Who passed away April 27, 2011*

Funeral services for Carolyn Garrett Davis will be at 11 a.m. Saturday at Broadway Church of Christ with Dr. Joe R. Barnett officiating. Burial will follow at Resthaven Memorial Park. A visitation will be this evening from 5:30 to 7 p.m. at Rix Funeral Directors.

On July 1, 1955, she married her high school sweetheart, Weldon M. Garrett. They celebrated 41 years of marriage before his death on Nov. 30, 1996. Carolyn was fortunate enough to find love again, marrying Mike Davis on February 14th of this year.

Carolyn worked for many years at the Lubbock State School as the Director of Vocational Services. In this role she procured contracts and coordinated supported employment services for the individuals at the State School.

Carolyn was known for her many talents and her excellence in everything she did including, but certainly not limited to singing, sewing, cooking, gardening and crafting. She was a devoted wife, loving mother and a doting grandmother, known by many as "GG," always in attendance at her grandchildren's events.

Carolyn held a deep faith in her Lord and Savior. She was a member of Broadway Church of Christ for over 50 years, where she volunteered in many capacities. She and Mike were members of the Anchors Bible Class. She was a founding member of the Hallelujah Chorus.

Carolyn is survived by her husband, Mike; a sister, Martha Franklin; sister-in-law, Verlene Avant, all of Lubbock; her son, Greg Garrett and wife Nancy of Lubbock; her daughter, Gena Lott and husband Jeff of Post; daughters-in-law, Amy Hoffpauir and husband Bill, Amanda Prince and Amber Gillespie, all of Lubbock; and grandchildren, Jett Lott and wife Jaycee, Janee Kitchens and husband Keenan, Houston Garrett, Hope Garrett, Austin Hoffpauir, Kaitlyn Hoffpauir, Tyler Gillespie, Abbey Davis, Landry Davis and Lilly Prince.

The family is very appreciative of the prayers and support they have received from her many friends. Memorials may be made to the Children's Home of Lubbock or Pathway Evangelism, c/o Joe R. Barnett, 14500 Cutten Rd# 13102, Houston, TX 77069. To leave online condolences, please visit [www.rixfd.com](http://www.rixfd.com).

# Sympathy

Travis J. Crisp, 76, of San Angelo, Texas, went home to be with his Lord and Savior on Sunday, April 10, 2011.

Travis was born Oct. 21, 1934, in Merkel, Texas, to Leonard and Annie Crisp. He grew up in Menard, Texas, and graduated from Menard High School. While at Menard High School, Travis met the love of his life, Nancy Moore, and after high school they were married. Following their marriage they lived in Arlington, Texas, where Travis worked for General Motors. The old saying you can take the boy out of the country, but you can't take the country out of the boy, held true for Travis and he and Nancy moved back to West Texas and located in San Angelo where Travis worked as a deputy sheriff for the Tom Green County Sheriff's Department before completing a 30-year career with Goodyear in 1997. Travis was preceded in death by his parents; an infant brother, Wayne Crisp; and his beloved sister-in-law, Carole Crisp. He is survived by his wife, Nancy, and would have been married 56 years on this April 16; daughter Renee Butts and husband Ted; grandson Trevor Butts of College Station and Courtney Butts of San Angelo; brother Gerald Crisp; niece Rebecca Buck and husband Fred; and nephew Mark Crisp and wife Carrie. Also, numerous cousins, great-nieces and nephews. In lieu of flowers donations may be made to The University of Texas MD Anderson Cancer Center, P.O. Box 4464, Houston, Texas 77210-4464; or to a charity of the donor's choice. "Words cannot describe how much I miss you Daddy, but I thank God every day for putting you in my life and allowing me to have such a wonderful earthly father that loved me unconditionally and was always there for me when I needed him. There will be days my heart will want to break, but I will focus on the day I will see you again in heaven and what a wonderful time that will be." - 1Corinthians 15:55-57

**Hey Everyone-**

Well what an **AWESOME** month this past one has been!! Besides the fires, tornados, and never ending rain, wind, and hail. My month started out with a quick trip to Lubbock, TX for the ABC Rodeo. Thank you to everyone who invited me and hosted me, I had a wonderful time! I hope to see that group at Playday Finals and if not, I will be at Hailey's Round Up for sure!

After I came home from Lubbock, I made an appearance at our last district playday and, as always, had a blast! I had a great time and am excited to see that entire group of people at Playday Finals; hopefully we will take home some saddles this year! We got some rock stars coming up and I am excited to see them compete this year!

