Queen Ali Burks

Hello everyone

Since the last time I have been to the Andi's Benefit Barrel Race, a Lone Star Riding Club playday, and Spring Round Up. My family and I are always on the road.

At Andi's Benefit it was FREEZING but fun. Thank you U.B. and Lisa Herrington for letting my parents and I ride with you over there. It was nice to see every one. There were 69 riders, to include Princess Andrea, Jordan Lane, and Justin Winters.

The Lone Star Riding Club Playday was also cold. Princess Joy and I carried the flags for grand entry. She did great. Thank you for the support from you guys.

This past weekend was Spring Round Up. It started off very wet and misty. By the time we got to the second event it stopped misting and the sun came out. There were a lot of people there. Congratulations to all the winners. The dance was fun. Good job Joy and Andrea on the questions. Also good job Joy and Andrea on the auction and Joy's "DALA DALA DALA". You had to be there to get that. Thank you to my big brother for coming down to visit from college. I really missed him. At breakfast there were more people then I have seen there before. Thank you Charmie for getting us a place to trail ride. It was fun.

Executive Vice President Lisa Herrington

I want to thank everyone for coming out in March to the workday. We had many people show up, worked hard, and a lot of projects got done. We couldn't have done it without your help and it is very much appreciated!!!!

For those who didn't get a chance to come to Spring Roundup, you missed having a great time! The arena was soggy and muddy at first and it was a dreary morning with all the fog and mist in the air but it burned off and turned out nice. Michael Wheeler and Region 5 did a great job putting it on. The awards were great and congratulations to all the winners!!!! The dinner and dance was a blast! It looked like everyone was having a great time... including Dalton which is learning to dance at a early age, to Ali, Andrea and Joy auctioning off items, to all the participants that participated in the couple dance, I don't know what the name of it was, but that was a sight to see and to all the kids that weren't afraid to get out there and dance.

Just a reminder to fill out the form for the RV and Stall rentals for playday finals and get it sent in to the office after May 1st. The form is in this issue. Playday Finals is just around the corner and I hope everyone can attend. I know Queen Ali is cooking up a fundraiser that involves all the officers and chairpersons, so it should be an interesting week!!!

Until next time,
Lisa Herrington

As you can see I still have some open weekends. If you do not see your club on this list and would like me to come just let me know when and if the date is not already full I will be there.

Region 5 Princess Andrea Winters

Hi Everyone!

I could never have dreamed how much fun it is to have the honor of representing Region 5 as their Princess. Before I go any farther though, I'd like to thank a few people for all of their help and support this past month. Thank you Lewisville Saddle Club for my absolutely gorgeous belt buckle and banner! I had the privilege to attend their qualifying play day a few weeks ago. Just prior to the play day, they presented me with my buckle, banner, and a beautiful bouquet of flowers! Thank you so much!! We had a great time riding in your play day and getting to know everyone in your club a little better. I also want to say thank you to my Region VP, Summer Savage. You are doing an amazing job and thank you so much for helping me out with everything that I need. A big, "Thanks y'all!" to everyone who has purchased ads from me! Thank you also to Wagon Wheel Riding Club and to Gene Spurgin for all of your support and help that y'all have given me. And, finally, I'd like to thank my family. I couldn't do it without any of ya'll!! Well, I hope that everyone who attended Spring Round Up made it home safe and sound from Bowie. I also hope everyone had as much fun at Spring Round Up as I did. I had so much fun spending time with everyone. Although it started out a very wet weekend, that didn't stop us from riding and having a great time. Congratulations to everyone who won at the Buckle play day. Everyone did a great job. The dinner and dance Saturday night was so much fun. I had a lot of fun helping auction off a few of the items that night. What a surprise that we got to be the auctioneer for a little while! It was a lot of fun to get to dance and hangout with everyone that night. For those of you who weren't able to attend the trail ride, we started off with a nice little church service and then had a very nice, relaxing ride. It was a lot of fun to just be able to relax and talk with everyone. Thank you, Tommy for allowing my friend Tara to ride Dolly on the trail ride. She had a blast getting to go and ride with us and she's already talking about coming back with us to finals. Well, I hope to see everyone in about two months in Bowie again at Finals, if not before. I can't wait! We are going to have so much fun, just like we do every year! But before Finals something really great is happening! I'll be graduating in June! Graduation is just over a month away for me! There are so many wonderful things happening this year! Well I can't wait to see everyone again soon. If anyone has any events coming up, please let me know. I'd love to come out and ride with everyone. Thank you all again for supporting me as your Region 5 Princess!

