## Executive Vice President Lisa Herrington

Hello,

In February, we travelled down to San Angelo for their parade. Thanks Twin Mountain for being such gracious hosts and we had a lot of fun. The girls all looked great and it was nice seeing everyone again.

Well, our first District Playday was rained out. We were ready to get things started. As much as we really need the rain, we were still bummed. Maybe April will bring some sunshine!!

Remember on March the 21<sup>st</sup>, we are having the association work day at the arena. Please plan to attend. On March 28<sup>th</sup>, we will be attending a benefit barrel race for Andi Lampier Geis in Terrell, TX, if anyone needs information, please send me an email.

Spring Roudup is just around the corner and KD has been working hard on some fund raisers for the girls. So, please bring some extra money to help the girls out. We have loads of fun so come out and join us!!!!

Until next time!

Hey Everyone! I hope that everyone is doing absolutely amazing! I know my family and I are doing very well. We have all just been so busy with work and school and my brother's sports, it is crazy. But we are all enjoying going to watch him play at his games. I am so happy that spring break is here. I bet everyone else that is in school is excited as well. It's always nice to get a little break from school just to relax and spend time with family and friends. Oh, and I received some exciting news the other day. I received my official acceptance letter to attend Tarleton State University. I am so excited and can't wait to go.

Well, I hope that everyone who went to San Angelo for the Parade and rodeo had fun. I know I did. Although, it was another extremely cold weekend for everyone. That never stops us from having fun and enjoying our time together. Thank you Aunt Annette and Granny for helping me get dressed up for the parade and making the time even more special. I love ya'll!

I can't wait to see everyone again, hopefully this will be very soon. Maybe I will see you all in Terrell on March 28<sup>th</sup> for the benefit barrel race that is being held for Andi. If I don't see you in Terrell, I am sure that I will get to see you at Spring Round – Up. I am so excited about it coming up. It is going to be so much fun! I can't wait to see you all!

See ya'll soon!

Hey everyone

I hope everyone is doing well. The San Angelo parade went great although it was super cold I'm pretty sure we all had a blast I know I sure did!

When we got to Stephani and K.D's house it was the attack of all the adorable dachshunds. I would like to thank ya'll for letting my horse stay at your place it was much appreciated.

March 7<sup>th</sup>, The Copperas Cove Saddle Club had there first highpoint, I was excited it was my first highpoint as Region 7 Princess.

Later this month I look forward to traveling to Terrell, TX for Andi's benefit barrel race. Hope to see everyone there.

Next month we will all be headed to Bowie for Spring Round-up. I've never been so excited, I really like traveling to all of the different places so if anybody would like to invite me to any of their events please let me know I will try my hardest to make them.

Hope to see yall down the road!!!

## Region 2

HELLO FROM REG.2,

Well we never got our first playday in. We had HAIL that day, didn't get enough rain to amount to much but got sleet and hail. I don't know about ya'll but we're so desperate we'll take moisture in any shape, form or fashion. We do have a district playday scheduled this weekend and a chance of rain! Reg.2 and District 31 are having a buckle playday on May 23, at the Association arena. It will start at 9:00 am sign up will be at 8:00 am. We will run 5 events and give buckles for high point, reserve high point and ribbons will be awarded also. Call me for details. On May 3rd the Montague County Jr. Livestock Association will be having a fundraiser playday at the Association arena in Bowie. There will be a Cowboy church service at 12:30 and the playday will start at 1:00 pm. There will be high point prizes for all age groups, concession stand and etc. We will run 4 events. Call me for details on this as well.

We were happy to have Queen Ali come visit during Spring Break. We had a big trail ride/picnic at my place. Ali came and rode and played all day with us. I don't know where all the rest of those kids came from but I looked up and my place was "crawling" with kids. So much fun and Queen Ali can really jump high on that trampoline when someone is squirting her with a water hose!!

The work day was huge. Thank you all so much for coming out to work. The grounds are looking awesome! I can't wait to see you all at Spring Round Up. We will be trail riding on a new place this year. We will be going to the "Heard" Ranch outside of Bowie. This is a very large historic ranch in our area. We are really looking forward to new territory.

