Help the Association and Your Pocketbook

With the nature of the economy as of late and everyone having to tighten their belts, it has become increasingly difficult for our average member to afford to continue to participate in all of activities. This affects the AASP&RC directly in many ways. When people cannot afford to come to Bowie, not only do they miss out on the fun, but the association does not collect their entry fees, registration fees and such revenue that allow us to continue to operate as a whole.

For several years, the Association has had an incentive program in place whereby you could ride for free at Playday Finals if you sold \$150 worth of ads in either the Rider's Round Up or the function programs. There have been some that have taken advantage of this program and it is not known if others knew it existed. By taking this idea and expanding it, the hope is that this will afford our members some assistance in helping to lessen the strain on their finances as well as add to the AASP&RC's bottom line! Understand that this is NOT a requirement as not everyone has the ability to sell ads. But for those that will put forth the time and yes the expense, that it takes to go out and sell ads, it will reward their efforts. And for some that are financially strained, participation in this program might allow them to participate in functions where they may not have the ability to do otherwise.

If you sell ads, you will earn credits to be applied to your Association fees (such as event fees, registration, stall rentals, membership, etc.) OR you may receive a prepaid Visa or Wal-Mart gift card OR a combination of both. The achievement levels are as follows:

- \$150 – free ride at finals (\$40 value)
- \$500 or a saddle donation – 4 free rides at playday finals or credit of \$125 for Association fees or \$125 Visa or Wal-Mart gift card or combination of card and credit for fees
- \$1000 - \$250 card, credit or combination of the two
- \$2000 - \$500 card, credit or combination of the two
- \$2500 - \$625 card, credit or combination of the two
- Platinum or Diamond Corporate Sponsorship - \$1000 card, credit or combination of the two

IN ADDITION, as an additional incentive, the family with the highest amount of ad sales will receive an additional \$100 card/credit and recognition at convention in October.

For example, John Doe, his wife, and two kids belong to the AASP&RC. John sells \$2000 in ads. He decides instead of having this all on a prepaid Visa card, he would rather the four of them all get free rides at Playday Finals (\$160 value), registration (\$40 value), 4 dinner tickets (\$40 value), their RV space for finals (\$60 value), and 4 stalls for the week (\$100 value). The rest he would like on a Visa card to help pay for gas, feed, and food for the week. He has earned \$500 for selling the ads. We give him credit for the entry fees, registrations, dinner tickets, RV space and stalls for a total of \$400 credit and then give him the remaining \$100 on a Visa or Wal-Mart card. He could also choose to hold the \$100 credit and apply it to convention.

This way if an individual or a family cannot afford to pay for the trip to Bowie to Playday Finals in the traditional way, they have the option to sell ads to pay for all or part of their participation in AASP&RC functions. This can be done for all functions, membership dues, and any other things we normally collect a fee for. The only thing we will NOT use this for would be charges at the concession stand to avoid the bookkeeping nightmare it could pose due to the amount of people that work in there over the course of the various functions.

Saddle donations will also be handled as a credit. When someone donates a saddle personally or goes out and gets a saddle donation from a business, it would be a credit of the cost of the saddle to their total ad sales. If this was the extent of their donation and their were no more ad sales, the credit would be worth the equivalent of 4 rides at Playday Finals (\$40 each for \$160) or a \$125 Visa/ Wal-Mart gift card. The only place this would not be credited is for a saddle donation from a club, district, or region will also not warrant signage at the grounds as an Ivory sponsor.

There is no limit on the amount of ad sales that a person can sell and no limit to the amount that a person or family can earn. The types of ads that are included are the function program ads that will run in all event program ads for the year, ads for the Rider's Round Up, signage for the arenas, and sale of corporate sponsorships. As you sell ads, send them in immediately so that they may be prepared for publication as soon as possible. If a receipt is requested, please contact the office and one will be provided.

Hey Y'all!

Well....remember how pretty and greening up the grounds were at Spring Roundup? NOT so much now! All that rain that had been so prevalent in March has dried up and BLOWN away! PLEASE pray for RAIN (actually a flood would be more appropriate between now and Finals!)!!!