Spring Roundup 2009

I would like to begin by congratulating all of the competitors who participated at Spring Roundup 2009. Despite the challenging weather conditions and the timer issues as a result, the day ended up being perfect and we had great competition. The ground got better as the day went on and so did the runs. All of the classes were very close and we even had some runoffs that were won by only a few hundredths difference, so it was very exciting. Everyone pitched in and worked which made the event go very smoothly. I have heard nothing but praise and I would like to thank everyone who pitched in and made the weekend a success. It could not have gone so well without all of the support from our members. Also, I would like to add a special thanks to Arnold Burks, K.D. Foltz, Charmie Beamer, Mr. Montgomery, Mrs. McEwen and Diane Johnson. Also, I can't leave out Sarge Mainville for manning the tractor driving duties for a good portion of the day. And so without further adieu, your 2009 Spring Roundup winners are as follows.

Region 2

Hello all from Reg 2,

We have had more excitement around here than we need, the fires wiped out lots of folks, many of whom we know. Our thoughts and prayers are with them. The fire also pretty much wiped out the ranch where we were going to have the spring round up trailride. I have contacted another ranch in the area that will be a great place to ride as well.

We Finally got to have a dristrict playday last weekend, however we had to cut it short because of the rain and lightning. We need rain so bad that I don't think anyone cared. We're looking forward to a busy month coming up. We have a Montague County 4-H fundraiser playday on May 3, another dristrict playday on the 9th, then the district/reg.2 buckle playday on the 23rd.

See you all soon down the road,

Charmie Beemer Reg.2

Region 3

Howdy from Region III

I would like to start off by saying that for those of you that missed Spring Roundup, you missed a really great time. The weather was iffy and the arena a bit sloppy on Saturday morning, but with a bit of a delay and help from the horses to dry out the arena, it turned out good and fast and we had a great buckle show. I saw some fantastic runs (and some kiddos that have really shot up over the winter months!!). The dinner and dance on Saturday night was such a blast. Little did I know that we have some budding auctioneers in our Association. U.B. better watch out or I know some young ladies that might just take over his job...right Joy –hey dolla dolla – hey dolla dolla!!!!

The weekend was a huge success and I believe a good time was had by all. Michael Wheeler and Region 5 did a fantastic job in organizing and running the event and my hat is off to them for their efforts. Congratulations to all the winners.

Our Region III Fundraiser was successful as well. The crowd was a bit light as there were other events that had been scheduled on the same day, but those that attended had a good time and now have qualified runs in the books for Finals qualifications. We are hoping to donate towards the awards for Finals with proceeds from this event. A HUGE thanks to Brian Maxwell and Denton Roundup Club for the use of the arena and for their coming out to work and help us with this event. Your efforts are appreciated more than you know. We surely couldn't have done this without your help and support.

We have playdays scheduled pretty much every weekend going forward into the summer. Please mark your calendars for Memorial Day weekend to attend the Weatherford Comancheros Saddle Show. This is an annual event and a Memorial Day tradition and we sure hope to see everyone there for this function. The Comancheros put on a great show and it's a lot of fun. Please make plans to come out and enjoy the day – always great fun and competition.

On another note, I would like to urge clubs and districts to submit articles to the Rider's Roundup each month. We need to try to build up our monthly publication and make it much more enjoyable and informative. I certainly enjoy knowing what is going on in other parts of the Association and it seems that in the last few years, fewer and fewer clubs are submitting information. I know it takes a few minutes to sit down and write an article to send in, but please take the time to do this for your friends in the Association to let us know what you and your clubs have been up to. I know Stephanie is working very hard to make it bigger and better and we all need to assist her in every way we can. It might be something that you can ask some of the young people in your club to do...I have found that some of our Intermediates and Juniors are quite the authors and do a wonderful job writing articles for submission. Let's just try to add to our publication so all might enjoy it more.