The next event I attended was Spring Round Up and we had a great turnout! I had a wonderful time and I think everyone who did come had a wonderful time too. I know we made lots of money, so thank you to everyone who came and played. There are like a **MILLION** people to thank that made Spring Round Up what it was. This huge list consists of the Moody Family, Charmie and Mike Sanders, Lisa and U.B. Herrington, The Whatley family, all the region VP's, Renee and DeAnn Guthrie, Peggy and her family, Janice and Leo, Parker and Garland Cantrell, Misty Martin and that entire family and I am sure I am missing someone. But overall, **THANK YOU** to everyone who came and played and worked.

This month I also got the opportunity to attend the Chisholm Challenge in Joshua, TX. This is the second year I have got to attend this event and every year it seems to get better. If you have not had a chance to go to this event, mark it down for next year. It is awesome and a benefit for a great cause!

My thoughts and prayers are with the Garrett family as they lost Carolyn, although I did not have the privilege of knowing her; I understand she was an amazing woman inside and out. Also my prayers are with Renee and her family as they recently lost her sweet Virgil and her nephew is fighting cancer. I encourage everyone to keep their faith in God and trust that all will work out.

The next couple of months are **PACKED** with events and I am super excited! I will be playdaying with Pleasant Grove Cowboy Church the first weekend in May and then the next weekend I will be in Georgetown for Miss Addie's famous royalty playday. I am so excited for this next month and June to be here, it is going to be lots of **FUN**!

In a few weeks, look for a special edition Rider's Roundup to tell you about playday finals and all the extra fun events we will be doing!! Speaking of Playday Finals, make sure you order your shirts!!! The order forms are available in here or email me or Misty Martin and we will get you what you need! Make sure you get a shirt, we will **NOT** sell them at Playday Finals!! **SO BUY THEM NOW!!!**

Well I hope to see everyone soon!  
**Ride Hard and Be Safe!!!**

Hey Y'all!

Spring Roundup is now a happy memory as it has come and gone. Hope everyone got to win a little \$\$\$ back at one of the three Jackpot events over the weekend. Also hope that it was easier and more fun to play with the Playday changes! Wes Moody is a **GREAT Spring Roundup Chairperson!!!** You have NO idea how much I did NOT help him and how much he took care of by keeping everything running so smoothly! Wes, you are my HERO! Thanks so much for a job WELL done! I also want to thank Wes and Wayne for taking care of the SRU Dance. I've heard a LOT of really nice feedback on the dance and with the collection for helping get the new speaker, we are "set" for all future dances! I would also like to THANK U.B. Herrington for taking care of the Live Auction at SRU! Although he was having "lost voice" issues, haha, he was able to get a good amount of us to let go of all our pocket money....and then some! So SORRY for ALL of you that contracted the Killer Virus that seems to have wiped out most of us that attended SRU! This was certainly NOT on the schedule of events! I've heard some pretty scary stories from those that were deathly ill! Whew....we don't want to revisit that again....EVER!!!

Texas Smoking Guns was out at the grounds two weekends prior to SRU and they had a GREAT time and are planning on a return visit in July. THANK YOU's are in order to Mike Sanders and Cal Bowman for coming out and getting the arena ready for them! Mike was a HUGE help with the water truck the entire weekend. Kathy Whatley and Charmie Sanders were able to take care of getting these nice people settled into RV spots, stalls and collecting their fees. It is my understanding that Parker Cantrell can cook a pretty mean burger on the grill; however, I don't think he's ready to give up dragging for grilling burgers quite yet! Glen Nobile wanted to grab a quick burger for lunch and finished out the day working in the Concession Stand. In fact, Glen came out again on the second day to help with the lunch rush. What would we ever do without Mr. Nobile! BIG THANKS to these volunteers jumping in to the rescue! Due to their generous efforts, I actually did not feel the necessity to make a trip down in order for everything to run smoothly. Special Thanks to Garland Hargis for coming over with his own equipment to spray weeds and get some mowing done. Hopefully, Garland has put a bit of a damper on the stickers for us! The Bowie (*District 31*) bunch and a few others took hold of the reins and took care of EVERYTHING! My HEROS!

The next weekend we held another Second Sunday Barrel Race and I do believe things went quite well! Participation was down due to other barrel races in the vicinity that conflict with ours. Misty Martin as Special Events Chair has certainly taken her job SERIOUSLY and come through EVERY time with flying colors!

