Hey Ya'll!

This month just seems to have flown by faster than I thought. There have been some pretty exciting things happening in my family! I am now the proud Aunt to Michael Carl Heinrich. God blessed my sister with a beautiful, healthy baby boy. Let me tell you the spoiling has already begun! Since he came a little early my mom was able to go with me to Spring Round Up, since she thought she had been missing out.

We got to have our first Lubbock Saddle Club play this month and we had a great turn out and a lot of fun. We also have had a couple more District 2 play days. Thankfully this year has been a very safe one and everyone's been doing great. My two girls are shaping up to look pretty good, still working on getting that winter belly off of Misty though. She is pretty chubby.

I had a great time at Spring Round Up. It sure was nice to be back on the grounds, for some reason it just makes me happy to be there. Good Job to Jordan Lane! You did a fantastic job with everything! Thanks to Charmye for Friday night I think we all had fun and learned something about showing. We had a great turn out for the buckle play day and congratulations to all of the winners! The dinner and dance turned out to be pretty fun. We had a great turn out and a lot of laughs. Thanks to everyone for the Queen's Breakfast! That was my first one as Queen and I really enjoyed it and I know that Princess Alli did also. And I couldn't forget Thank You so much Glen Noblie for my breakfast I really appreciate it, and for the trail ride. I know that I had a lot of fun and I think my horse did also. I hope everyone had as much fun down there as I did!

Well I had planned to head down to Hawley last weekend for a District playday, but unfortunately it got rained out. I plan on being down at Cross Plains this weekend. I just can't wait to see one of my favorite people in the whole world.

I hope that everyone is ready for summer because it's coming up very soon. I am ready for a break from school, but I only have one week left and then I'll be done.

I hope to see everyone again soon, Safe and in Good Spirits!

Happy Trails!

REGION 7 PRINCESS

Hello from Copperas Cove

I hope everyone has been having a good playday season. I know I have. It seems like I am riding some else every weekend.

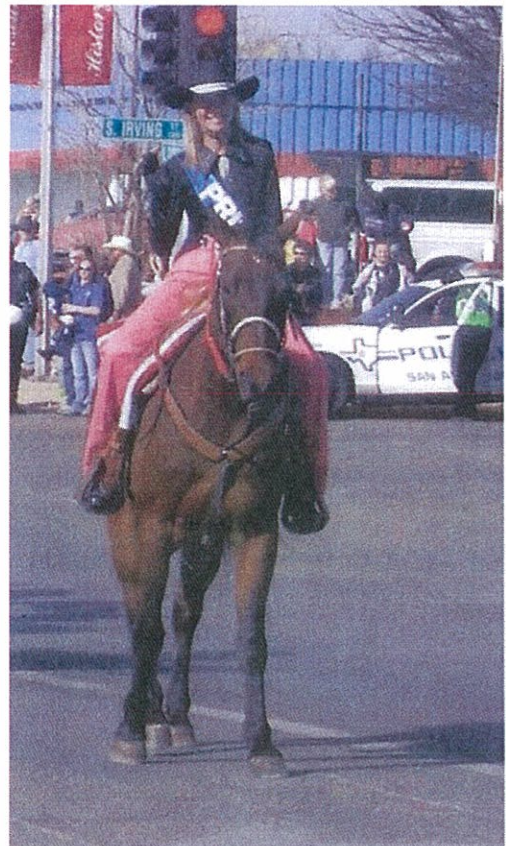

Last weekend on Saturday, District 8 had a Duchess Social to help support their Duchess Miss Kelly Kerby and Brushy Creeks Sweetheart Miss Tifani Elliot. All the royalty from the region including Copperas Cove's Sr Sweetheart Kindie Fitzgerald and Jr Sweetheart Alicia Spadey. Queen Delci also attended along with thee past queens, Kim O'Neal Elliot, Angle Roberts Callan, and Melissa Tichenor. We also had four association officers there, Executive VP Curtis Smith, Treasurer Melissa Thompson, Region 6 VP Buster Jones, and Region 7 VP Rick Fitzgerald. A special thank you to miss Addie Renfro for a fun and exciting day.

On Sunday I when to a tack playday with Triple C Productions Rodeo Company where I placed 4th. It was really fun.

By the time this comes out I would have ridden in the Copperas Cove Rabbit Fest Parade.

Hope that everyone stays safe and hope to see you at playday finals.

Princess Ali Burks

President's Column

Playday Finals is just around the corner. I hope everyone is planning on coming this year. It looks like it will be a full house.

Melissa had been working her tail off getting all of the registrations, stalls and camper hook-ups taken care of. She has been awesome help taking care of our office. I could not do it without her!

Don and Marie have the concession and grounds ready as always. Thanks to all of the regions that have gotten to do work at the grounds. Lisa's group replaced part of the fencing on arena one and they are planning on replacing the missing tin on the shades. Buster brought up some plastic barrels for trash. Boy are those going to be much easier to handle than the metal ones. Charmie and her kids painted all they could reach on arena one and are going to go back and get the rest done. Billy Privett re-wired and fixed the speakers and fixed the vent in the concession stand. Jr.Oats helped Don fix the roof on the well house. Don said it looks great. Now the critters can't get in and eat the wires. Thanks Guys!!!