I know that there has been a question regarding "Letters to the Editor" and think that if we build the Rider's Roundup up with articles about what is going on at the clubs and districts around the Association, there would be room to add a "Letters to the Editor" section where people can voice their opinions and ideas in order to address issues that might be up for discussion at Convention in October. So PLEASE take the time and make the effort to just let us know what's going on in your part of the state!! Inquiring minds want to know.....

One last note – remember that it's only a couple of months now before Finals. You can reserve stalls and camper hookups starting May 1 (nothing postmarked BEFORE May 1 please). We are hoping to have a HUGE turnout for Finals this year, so make sure that you get those requests in early to make sure you get the spaces. You will register and sign up for the events with your District secretary, so make sure that you get those qualified rides in and your entries in on time. Finals is our biggest event of the year and it's a wonderful week of good friends, fast times, dust, kids, laughter and jokes – you can't wait to get a shower and sleep in your own bed when it's over, but by the following Monday, you are already looking forward to next year!!!

Well, I better close for now. Hope to see you all down the road. Be safe –

Donna Leipsic

Hello All,

We have been really busy in Region 5 lately. On March 21st we had the association workday and our project in Region 5 was to replace the siding on the concession stand. I would like to thank first of all my Pawpaw, Gene Montgomery he worked ahead of us a little during the week before and got all the materials. He also went up this past week and painted the newly sided concession stand. I would also like to thank, Kevon Theall, Michael Wheeler, Suzanne Wilson, Connie Ivins, Chris, Lynn, and Shea Cox, Debbie McLeroy, Diane Johnson, Bobbie Montgomery and my husband, Eric Savage who has jumped into the Association with both feet, for coming to help. Although all us girls could really do was clean up which I must say we did really well...haha. Even though we were working it was good to spend my birthday with family and friends.

On April 4 we had a playday at Lewisville that everyone also used to qualify for playday finals. We were there a long time but minus a few minor spills it was a fun day. The highlight was that our Region 5 Princess, Andrea Winters and her family came to ride with us. I was able to present her with her banner, hat band, some flowers, and her beautiful Bob Berg belt buckle that was purchased for her by the Lewisville Saddle Club. I am so glad I belong to such a good club that is willing to help with these kinds of things. I also would like to thank Morgan Johnson for letting me borrow her horse "Cooper" to finish the day after my horse "TJ" had to go home a little early.

The past weekend was the first function of the year Spring Round-Up. I cannot thank our Spring Round-Up Chairperson, Michael Wheeler and our AASP&RC Secretary Diane Johnson enough for all the work they put in to make this a success. When I asked Michael to take the position of Spring Round-Up Chairperson he wasn't real sure if he wanted to or not but I assured him it was way easier than the rodeo we have at Lewisville Saddle Club have on Labor Day weekend. Even though he had never done it before I think he handled it like he has been doing it for years. Diane kept on top of the awards and got us beautiful Bob Berg buckles, bronc halter, and boots. She took care of the books, sign ups, and took care of the grand entry and introductions. I would also like to thank my grandparents, Gene and Bobbie Montgomery for securing the catering and the VFW Hall in Bowie. Thanks also to Kathy Wheeler (Michael's mom), of course we just call her Queen for keeping times for us all day. I worry about things just because that is my personality but I didn't HAVE to worry about anything because all of the people involved worked so hard Thank you to all who helped on in working the playday, came to ride, or enjoyed the really good food.

The dinner and dance was a lot of fun and a big thanks to Arnold Burks for providing the music. I have never laughed so hard in my life than I did at the pose dance. There were some pictures taken that could be used as black mail at a later date. Our own Region 5 Princess, Andrea Winters won the 10 dollar prize at the end. Thanks to everyone who stayed with us and helped clean up the VFW hall especially to Queen Ali, and Princesses Andrea and Joy. It was so funny watching Eric teach them to mop like they do on the aircraft carriers in the Navy. It was most definitely a photo opportunity and I hope we see it in a scrapbook at convention.

