Howdy from Lubbock and West Texas,

I would first like to congratulate Delci and Sam Baeza on the birth of their son Teagan, he was born March 29th. We have some super peewee boys up and coming here in West Texas.

Queen Lauren was in Lubbock for the ABC Rodeo, I would like to thank her for driving all the way up here for a less than 5 minute appearance. She did look great representing our Association during the Grand Entry.

District 2 has started their playday season off to a great start. There were 42 riders at the start of the playday and ended up with about 24 riders. Some of them had George and Reba tickets that night. The next District playday is this coming Saturday on May 21st.

Spring Roundup was great. I did win some money back during the Friday night barrel race and, during the playday on Saturday.

Thank you to all that helped to make this a great weekend. If you weren't there you missed out. UB did a great job auctioning off the items Saturday night. The dance was great thanks to the Associations new DJ Wes. Church services were good Sunday morning, thank you Charmie for getting the youth kids to do the service. Sunday the wind decided to blow again but, that didn't stop the team sorting from going on as scheduled. They had 25 teams show up for the sorting. It looked like they were getting down to business in the arena.

On the way home from SRU, we pull into Seymour and find a burnt hub and bearing on the trailer. If you break down in Seymour we know who to call on a Sunday even (Craig's Tire Service cell phone 940-256-2783 or 940-888-5634). The trailer got fixed and we were back on the road heading home

If you missed SRU you missed out on a great time of fellowship and horsemanship. You should try to make it next year it's only going to get better. I couldn't have done all of this week end without my partner in crime Thanks to you Jackie.

I would like to wish everyone a very Happy Easter.
Until we meet again
Happy Trails to you,

Ronnie Elrod

Hello Everyone,

I hope everyone had a good Easter. It was pretty quiet around the Savage household minus the roaring evening thunderstorms. We actually had time to take afternoon naps which never happens for us.

I had a great time at Spring Round Up and I hope you did too. It seems every time we are presented with a challenge our members step right up to the plate and hit a home run. Wes Moody did an awesome job. I had a great time in the playday, but I am loving riding Daisy and I never thought I would even like riding a mare but I just love her. She even did better in introductions and grand entry than TJ!

We had several people at Spring Round Up that it was their first time attending and minus the killer virus we all got they told me they would be back. The brisket and the sides that Janice and Kathy made were awesome at the dinner on Saturday night. I am so glad that Renee had us officers eat in the concession stand ahead of time so we actually had time to taste our food. Thanks to all who contributed to the auction that helped us raise \$1100! Thanks to UB Herrington for being the auctioneer as we were all standing out there freezing. The church service was good and it is good to see young men in the ministry. Even Hank got to go to church on that Sunday! I was unable to stay for the sorting as I was already begun not feeling well but heard that it was enjoyed by all. Thanks to all who helped with Spring Round Up, especially my Lewisville bunch that jumped in and with the help of a few others we were able to work two events in the playday.

The next weekend we had a playday and Easter egg hunt at Lewisville Saddle Club. The day started off kind of bumpy because we had some tractor issues and spent Bowtie raking and shoveling by hand. Diane Johnson and Suzanne Wilson both said that is how they did it at playdays when they were kids and that was only 10 years ago! I am not sure how the math all works out on that since I am 33☺. Thanks to Kevon who saved the day by going all the way back to his house and brought his tractor. After poles we had an Easter egg hunt for the kids. There was candy everywhere. I just love seeing kids hunt eggs with feed buckets! Martin had an absolute ball. He and TJ are doing so well and pretty soon he is going to have all the patterns down and not need our help anymore.

Let's send our prayers to those that have been affected by the wildfires and the storms. As I type this we are waiting for yet another round. I am thankful for the new car I got due to hail but am ready for the severe weather to STOP.

Until Next Month,
Summer Savage

Hello Everyone!!

Hope everyone had a great Easter, I know I did! Well this past month has been pretty slow. First, I attended District 5 playdays in Big Lake and San Angelo on April 2 and 3. It was a lot of fun, but really hot. Luckily the wind was blowing so there was a bit of a breeze.

Then we had SRU on April 15, 16 and 17. I almost thought that my family and I weren't going to be able to come due to all the fires. Luckily, the one closest to our home finally got contained so our house was not in danger, so we decided to go on up and enjoy ourselves. It was definitely hot, dry and windy that weekend. I was literally getting dirt out of my boots the entire week after SRU. The officers did a great job on all the food. And Wes did a good job picking the songs for the dance, I know Brittney did not want to leave. The church service on Sunday was great too. I think everyone that helped with SRU did a great job.

