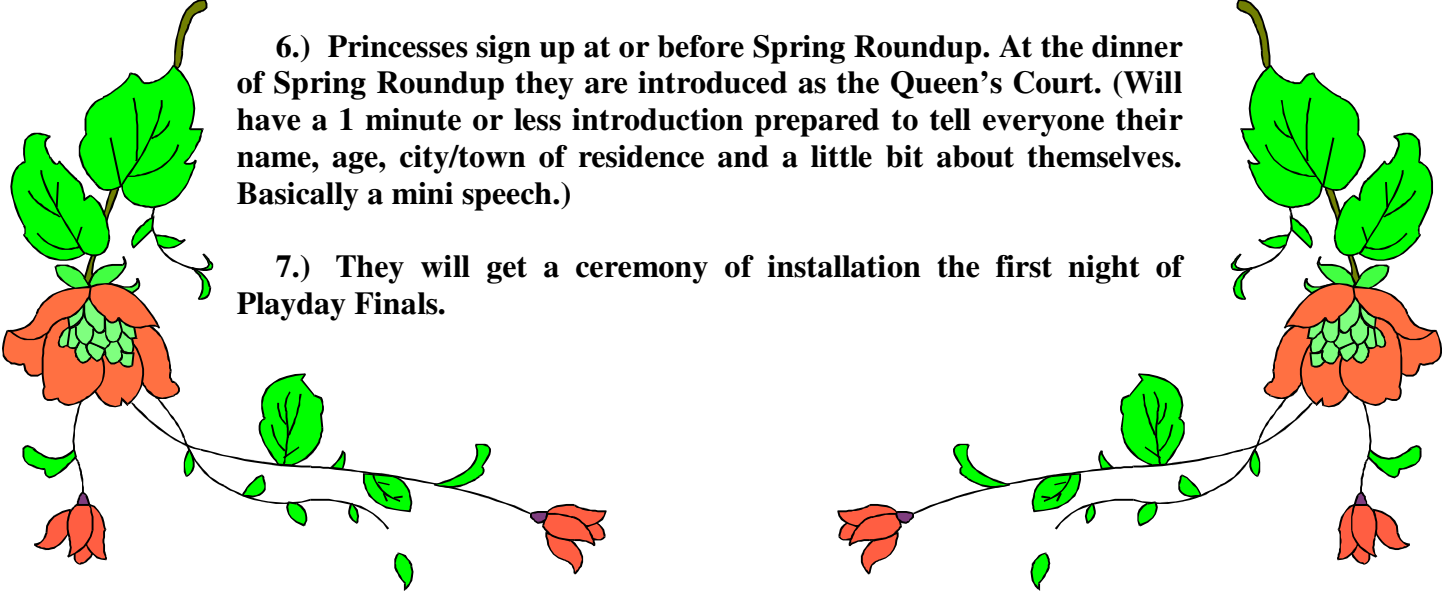

1.) Does NOT matter whether there are 1,2,10 or 30, as long as they want to participate, they will NOT be turned away if they can meet the following commitments/requirements.

2.) We do NOT select "A" Princess, we offer up this title to any and/or all girls 7 - 14 years of age. (Girls may be a Princess as many years as they wish to participate and are able to renew their entry fees each year.)

3.) There is a \$50.00 entry fee to every girl that wishes to participate and they will fill out an entry form. This entry fee will be attached to the entry form.

4.) The AASP&RC will furnish each Princess with an Official Princess sash and hatband. (This is why we require an entry fee, so it does NOT cost the Association to provide these items)

5.) The Princesses will abide by a simple dress code that requires them to wear a long sleeve western shirt, jeans, belt, boots and western hat anytime they are wearing their sash and/or working their scheduled work list. At all other times, they may wear this Princess uniform if they wish, but is NOT required.

6.) Princesses sign up at or before Spring Roundup. At the dinner of Spring Roundup they are introduced as the Queen's Court. (Will have a 1 minute or less introduction prepared to tell everyone their name, age, city/town of residence and a little bit about themselves. Basically a mini speech.)

7.) They will get a ceremony of installation the first night of Playday Finals.