I would like to also thank all who brought items for the auction. The auction made 509.60 for the association. Thanks to U.B. Herrington for handling the auctioneering duties. I certainly hope Faith enjoys her bears too! I was also able to buy a crocheted blanket donated by Wathenia Lampier that is very special to me. Thanks to K.D. Foltz for handling the Queen's breakfast at the Armadillo Grill and to Region 2 Vice President Charmie Beamer for taking care of the church service and Trail Ride. If you have known me for more than hour you know I don't trail ride, just ask Billy Privett or Al Taylor...haha. Thanks again to all who came to make Spring Round-Up such a success. Congratulations to all the winners in the buckle show.

**Until Next Time,
Summer Savage
Region 5, Vice President**

Region 5

Concession Stand Face-Lift Project

Several members of Region 5 turned out to do a face-lift on the Concession Stand on March 21st. Those who were there were: Gene Montgomery (lead man), Mike Wheeler, Eric Savage, Kevin Theall, Suzanne Wilson, Summer Savage (Region 5 V.P.), Connie Ivins, Debbie McLeroy, Lynn & Chris Cox, and Shea Cox. Gene Montgomery started laying out the project on Thursday by gathering materials at the best prices he could find, and loading tools and equipment that would be needed on his trailer. Then on Friday he delivered the materials to Bowie, and enlisted the help of his good friend, Birk Hendrix, to begin tearing off the old siding. Saturday morning saw him picking up a trailer from the Hendrix ranch to put the trash on, and meeting with the crew at the Concession Stand. The ladies began by putting up the plastic insulation on the back, while the guys took out the old windows, and started installing the new ones on the front. Diana Johnson asked them why they put it on upside down...haha. The work continued until a lunch break, and some had to interrupt their work for a time, while the rest worked on. Those who had to be away then came back, and doubled their efforts, so that by evening all the material was up. The gals picked up the trash and put it on the trailer, and swept and it looked great when we left. This was a very efficient crew, and they worked with cooperation, and comraderie, and had a great time doing it. With a great feeling of satisfaction of a job well done, some of us stopped at Catfish O'Harlies and helped Summer celebrate her birthday, which she gave up to be at Bowie. The waitresses even sang Happy Birthday to her, and presented her with a pecan cobbler with a candle!

A few trim boards needed to be acquired and installed, and that was done on Wednesday, the 25th by Gene and Don & Jack McEwen. They then took the trash to the dump, and Gene returned the trailer, and we celebrated with a Mexican Dinner with the Hendrix's. The paint will come later, but we hope that it will be done by the time our Region hosts Spring Roundup. Hope to see you all there, and take a look at the work these guys and gals did!!

**Lookin'
Good!!**

Region 6

Howdy from Region 6!

Well playday season is in full bloom, it seems like every weekend I have a playday to go to. On April 18-19 I traveled to Bowie to ride in Spring Roundup. I had a blast, it was good to see everyone again. Even though I didn't place and got my butt kicked by my daughter I couldn't imagine a better way to spend my weekend. On Saturday night at the dance I had a ball watching everyone dance. Even I got dragged onto the dance floor by my daughter.

On Sunday we went to the Queen's Breakfast at the Armadillo Grill and then we drove up the road to a beautiful ranch and had Cowboy Church. After Cowboy Church Charmie led the way and we went on a trail ride, I enjoyed talking to everyone and watching some of the kids play tag on their horses. All in all it was a wonderful weekend, no one got hurt and everyone seemed to enjoy themselves.

On April 25-26 I will be attending the District 5 playday here in San Angelo. Hopefully it will be a nice weekend, and not too cold. I am happy that the Queen and her family will be coming down to join us. I am looking forward to making a trip to Brushy Creek on May 9 to ride with them.

Well that's all for now,

LEWISVILLE SADDLE CLUB

Hello, from LSC!

Our year so far has been pretty busy. We had an awesome response to our Benefit Playday, and raised a good amount for the Geis family. Our membership, warm up, free playday brought out a good crowd, too. We handed out a bunch of free hotdogs and drinks that day! We have completed our second point playday with a record number of contestants. One was over 72! Treasurer, Suzanne Wilson, received a stack of new member applications, we are growing!