Misty is surely a hero of mine! However, due to the fact that Misty has had a difficult time getting enough volunteers to help put on these barrel races and the low participation (*even with added money offered*) we have decided to cancel further barrel races scheduled for the second Sunday's of each month. We have also decided that the Ranch Rodeo is completely cost prohibitive and therefore has also been canceled. Discussion was had by Misty and the Officers to possibly exchange Ranch Sortings (like the one held during SRU) for the Second Sunday Barrel Races, but due to lack of cattle at affordable rates, those will not be a possibility either. We are trying to get a Ranch Sorting put together for June 12th, but do not have all the bugs worked out at this time. We will know more by the next printing of the Rider's Roundup and you are always encouraged to check for updates on the website.

Prior to SRU, there were just so many problems and complaints about filling teams for the Team Playday that we (*the Officers*) felt it would make a larger amount of people happier to do the Jackpot Playday. *I do believe it was the better choice in the end. This didn't come without a few bumps and impositions.* Lisa Herrington saved me and Wes many an hour of distress by helping format the Jackpot Playday, making flyers and figuring the payout schedules for all of the Jackpots for SRU. Lisa has been my saving grace more than a few times! Can't wait for you to see what she has planned for PDF awards where she will be showing off her budgeting expertise!

Stephani Foltz is a true Hero on my list. Stephani was moments away from having the Rider's Roundup put to bed and ready for printing (*when along with myself*) several of us were sending her articles, flyers, forms and pictures. Stephani handled this situation with her usual generosity and good nature; however, going forward, if you miss the deadline Stephani has set up in the current issue of the Rider's Roundup, consider it NOT going to be published! As most of us do, Stephani has a full schedule before adding the pressures of the Rider's Roundup and LAST minute additions. It is very cruel of us (*myself included*) to wait till the last minute and bombard her. She can NOT get the Rider's Roundup out on time when we wait till the last minute to give her material to work on. We ALL owe Stephani a greater level of respect and a greater amount of common courtesy!

Kathy Whatley has been a Super Busy Bee and she too is at the top of the Hero list. The weekend of TSG, she not only was shopping and pricing to get us the best products for the best prices for the Concession Stand, but she was running the Concession Stand, doing most of the cooking AND checking the Shooters in, showing them where their RV spots and stalls were, plus taking their money for us. At Spring Roundup, that WONDERFUL Dinner and FABULOUS Breakfast you enjoyed.....Kathy and Janice! We offered a tad of help, but this was mostly the two of them! Charmie Sanders cooked the huge pot of beans and Linda McCaig donated the pickles, peppers, onions and bread. HUGE Thanks to all these volunteers, but especially the two women of the Concession Stand! These two women are Super Women!!! I will be CRUSHED if and when Kathy learns that ugly "NO" word! She has been an absolute lifesaver!

Don and his crew, (I think I know who all is part of "the crew" and I'm cautioned that they wish to remain unnamed....but....I do want them to know how much I APPRECIATE their hard work and generosity!!!) have successfully repaired ALL the water leaks, reburied water lines and replaced a good amount of damaged pipes to get the water problems solved for us. Don has dug many a hole with nothing but his hands, back and a shovel! Big Thank You's to Billy Privett for bringing in his own heavy equipment to dig out trenches in order to rebury some uncovered water lines!

Don has been my "go to" person for everything at the grounds from the moment I stepped in and he has taken care of WAY more than any one person should have to. Isn't it marvelous to have someone that can devote so much time to us that cares so much! I don't believe a day has gone by that Don and/or his "Crew" has not been at the grounds taking care of one problem or another! Gene Montgomery now has the Concession Stand air conditioner and thermostat repaired so that come PDF, it will make for a wonderful haven to jump in there and lend a hand while trying to get some relief from Bowie's summer heat! Shhh!!!.....Don't tell Marie (or other wives)...."I Love You" Don (and "Crew") .....You are my HEROS!

Knowing that we have been a bit short on finances and knowing that we can NOT operate without our tractors, Glen Nobile stepped up and went to work! Glen has put in numerous hours, (after work hours); putting the tractors back together, back to running and in good shape. We still have a few tractor issues and both the tractors are still quite delicate to say the least. PLEASE, before jumping on either tractor and taking off, get with Glen to know the Do's and Don'ts of what these tractors can manage. At this time, it is my understanding that although still a bit fragile, they are certainly usable with the proper knowledge of the issues. Not only do we owe Glen our never ending gratitude, but a nice little chunk of change as well as he has taken care of what he could on the tractor bills until we can pay for the repairs. Glen has been AWESOME to this Association and to me! Glen doesn't say a whole lot, but I know how much time and effort he has put into taking care of us and is always on "standby" just in case we need help! I haven't been there to witness ALL that was done to accomplish the tractor repairs, but I do have a list of what was needed and all I can say is: "WOW!" Thank You Glen from the bottom of my heart! I've got special "eyes" out there that keep me posted on who is doing what for us and ALL these generous acts of kindness have NOT gone unnoticed....these efforts are absolutely AMAZING! You are ALL my HEROS!!!