Region 6 is still selling raffle tickets for the painting to help raise money to donate a saddle at PDF. I meant to get a picture of it to put in here, but Brittney hasn't been able to stop moving long enough to snap the picture and upload it. You can definitely tell that the end of the year is here.

Well that's about it I guess. I'll talk to everyone next month!

I am very excited to have a good turnout of girls that are joining our Princess Program. I think this is a great opportunity for them to get to know each other and maybe want to run for our own association queen someday. If there is any girl that is still interested in being in the program please let me know ASAP. All forms must be turned into me by June 1st so that their sash will be ready for them at finals.

Come Join Us!!

District 2

Howdy Y'all from District 2,

We are off to a great start here in West Texas with our playday season in full swing. All we really need is some much needed rain. I would like to congratulate Delci and Sam Baeza on the birth of Teagan. He is currently fighting for his little life in the hospital. He was diagnosed with RSV, please pray for them.

If you didn't make it to SRU you missed out on a GREAT weekend. I personally donated my money all weekend but, I still had a great time seeing friends that I don't get to see very often. Friday night was the barrel race congratulations to those that won. Saturday found us up early for the Grand Entry and the Jackpot Playday. Let me just say I'm glad I'm not a Super Senior just yet, those folks mean some serious business. The food in the concession was great thank you to Kathy and Janice for all their hard work. Dinner was great it was served by the officers and made by Kathy and Janice except for the meat. WOW! What a spread. Then it was time for the real fun to begin. U.B. was the auctioneer for the night and, did a great job raising money for our Association. Queen Lauren had some great gifts in the raffle. I was lucky enough to win some horse treats. The dance was hosted by the Intermediates with DJ Wes picking the tunes. Way to go guys the dance was great. Breakfast was cooked and served by the officers. That's one of the only things I complained about all weekend is that when you travel with an officer your up with that officer. No sleeping in for me. The church service was good, it was led by some youth kids that are following what God wants them to do, great job guys. Then Sunday was the sorting. 25 teams showed up to play with the cattle. We decided to head home and not play. When we pulled into Seymour smoke was coming out from under the trailer. Great :-/ If you ever need tire work done in Seymour we know who to call. We were back on the road within an hour or so. Smooth sailing all the way home.

I would like to thank everyone that was involved in making SRU such a great and fun weekend for everyone there. I would also like to say to everyone that got sick after they got home. GET WELL SOON!!

Just remember PDF isn't that far away and if the competition is anywhere close to SRU I better get busy tuning my horses up.

Please if you can try to come join us for Blake's Benefit Playday April 30th.

Just remember life isn't about the breaths you take but, the moments that take your breath away.

Thank you to all that have frequented the Association website. As you have noticed, the website has been up-to-date with the latest information if it is known to me. I have worked to keep the calendar fresh and updated with the most relevant dates and information. You may have already noticed, but I am removing any completed month so when the calendar is opened, you will see what ever month is the most current. Not only am I performing this monthly update on the main calendar, but on the Association specific calendar, you will always find the current month and the upcoming month of events listed there.

As I mentioned in the previous article, I am still lacking information on several clubs and districts. If you know any of the needed information, please shoot me an email and I will get the website updated as soon as possible. It is my goal to provide you with the very best website in my means and any assistance achieving that goal is always very welcomed!

Remember, the Riders Roundup is now being posted on the website in two locations: There is a nifty link on the Home page of the website to the most current issue. Also, there is a "Publications" tab that contains links to the current year's Riders Roundup issues and also to the back issues of the Riders Roundup as far back as 2008. There are a few issues that were not supplied to me; however, if I have them, you will find a link to them there.

Any suggestions, comments or even criticism regarding the site are very welcome as I believe they are necessary to keep the website fresh and evolving. On most pages you will find a link to the Webmaster.

(aasprc@lubbocksaddleclub.org) I encourage you to utilize it to contact me and provide me with any information.

Until the next issue,

Lubbock Saddle Club

Hello from the members of the Lubbock Saddle Club!

The Lubbock Saddle Club started the month of April off with participation in the ABC Rodeo in Lubbock, Texas. We rode in the grand entry at each performance, Thursday, Friday and Saturday nights and the matinee on Saturday afternoon. We were honored when Queen Lauren showed on Saturday to represent the Association and ride the matinee grand entry! Lauren, you looked beautiful and as always, represented the Association in spectacular fashion! We wish you were able to have stayed a bit longer to eat and visit with us. Hopefully, you will be in our neck of the woods again this year and we will all get the opportunity to thank you for your presence and get to visit with you. Between the matinee and the evening performances on Saturday, we held our ABC Rodeo "tailgate" party. We ate beans, brisket, pulled pork, potato salad and all of the fixin's and dessert! Whew, our horses were wishin' we didn't eat, I'm sure!

