Howdy from Lubbock and West Texas,

Well we just finished PDF 2010, what a week! We were able to hold the Team Playday from SRU on Tuesday; God watered the arena for us on Monday. We had 13 teams competing; I was on the Raider's Raiders Team we placed 4<sup>th</sup>. Our riders were Deana Guthrie, Samantha Hernandez, Lari Garrett, Joanna Byrne, and finally I. Congratulations to all the winning teams. Thank you to the Jeter's and their club members for working with District 2 in the concession stand. Special thanks go out to Augie Noble and Ali Sanders for their help as well. Garland Hargis was also helping out. Donna Willis did a superb job all week long. Princess Lauren was even helping out on the window. BIG THANKS to Buster and Sarge for watering the arena for us before we got started on Saturday. Thank you to all from District 2 & 17 for working SAB and a SPECIAL THANKS to Parker Cantrell for driving the tractor all day on Saturday. Not to leave anyone out thank you to all that put in with us and worked. To ALL our hardworking officers and members for being at the grounds a week ahead of time to clean and prepare the grounds for PDF, ya'll deserve a round of applause. Thank you also to an unknown sponsor for providing propane to us at no charge for the last several years. For extra entertainment a newbie to finals, Lari Garrett from District 2 had the best bronc ride of the week. The judges scored her a 91 on the ride and a 10 on the dismount and landing. She only received a few bruises. Region 1 had very few members in attendance and riding, but we had a great showing with our members placing in the TOP 10. Congrats to SPW Boy Rhett Guthrie 8<sup>th</sup>, PW Girl Deanne Guthrie 4<sup>th</sup>, CW Natha Jo Arnold 4<sup>th</sup>, Granny 10<sup>th</sup>, this was Natha Jo's first finals, CM Ronnie Elrod 9<sup>th</sup> (finally).

We had riders that didn't place in the top ten but did have a good showing and that was Joanna Byrne and Lari Garrett. Great big thanks to Becky Rhodes on all of the awards this year. It was great to see the Past Presidents that were there for Friday night especially R.E. Myers. The has been Queens that were there as well. If you missed supper Friday night you missed a real treat, we had chuck wagon cooked steaks and all the fixins'. Thank you to Jeter Three for cooking for us. By the way, G Montgomery, I'm still wearing pink.

We are still playing up here in West Texas. Up coming is Hailey's Roundup on July 17<sup>th</sup> at the LSC arena, come support the American Diabetes Association, and enjoy some West TX hospitality. We are still having District 2 playdays we have three left June 27<sup>th</sup>, July 25<sup>th</sup>, and August 22<sup>nd</sup>. LSC has started there Friday night Youth Series, which I hear is going well. WTR playdays will begin in July on the 2<sup>nd</sup> Sunday of the month till December we will be having them at the Forgotten West Riders arena. This may be the next new club to the Assoc.

Don't forget the 50/50 will be coming up soon on July 31<sup>st</sup>, hope to see everyone. My partner in crime will be there so ya'll watch out.

Until we meet again  
God Bless You  
Happy Trails

Hello all, from Region 2,

Whew!!! Another Finals in the bag. Many congrats to all the winners. June has got to be the busiest month for us. We had a Region Fundraiser at the house right before Finals. We trail rode, cooked out and the kids and I had a blast swimming the horses in our pond.

The team playday was so much fun. I'd like to see us kick off Finals like that again. It was great rooting for each other and the other teams. Our team "The Trouble Makers" won! Raley Brown, Augie Nobile, Corey Waggoner, myself, and Gary Montgomery made a great team.

We are still in Summer league volleyball and we have Jim Bowie Days all this week. I'm looking forward to the Region Princesses coming to stay and borrow a horse and ride in it with us.

As if that is not enough to fill our plates, by the time this goes to print Mike and I will be married and we will have gone on vacation with our girls!

Sooooo, have a great summer and see you all down the road.

Charmie Beemer, Region 2 Vice President

Having fun swimming horses at Mike and Charmie's before Finals.

I hope everyone has recovered from finals. I know it is one of the best one I have been to in a while. I know it had to be the largest dinner and dance I have ever seen. It was so nice to see the fellowship of everyone.

On Tuesday I had my maiden voyage of hauling the horses with our new (to us) truck and trailer on my own. I had really only done it with the half ton truck I used to have and my two horse trailer so I was to say the least nervous. However when I got to Bowie (with my parents one in front of me one behind me from Sanger to Bowie "hey it still counts", I did get from Celina to Sanger on my own) I was very proud of myself. We got there and got the horses all settled in for the week. Then I had to head to Wal-Mart for drinks and stuff. I should have just taken out stock in Gatorade for the week. Tuesday night Eric and I went to the arena and watched the flag retirement ceremony. That was a very moving experience. I had never seen it done before. You can't help but get tears in your eyes when you are standing next to a U.S. Veteran and he happens to be your husband.

Wednesday morning started with introductions and my Mom #2 Diane Johnson did a great job with that as usual. I would also like to wish her a happy belated birthday on June 25<sup>th</sup>. My horse TJ is calm in everything he does but Grand Entry is always a fight. He is not a huge fan of flags or the music but we made it. Then it was time for the competition to begin. Although I had way more fun when my mom and I were both seniors but I still like to watch her ride and she and Bouncer did great all week. Congratulations on her getting reserve high point in her class. Eric did very well as well for only his second playday finals and a horse change on Wednesday morning. I know I was entertaining those around me when I was yelling at him what to do, LOL!!!