See you soon,  
Charmie Beemer

## **Region 3**

**Hola everybody.**

**Not much happened this last month but we have a lot to look forward to in the next few. Last weekend we missed out on riding but got some much needed rain. As dry as it's been, I'll take that trade off this time.**

**I hope to see everyone at the work day on March 21st at the Association grounds. There's a lot to be done and we surely need all the help that we can get. Region 3 will be working on the Announcers' Stand at Arena 1. Between the exterior deterioration and the buggies in the walls we've got our work cut out for us. Also that day we will be taking a break for the executive board meeting as well. Again, I hope you can attend.**

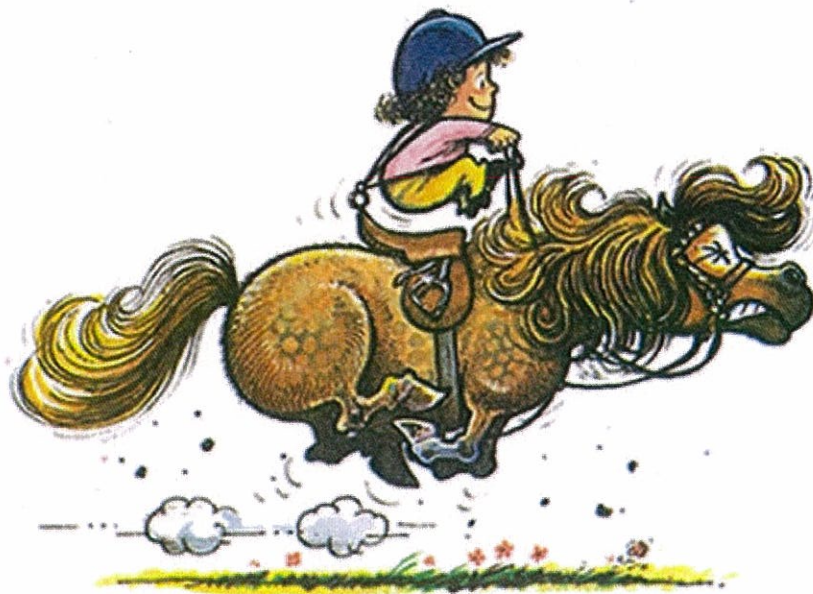

**Please don't forget that we have our Region 3 fundraiser and qualification playday on April 4th at the Denton Roundup Club arena. Their arena is located on Ryan Road in Denton . If you need directions just give me a buzz or email and Mrs. Mapsco will getcha there. Region 3 members, remember that riding on that day will qualify you for finals in any event you qualify in. Signup is at noon, we start at 1. Denton will have the concession open.**

**Also be sure to mark your calendars for Spring Roundup on the third weekend of April. If you've never attended a Spring Roundup you really ought to come. It's loads of fun and such a variety of things to participate in. I know Michael Wheeler, our SRU chairperson, will do a fabulous job.**

**Until next time - be safe.**

# **Region 6**

## **Howdy from Region 6**

I want to thank Queen Ali and both the Princesses for coming to the San Angelo Rodeo Parade. We enjoyed having ya'll. I also wanted to thank all the officers that were able to come. Thanks also to the out of town clubs that came and rode. I want to thank everyone who came with my home club to eat at Los Panchitos, it was nice to talk to everyone and catch up. I also wanted to say thank you to Stephani Foltz for cooking hamburgers on Friday night before the parade.

On the first weekend of March were the first district playdays for District 5. We started riding at 8 o'clock Saturday morning at the Hawley arena, and on Sunday after oversleeping due to the time change we woke up at 7 o'clock, went to the Wal-Mart in Abilene, then drove over to the Taylor County arena to start riding again at 8. We all had a lot of fun, and we thank Hawley Saddle Club and Taylor County Riding Club for having their arena's ready for us to ride in. We had a very good turn out for both playdays.

On Thursday, March 12, I became a grandfather for the third time. My daughter, Bridget Jones-Carr and her husband, Tony, gave me a beautiful grandson. He weighed 8 pounds 3 ounces when he was born and was 19 inches long with a full head of blonde hair. His name is Bryce.