We had a really good turn out at Spring Round-up. I was very excited to see everyone there. Thanks Jordan and Lisa for all of your hard work. It went off without any bumps. Thanks Rene for our great awards. The plaques were really cool. We made more money than we have in years. We had over 50 people at the queens breakfast and was only expecting 30. Glen led us on a really cool trail ride. Thanks for having us out again. We had 72 riders. That is more than we have had in a long time. Jennie got to ride her new colt Holly and she was perfect. I would have loved to got to trade her for my Black horse. She thinks trail rides are races.

The 50/50 will be the last weekend in July. Plan on coming so we can re-take the trophy. All we needed last year was more riders.

Corey Waggoner had his 1986 sonic blue Mustang make it in the April issue of "Modified Mustangs" magazine when he was at Fun Ford Weekend in Ennis, Tx. This was his first car show. It is his first car to build and we are very proud of him. It took him 22 parts cars and 7 months to build. He bought it with \$700.00 of his money he had saved from starting colts the summer before. Travis sponsored the rest. He said he should have bought the car. That was the cheapest part of this project!

Congratulations to all of the graduates this year.

I hope everyone has a good trip to Bowie. Good Luck to all of the contestants!!!!

Annette

REGION V VP

Hi Everyone

I would like to thank everyone that helped out Region 5 at Spring Roundup. It was a great success and everyone had fun. We had a beautiful day and a huge turnout. The dance turned very interesting with some new dance that the kids/adults had fun doing which I know they will be doing at finals. Thanks again to Glenn for letting us trail ride on his family's property. Thanks again to U.B. and Jordan for all their help.

Finals is just around the corner and I hope everyone is making plans to attend and getting their horses in shape. Our membership is up from last year, so welcome to all the new families that have joined this year. We hope to see you at finals!!

To the clubs and districts, please help and send your donation for awards at finals. Anything you can send in would be greatly appreciated by everyone!!!

See Ya,

Lisa Herrington

Hello From Region 6

Let see since last month we have not had a district play day because of rain. We are trying again this weekend for a District 5 play day at Mertzon. We have had a little rain so far this week but maybe not enough to have to cancel. The rain is good but it is definitely a challenge to have the arena not too wet.

I made it to Spring Roundup and had a really good time. It was good to see everyone.

I want to thank Ms. Addie for inviting me to the Brushy Creek Play Day this past weekend (May 10). It gave Barbara and I an excuse to go to Cove and visit our grandkids. Our son, Bradley, came out and rode in the play day and had a really great time. He was surprised to win a High Point award. He hasn't had much chance to ride in about 3 years and is preparing to deploy so it will be a while before he gets to ride again. Thanks, Melissa, for letting me stall my horses at your house on the 10th. We had a really good time. Our Granddaughters loved seeing all the horses.

I look forward to seeing everyone at Play Day finals.

Something that's really needed these days. Miss Addie has been doing this for a long time and has had more influence on this Associations royalty then any other person I know. So when you see Miss Addie give her a big Hug and Thank You for an outstanding job!!!

Brushy Creek Report
by Denise Rucker, Reporter

Brushy Creek Saddle Club hosted their third points playday and District 8 qualifying show in conjunction with our annual Duchess Social on the 10th of May. It was really nice of all the officers and previous Royalty that made such a great effort to join us for the social (see the list below if you want to know who joined us!). Special thanks go out to Addie Renfro for all you do for our Royalty, Collett Tichenor for furnishing the Cake, Penny Fitzgerald for furnishing the punch, as well as Lucy Solorzano and Lisa Roberts for help in setting it all up.

After the celebration we got back to stirring up the dust. The unusual combination of events (did I mention Mad Mouse and Baseball?), allowed for some upsets in the final tally of points, as this is a true challenge for even some of the more seasoned horses and riders! Our lovely Royalty was on hand to award some nice plaques to the High Point winners and Rosettes to the Reserve winners in the following age groups:

BCSC would like to welcome the Seggren's to our club. Don't forget to wish good luck to the BCSC members who will be traveling to Playday Finals this year. We have a total of 12 riders headed to Bowie in June (the 18th through the 21st), for some SIZZLING HOT competition and a ton of fun. GOOD LUCK to all of you!

On a sad note, we would like to offer our condolences to Brandon Elliot, who lost his friend and dear horse Dolly-Girl to colic this past month.

Our next playday is June 14th. Please visit our website at: <http://brushycreeksaddleclub.weebly.com/index.html> for more information.

This year it seems that everyone is strapped even worse than usual for money thanks to the rising cost of fuel. Some of our usual sponsors for finals have not been able to afford their saddle sponsorships etc. this Year. Be sure and let your Regions, Districts, Clubs and families know that any donation will help out. My family is sponsoring 8th through 10th place this year. This donation is affordable for us. I hope it will help Someone that may not have ever won anything at finals have something to take home, especially the kids. All of our sponsors will be recognized In the next few RR's and the program at finals. Thank you Lisa and U.B. Herrington, and District 11(Lubbock) for your saddle donations.

Hope to see everyone at Finals!!!
Annette