We were honored with a visit from our Region 5 Princess, Andrea Winters and her family at our April 5th playday. Since they are members of a newly formed club in our Region, who have not gotten all the kinks straightened for an arena, our Officers and directors, in a spirit of cooperation and friendship, arranged for them all to be qualified for Playday Finals along with the rest of our district that day. Our Region V.P., Summer Savage presented Andrea with her hatband, sash, and belt buckle, along with a lovely bouquet of flowers. We are very proud of Andrea!

Several of our members have been up to Bowie, and have the concession stand facelift almost completed at this time of writing. Gene with the help of Don McEwen did all the caulking, and the painting should be done this week, so that it will be ready for Spring Roundup. Our Region is hosting it this year, and we are looking forward to it. Since articles are not due until the Monday after the SRU, and I am starting this article a little early, I will most likely have a report at the end of this article.

With my age, and several health problems plaguing me for the past few of years, I am relegated to spectator and on-looker, and sometimes photographer. Of course, at age 76, I can't expect to have the health that I used to enjoy. That being said, I have decided to write articles for the RR, whenever I can. I am glad that Stephanie has stepped up to keep the RR going. I know she will do a good job!

Devotional for the day: Philippians, chapter 2, verses 2 & 3. And may God bless us all in these difficult times.

P.S. The painting is done, and the facelift completed. New siding, new windows, and painted. There is more that can be done by scraping & painting the eating area overhang, so if anyone finds time to do that, it would look really good! We took a trip to Bowie on April 14 and took some pictures, and had lunch with the Hendrix & Ivins. We also visited with several of our friends while there, and learned of some of the devastation that the fires left. One friend lost everything, and our hearts go out to her, and everyone who suffered losses during this tragedy.

Howdy,

We have been really busy since our last newsletter. So much to do so little time. We have continued our year long re-construction of the Concho Foundation Arena. Its been a long process but looks fabulous compared to what it originally looked like. We will be hosting our second set of our District playdays this weekend, April 25th-26th. We look forward to seeing the rest of District V, Hawley Saddle Club, Taylor County Sheriffs Posse, and West Texas Extreme Riders. We are ready for a full weekend of great food, jokes, and laughs that always come with our district playdays. We had Buster, Barbara, and Brittney represent our club at the AASP&RC Spring Roundup this past weekend. They had a blast.

Happy Trails for Twin Mountain Riding Club.

Just a note from the office:

I am working on getting the roster completely updated, however, several membership applications came in with only names and a signature. Lots of addresses were left off, emails, phone numbers, etc.

To get the Riders Roundup emailed to you, it is imperative that we have a good email address for each and every one of you. When you have time, please just send me a quick email with your name, address and of course, your email address on it. If I get duplicates, I will weed through those, but this is the best way I can think of to obtain those, short of sending out a letter to everyone.

Thanks for the help.

WORKING FOR US!

We are back from Spring Round Up and the girls did a wonderful job! Money for ads was flying in. We kept Treasurer Diana Higgins quiet busy. I haven't got a total for you yet but Princess Andrea is still in the lead. I do know that the girls have brought in over \$2000.

MEMO

FOR: AASP&RC Membership

FROM: Diana L. Higgins, Treasurer

DATE: April 10, 2009

SUBJECT: October 2008 thru February 2009 Corrected Financial Statements

As promised I have attached the corrected financial statements from October 2008 through February 2009. In addition, I have included the March 2009 statement. I have consulted with a co-worker that spent several years as a CPA for a local accounting firm. In addition, she was QuickBooks certified and worked with many small businesses and non-profit organizations learning QuickBooks.

I would like to take this opportunity to apologize if my outburst during the last executive meeting offended anyone. I was able to keep control as long as the accusations were kept impersonal and related to the mistakes that I had made. When I felt that it became personal, I lost my cool and I am sincerely sorry if I offended anyone in the room.

While I realize that I have Association members that question my ability and performance to date as Treasurer, I am confident that now after receiving training from a certified professional in Quickbooks who is also a CPA, and after hearing some of your concerns and preferred posting methods, and finally after getting all of the necessary statements to do the job correctly, I have a handle on Association financial matters and look forward to regaining your trust and confidence.”