The dance on Friday night was huge. Eric told me he was SO glad I was officer and we ate first because he was hungry and the line was LONG. The steaks were good and I heard the peach crisp was too as my husband ate his and mine since I am not a cobbler person.

I was very honored that Donna asked me to introduce my fellow past queen's that were in attendance even though Kim Elliott told me that just because I knew everyone's year it was not necessary! It was good to see my good friend and past queen Angel Roberts. I wish I had been able to talk to her more.

Saturday it was time to go home and boy was I ready. There is nothing like your own bed. I was thinking on the way home how times had changed. I remember when I was a kid begging my family for us to stay over until Sunday, I guess age will do that to you. On the way home I was following Eric in my car and he was pulling the horses. I saw something on the tire. I was really hoping it was Bowie sand. We were on 380 about 13 miles from home and all the tread came off. I passed by and saw the tire was still holding air and called Eric on the phone and told him he had lost tread on a tire (which he didn't feel) but it was still holding air and to keep driving! We got home all in one piece.

I am not sure that I am yet to recover but all in all it was a good finals. We are so thankful that Shelby and Ted Eberly and Gene Spurgin are doing ok. My hat is off to Donna and Renee for all the work that they did for finals and last I heard Renee was still in Bowie! You are a trooper my friend. Thanks to Connie Ivins, Dean Winters, and Kevon Theall for serving and Region 5 rules committee members. Also thank you Parker Cantrell for the wonderful job he did dragging the arenas! I think we have another Hap Hebb on our hand. Those that know who I am talking about will get a laugh.

I heard a sermon at church the other day by my favorite preacher. He is our kind of people. My father-in-law says you could put him in an Armani suit and he would still look like the garbage collector. The subject was that we all have a role and a purpose in life and really the only choice that is up to us is whether we are going to accept the job. Now I am in no way comparing the Kingdom to the association, trust me God always wins. What I was thinking about

though is that we all have a role. For instance you could not melt and pour my mother in an officer's vest but if you know her and know her voice that carries for miles you know what a model of sportsmanship she is. I notice at finals a lot of people took issue with the way things were done but they never bothered to step up and help. This association would continue to grow if we would step up and take on a positive role to improve things and I challenge everyone to do that.

On a final note I have to send a message to Mrs. Nancy Blackstock. We sure did miss you and Okie. There wasn't a time when my mom finished riding that she didn't say "I miss my friend Nancy". Your sportsmanship and encouragement was definitely missed by the Super Senior Women.

Until Next Month,  
Summer Savage, Region 5 Vice President

## **Region 6**

Hello again from West Texas,

Well it's been a very busy month. We started the month by going to a family reunion. It was really nice to see my relatives. Then it was time to start getting ready for playday finals.

We left for finals on the 12th headed up to Bowie so that we could get settled in and ready. On Sunday and Monday I helped Donna and Renee do some last minute touch ups around the arenas. On Tuesday, we had the Spring Round-up team playday and the Flag Retirement Ceremony. Both went very well. And a special thanks to all the kids that helped with the Ceremony. Ya'll did wonderful with only two practices. Thanks KD for taking care of the practices. I also want to thank Renee Miller for her suggestion to Donna to have a Cowboy Church service on Tuesday night.

Wednesday is when all the fun began. My district worked the Flying W on Wednesday and the first concession shift on Thursday. They did a wonderful job of being where they were supposed to be, when they were supposed to be there. Thanks Shannon for taking care of that. The dance Friday night was great. It was a lot of fun, and the food was amazing. We even had leftovers that Barbara and Brittney took back to the motel to have later.

I want to thank Donna and Renee for all the work they put into the arenas to make sure playday finals went off without a hitch. They did a wonderful job. A special thanks to Randy DeLaRosa for the work he did on the camper hookups and to Shannon for getting workers lined up to work when we had Flying W and the concession. Thanks to Stanley Mayfield for the use of his timer. Thanks to Sammy Blay for the great job he did as playday chairman.

Congratulations to all the winners. Just to brag a little bit, my district did very well in the high point placings. Congratulations to Allison Vaughn, Ruby Crocker, Anna Pickett and Delaney DeLaRosa for winning saddles. This was Allison and Anna's first year at finals and they both plan to be back next year.

Queen Joy, Princess Brittney and Princess Lauren did a wonderful job this week and looked really nice. Lastly, I want to thank everyone who came to finals, because without you finals probably wouldn't even happen.

Remember to get your articles in as soon as possible to steph09@zipnet.us. (I always have to say that whenever I get a chance.)

What I am really writing about is to say, that Playday Finals was one of the most smoothly ran that I have ever attended and I think the Dinner and Dance was the largest I have ever attended. With that many people (and there were hundreds there) the amount of trash on the grounds was out of this world. As we left to go home I took a gander at the largest dumpster you could possibly get and it was way over full. Then I took another look around the grounds and there were trash cans everywhere still not removed. PEOPLE as long as you are a member of the AASP&RC the grounds and arenas belong to you. Take care of it for your family members to enjoy for a long time coming. PICK UP YOUR TRASH IN YOUR AREAS!! My heartfelt gratitude goes to Renee for staying behind and continueing to work on. And to Donna for all the hours you spend on the grounds working to make our trips to Bowie a more enjoyable time.

The West Texas Extreme Riders had two new families in attendance this year for Finals and I believe they got to see us at our best and will return next year. It was so nice to spend all year bragging about a place to go and ride and be with your families and my expectations were up held.

Thanks bunches to everyone,  
Stephani