I arrived on Thursday night for the Texas Smoking Guns shoot. Barn N is in the works and I know Slim and crew are trying to have it finished prior to Finals. This new barn will bring us 20 more stalls as these new stall owners will not need to be renting stalls from now on. Don has been very busy whipping things into shape for us. We've been extremely fortunate to have several members come up at the grounds helping get some long awaited chores done. Ronnie Maxwell has been working on all our welding needs and pipe replacement issues. Buster and some of his Region members came up and got some painting done. It looks pretty unnatural to see Announcer Stand #2 gleaming white instead of yucky peeling multicolor....hahaha!!! What Sharon and I started with painting the pavilion, Buster's crew got more done and if they'd known to allow more time in their trip, they could have done more, but it's looking GOOD! Junior, Billy and UB got Barn E completely painted and it looks SUPER!!!

Chris, Peggy, Don and Marie are bearing down on all the little things that need to be taken care of for us to have a GREAT Finals!!! Don, Billy, Ronnie M., Glynn and a few others plan to spend a lot of time working on odds and ends next week if anyone wants to come up and join in the FUN! The kids and I are going to hang out up here till Finals and see if we can get in

these guys' way and see how much paint we can get on as many things as we can!

I want to THANK Marie, Don, Buster, Barbara, Brittney, Billy, Darryl and Sylvia for ALL their help with the Shoot!!! I also want to THANK LaDonna Mild for putting up with a lot of our "junk" during a very difficult time in her life as she recently suffered the unexpected loss of her Mother. And we ALL owe Ms. Peggy a HUGE THANKS for her superior organizational skills and being a Master Puzzle solver!!!

See Y'all at Finals.....Drive Safe and don't forget about those Rain Prayers!!!!

May Your Arena ALWAYS Be Too Small to Hold ALL Your Friends!

Howdy from West Texas and Lubbock,

Article Continued from last month:

I have one question to ask we are coming in to finals and only TWO saddles have been donated. Where is all the support of the members, clubs, districts, and regions this year for awards? Last year we only gave 1st thru 6th and there were complaints. This year our association is still struggling financially and where is the support and help.

I would like to say thank you to NAPA of Lubbock for sponsoring the saddle for the 5 and under stick horse barrel race.

Thank you also to
Donna & Doyle Willis
for sponsoring the buckle.

The barrel race will be Wednesday night.

Hope all the kiddos have their stick horses in shape and ready to run.

I hope everyone has a good time at finals. Region 1 will have Region 1 VP election at the Aug 14, 2012 Dist 2 meeting, Home Plate Dinner 34th and Loop 289. The election follow dist 2 meeting about 8:30pm

Happy Trails,
Region 1 VP

PARADE CHAIR

Hello from the Parade Chair,

This is just a reminder that parades are starting to happen, if you want your club to be in the running for year end awards I need parade forms sent in to me. The form is on page 27 of the rule book. So far there is only one club that has sent the forms in so, they are in first place. I know we have more clubs that parade than just one. These awards are handed out at Convention.

Please send the forms to

Scrapbook Chair

- Hey y'all! I am Lori Brock, and I am the Scrapbook chairman this year. I would love to see every club submit a scrapbook at Convention this year. You can choose to do a traditional scrapbook or a digital scrapbook. I personally LOVE the digital idea: It can be shared with every member of your club. It can be shown at banquets. It can run as a slide show during signups at playdays. It can be available for prospective members to see on your club website or Facebook page. Join in the fun! Make and share your memories with everyone!

In Memory of "Bumps"

The Chris and Lynn Cox family lost a beloved member of their family on April 26, 2012. Bump N Run, better known to everyone as "Bumps" was born on March 5, 1982 and passed away at the age of 30. Bumps joined the Cox and McLeroy pasture when he was four years old. He was a wonderful playday horse who in his early years was ridden by Chris, Lynn, and sometimes Roger. When Shea got old enough to ride him, she won the Horse Trailer and Saddle when she was six years old at the Weatherford Saddle Show in 1996. Bumps was known for his awesome 20 second times in the BowTie and low thirteen's in the Flying W. In June 2008, Shelbi Cox won the Super Pee Wee Girls Saddle at Playday Finals riding Bumps. Shea rode Bumps in several events during Playday Finals in 2009 and he was then retired to live out his days in Sanger, Texas where he was "King" of the pasture. He will be missed by all of us including his pasture buddies, Stormy, Chief, Ichi, Cash, T.J., and Reese. Rest in peace Bumps, we loved you.

Hello from all of us at Twin Mountain Riding Club.

Summer is here. We have been blessed with rain the past couple of weeks and we Thank GOD for the moisture that he has brought to West Texas.

Our yards and pastures are all green and everything has come back to life.

They say that we have received as much rain the first 5 months of the year than we did all total for last year.