Our April 9th playday was rescheduled to May 14th due to blowing dirt & high winds. So, the schedule for the month of May is turning out to be a very cram-packed month with lots and lots to do! April will be complete by the time you read this article, including Spring Round Up, the Blake Dunlap benefit playday hosted by Jackie Dunlap at the Lubbock Saddle Club arena. Then May blasts in:

May 7th – Lubbock Saddle Club – regular playday
May 8th – Mother's Day

May 14th – Lubbock Saddle Club – makeup playday
from April 9th and finally,
May 21st – District II playday hosted at the Lubbock
Saddle Club arena

May continues to be a full month considering we will have our baccalaureate ceremonies and graduation commencement ceremonies from colleges & universities and our local high schools throughout the month. (I know my "baby" senior graduates on May 27th! The last one!)

Looking forward, the Lubbock Saddle Club will begin preparations for the Summer Youth Series, each Friday night in June and the first four Friday nights in July, the O'Donnell Rodeo Parade and Grand Entry in July and the 4th Annual Hailey's Round-up! If you guys haven't had a chance to come out and playday with us, Hailey's Round-up (held this year on July 23rd) is the time to come! All proceeds from this playday are donated to the American Diabetes Association in honor of Hailey Burton.

Take a minute to look at the Schedule of Events page on the saddle club website: www.lubbocksaddleclub.org and see if you will be in town during one of our events! Again, the next Lubbock Saddle Club playday will be April 9th – books will open at 10:00 am and the rides will begin at 11:00 am. If you are around on a playday weekend, come on out and have fun in the dirt and sun with us!

Twin Mountain Riding Club

Happy belated Easter to everyone, hope all were able to spend time with family and friends.

We hunted Easter eggs here and I did not realize that the Easter bunny now days brings gold eggs with money in them. That did not happen when we were growing up.

The wild fires has subsided here in West Texas, but we have had several members displaced for a couple of days with their horses; moving them to the Coliseum for safety. The Brocks, Hubbards, Lees and Thomas all packed up and stayed a few days at the Coliseum. The Jones headed to Bowie for Spring Roundup.

We understand that they had a good turnout at Spring Roundup and they were able to make about \$1100.00 on the auction and everyone had a good time.

We would like to ask that you keep Alex Trowbridge in your prayers and thoughts at the passing of his dad Reed. They joined our club last year and we will miss Reed.

We also understand that Brittney Jones is out of the hospital and feeling much better. Get well soon Brittney.

We have our regular scheduled playday set up for April 30 with registering at 9:00 a.m. and riding at 10:00 a.m. We are trying a morning playday to try and be done before the it gets real hot.

Our playdays are getting bigger every month and we hope to continue to grow our club and support the AASP & RC even better.

We are finished with our district playdays for the year and I know that everyone is getting ready to go to Playday Finals this year. Twin Mountain will be represented very well by all of our great riders.

I decided when they asked me to do the reporting for Twin Mountain Riding Club this year to come up with some words of wisdom that all AASP & RC members can live by.

This month is as follows:

Layman's 10 Commandments

Someone has written these beautiful words. Must read and try to understand the deep meaning of it.

They are like the Ten Commandments to follow in life all the time.

- 1] Prayer is not a "spare wheel" that you pull out when in trouble, but it is a "steering wheel" that directs the right path throughout.
- 2] So a Car's WINDSHIELD is so large & the Rear view Mirror is so small? Because our PAST is not as important as our FUTURE, So, Look a head and Move on.
- 3] Friendship is like a BOOK. It takes few seconds to burn, but it takes years to write.
- 4] All things in life are temporary. If going well enjoy it, they will not last forever. If going wrong, don't worry, they can't last long either.
- 5] Old Friends are Gold! New Friends are Diamond! If you get a Diamond, don't forget the Gold! Because to hold a Diamond, you always need a Base of Gold!
- 6] Often when we lose hope and think this is the end, GOD smiles from above and says, "Relax, sweetheart, it's just a bend, not the end!
- 7] When GOD solves your problems, you have faith in HIS abilities; when GOD doesn't solve your problems HE has faith in your abilities.
- 8] A blind person asked *St. Anthony*: "Can there be anything worse than losing eye sight?" He replied: "Yes, losing your vision!"
- 9] When you pray for others, God listens to you and blesses them, and sometimes, when you are safe and happy, remember that someone has prayed for you.
- 10] WORRYING does not take away tomorrow's TROUBLES, it takes away today's PEACE.

Please everyone please PRAY for us here in West Texas for some much needed rain.

Hope everyone has a great month.

Our next club meeting will be May 3 and hope to have everyone present.

Take care and until next time.