A special thanks to everyone from Region 6 that went to Bowie on Saturday, March 21, to help replace the roof on the pump house. We had about 5 people actually working on the roof and the rest were supervising to make sure we were doing our job right. Also, a big thanks to all the people who donated money to help repay the association for buying the materials. Thanks to Jim & Jeton Tumlinson for getting the metal and hauling it to Bowie. From all the activity at the arena's on Saturday, I bet there was a lot of repairs made. Thanks to all the regions for showing up and doing what they volunteered to take care of. It was really looking good when I had to leave.

That's all the news for now from Region 6. See everyone at Spring Round Up. If you have any questions for me, or want to know about any playday's coming up here in San Angelo just let me know.

## **Twin Mountain Riding Club**

**Howdy Friends,**

We started out our play day season on February 7<sup>th</sup> at the Concho Foundation Arena. We had a huge turnout of 37 riders. We also practiced for the 77<sup>th</sup> Annual San Angelo Stock Show and Rodeo Parade as well as started grooming our horses to prepare to take 1<sup>st</sup> place for a second year. We enjoyed a rather warm afternoon of play day events. On the 21<sup>st</sup> of February we earned 1<sup>st</sup> place in the in-town riding group division for the Rodeo Parade. We had 15 riders as well as a beautiful float of displaying a horse running barrels; we had another 12 or so people on the float. As we started the judging for the parade it was freezing cold and very windy at 32 degrees; however, we ended up with a very nice ride with a temperature in the mid 50's. It was rather windy but no one lost their hats.

We were very excited to have several AASP & RC officers join us for the parade. After all the parade festivities were over we headed to Los Ponchitos for a great lunch and to catch up, before the Grand Entry started. We would like to give a special thanks to the following association members for making the trip here and riding the parade: Queen Ali Burks, Princess Joy Mainville, Princess Andrea Winters, President Tommy McEwen, Executive Vice President Lisa Harrington, Treasurer Diana Higgins, Past President Annette Waggoner, and several members of their families. Our own Region 6 VP Buster Jones also rode with the Association in the parade.

This past weekend, March 7<sup>th</sup> and 8<sup>th</sup>, we traveled to Hawley Saddle Club (Sat) and Taylor County (Sun) for our first set of district playdays. 2 down; 2 more to go. We had so much fun laughing and eating the best fajitas in the world, thanks to Buster, Barbara, and Brittney. We would also like to thank the District members of the Hawley Saddle Club and Taylor County Sheriff's Posse for their hospitality. It was a great weekend of Horsemanship, Sportsmanship, and Citizenship. We look forward to our next District play days on April 25<sup>th</sup> and 26<sup>th</sup>, here in San Angelo.

Jeton Tumlinson, Club President/District President had back surgery the last week of Feb. She is resting at home. Keith Taylor has to go back in for another pacemaker in a few weeks. I ask that you please keep these two wonderful people in your prayers.

# **Brushy Creek Saddle Club**

Hello from Brushy Creek Saddle Club,

Well we started out the 2009 playday season with a fun free play day on February 21st. The weather started out very windy and cold and then the sun came out and we had a very warm afternoon. So you never know what the weather is going to be in Texas . BCSC had five new families join our club. (It was nice to see new kids riding)

We gave out first, second and third place awards in each age group and we also had a 50/50 raffle.

Ms. Addie wants everyone to know that the District 8 Duchess Social will be held on May 9th. Invitations will be coming in the mail soon, so please save the date.

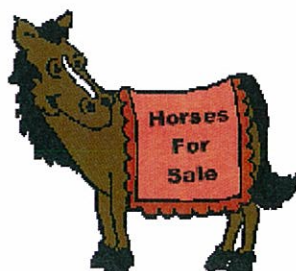

Our next Playday will be on April 11th. We will be having a raffle of some kind...

Until next time,  
Colette Tichenor

## **District 5**

What a great weekend we had at the district 5 playday. Saturday we rode at the Hawley arena, and it was a windy day, but we got through it with a great turn out of 43 riders and many people came to watch. Everyone worked together to make things run smoothly. Sunday was a beautiful, warm day, and we rode at the Taylor County arena. We will be having our next district playday April 25th and 26th, and the location will be announced at a later time. We will be having a silent auction on April 26th to help raise money for our district, so everyone should try to bring something to help our district.