We want to thank our Region Vice-President Raymond Rutledge and Jim Tumlinson from TMRC and a man from Hawley Saddle Club and his family for making a quick trip to Bowie to do some much needed painting and were even able to get a few other things after the rain.

I understand that Jan and Ruby Crocker drove over to help as well. We want to thank all of these people from District V that took time out of their schedules to make the day trip and work.

We have a young lady from our club Brittney Jones that is graduating from high school this year and understand that she was 3rd in her class and received several scholarships. Way to go Brittney.

We are not going to hold a monthly playday this month with all the graduations going on and our normal date is the 4th weekend of the month and that is a holiday weekend, we decided to just wait until June.

We are having a arena workday on the 18th of May to do some much needed mowing (because of all the rain) and do some major clean up. It is funny that when we receive a lot of rain the grass grows, but it seems

that the weeds grow even faster and bigger.

Playday Finals is coming up quick and I know that we have a great group of people that will represent TMRC. They are Linda Bell, Jessie Brock, Makailey and Tres Brock, Natalie Dragt, Buster and Brittney Jones, Elaine Lee, Jamie Philipp, and Allison Vaughn. I know that the Pee Wee Girl class is going to be really tough this year as well as other classes. Good Luck to all our members as they go to make TMRC proud.

Some other members will be coming later in the week. Jim and I will be there for the Executive Board meeting Sunday June 17th. It will be good to see everyone that we have not seen since Convention or the meeting in January.

We have scheduled a Trail Horse Competition/Trail Ride at San Angelo State Park for July 14. If anyone is interested please contact me and I will give you more details.

Our club is growing and we have a lot of outstanding members that take part in our growth and are willing to help do anything that is asked. Thank you all very much.

I leave these words with you:

WHAT HAPPENS IN HEAVEN WHEN WE PRAY?

I dreamt that I went to Heaven and an angel was showing me around. We walked side-by-side inside a large workroom filled with angels. My angel guide stopped in front of the first section and said, 'This is the Receiving Section. Here, all petitions to God said in prayer are received.'

I looked around in this area, and it was terribly busy with so many angels sorting out petitions written on voluminous paper sheets and scraps from people from all over the world.

Then we moved on down a long corridor until we reached the second section.

The angel then said to me, "This is the Packaging and Delivery Section. Here, the graces and blessings the people asked for are processed and delivered to the living persons who asked for them." I noticed again how busy it was there. There were many angels working hard at that station, since so many blessings had been requested and were being packaged for delivery to Earth.

Finally at the farthest end of the long corridor we stopped at the door of a very small station. To my great surprise, only one angel was seated there, idly doing nothing. "This is the Acknowledgment Section, my angel friend quietly admitted to me. He seemed embarrassed.

"How is it that there is no work going on here? I asked."

"So sad," the angel sighed. "After people receive the blessings that they asked for, very few send back acknowledgments."

"How does one acknowledge God's blessings? I asked.

"Simple," the angel answered. Just say, "Thank you, Lord."

"What blessings should they acknowledge?" I asked.

"If you have food in the refrigerator, clothes on your back, a roof overhead and a place to sleep you are richer than 75% of this world. If you have money in the bank, in your wallet, and spare change in a dish, you are among the top 8% of the world's wealthy, and if you get this on your own computer, you are part of the 1% in the world who has that opportunity."

"If you woke up this morning with more health than illness.. You are more blessed than the many who will not even survive this day."

"If you have never experienced the fear in battle, the loneliness of imprisonment, the agony of torture, or the pangs of starvation... You are ahead of 700

million people in the world."

"If you can attend a church without the fear of harassment, arrest, torture or death you are envied by, and more blessed than, three billion people in the world."

"If your parents are still alive and still married.... you are very rare."

"If you can hold your head up and smile, you are not the norm, you're unique to all those in doubt and despair....."

"Ok," I said. "What now? How can I start?"

The Angel said, "If you can read this message, you just received a double blessing in that someone was thinking of you as very special and you are more blessed than over two billion people in the world who cannot read at all."

Have a good day, count your blessings, and if you care to, pass this along to remind everyone else how blessed we all are.....

ATTN: Acknowledge Dept.

"Thank you Lord, for giving me the ability to share this message and for giving me so many wonderful people with whom to share it."

If you have read this far, and are thankful for all that you have been blessed with, how can you not live by these words?

I thank God for everything, especially all my family and friends.

**Just be yourself.
Everyone else is taken.**