Another GRAND gesture....As I'm sure you all know by now, we have been in desperate need of a riding lawn mower. BIG THANKS needs to go to Chris and Lynn Cox for their donation of a riding mower. They knew it needed a touch of TLC when they brought it on over and Cal Bowman has been on a mission to get it in PERFECT

running condition! Cal said this mower is GREAT with a tight motor and a 42" deck and should be "like new" in NO time! I have had to call on Cal numerous times for one thing or another and he jumps on everything I ask of him like a hungry Tiger! Thanks again to the ever longer list of Heroes!!!

Yes, I am still very much on my HERO kick and looks like I will be for quite some time to come! When thinking of taking on the JOB as President of the AASP&RC, it is a bit scary because you just never know how much (if any) help you will get. Let me tell you, since taking this Office, I have probably been as BLESSED as any before me! I only have to ask and volunteers come popping out of the woodwork for which I consider myself very lucky and extremely GRATEFUL!!! To ALL my HEROS: YOU ARE the GREATEST!!!

I could NOT make a move or a decision one without our group of Officers! These are our "SPECIAL" heroes! You name it, they are there for not only me but for every one of you and I am extremely GRATEFUL to each and every one of them! Peggy takes care of a lot more than you would ever be aware of and she does it faster than greased lightning! She makes me feel as if she's sitting on the phone waiting for my call! Charmie gets to deal with the worst of the worst, as living in Bowie, she has to pick up a LOT of slack when I can not be there and has not let me down once! She has saved me a considerable amount of driving hours and a tremendous amount of fuel. She has the BEST couch (I want to bring it home with me) to crash on for however many nights I decide to impose! Tommy must have a sixth sense because he calls every time I'm thinking I probably need some advice and is always RIGHT on the money! He's covered my backside by preventing grave errors on my part more than a few times! Summer and Donna R. are my sounding boards and my ventees! Without them, I would be a total MESS because I tend to freak out easily these days! They see molehills where I see mountains and they are always there with tremendous insight! Buster is one of the last of a kind, he pretty much takes care of ALL that no one else wants to take care of and always makes an appearance and lends some muscle and good old fashioned know how when needed. Ronnie is my "behind the scenes" go to guy and always seems to catch me before I boo-boo something up or questions EVERYTHING to the ends of the earth in order to keep me straightened out! Ronnie takes his job as "devil's advocate" quite seriously and I am certainly grateful! Wayne is just getting initiated to all the needs we expect him to step in and take care of.....I'm breaking him in HARD and FAST! Watch out and make sure we don't let him run off! His advice and knowledge of certain circumstances has been overwhelmingly invaluable to me! Sarge has been a little under the weather for a while now and I wish him the BEST with his under the weather issues! He's always ready to help out when he can and I do so appreciate that! Big Hugs and More Hugs to ALL of you! I could NOT function without you!!!

Until Next Month, May YOUR Arena ALWAYS be Too SMALL to Hold ALL Your FRIENDS!!!!!!

## Executive Vice President

Hello all,

Wow what a busy month, Dist.31 Playday, we had a beautiful day and a good crowd, I got this picture of Zippy at the playday with all the kids who were "borrowing" her for the day. I wonder sometimes if Zippy ever wonders when the supply of kids will ever end. About the time she thinks she's "retired" more kids show up. Quite a few intermediates were out though because of prom.

Spring volleyball league has started up so that has us running. Kids at school are insane, they can just smell the end of the school year. We had our Texas Day activities in Pre K, I take some horses and saddles, roping dummies, and we brand cardboard cows! Leo Cramer and my dad come every year to help me with this, I appreciate them so much for that, and it's a lot of work but so much fun.

Spring Roundup went off great, awesome weather for it this year. We did some new and different things that everyone enjoyed. We are on the road to recovery and things are looking great for the association. Finals are just around the corner I'm really looking forward to seeing you all there.

Charmie Sanders

Ex. Vice
