Howdy from Lubbock and West Texas,

HOT! HOT! HOT! That's all I have to say. I'm ready for a hurricane so that we have a chance of rain here in West Texas.

WTR has a jackpot playday coming up July 9. District 2 had their playday on the 25th of June. Spiderman thought we were still in Bowie, he was ready to run. The temps were over 100 degrees. Thank goodness we had a small group so we were able to finish pretty quick.

PDF if you missed it, was a blast! I want to thank Tejas Motors in Lubbock for sponsoring the saddle and buckle for the 1st Annual stick horse barrel race. We had ten contestants competing. Which all of them were winners. Thank you to Queen Lauren, all of our Princesses, Lisa Herrington, K.D. Foltz, Buster Jones, Sarge Mainville, and Jackie Dunlap for helping with the race. I couldn't have done it without you.

Wednesday brought the first of competition. The Classic Men class has increased quite a bit since last year. But I'm thankful to be riding in the morning and not in the heat of the day. I heard there was a pool party that night but missed out on it. Thursday was the night for redneck games. That was a sight to see. If you missed it you missed out. Friday brought the dinner and dance. WOW! The fajitas were great. Thank you to Kathy and Janice for ALL their hard work during the week. DJ Wes did a great job picking two stepping songs. Saturday was the last day of competition, I would like to congratulate all the winners. We even had some first time saddle winners this year. WAY TO GO!! Sunday brought the Executive Board meeting and the drive home. Jackie told me the temp outside was 112 degrees. I could've gone all day not knowing that part.

July is coming and so are the dog days of summer so it's said, but I think they are already here.

Until we meet again
Happy Trails to you,
Ronnie Elrod

Hello Everyone!

I hope everyone enjoyed Playday Finals. I know it was a rough one due to the heat and the wind but the only one who can control the weather is God. I think we made the best of it given the situation at hand.

On Tuesday night, we pulled in to have our coggins checked. I would like to thank Brittney Jones for graciously checking the horses in the heat. After getting past that and getting the horses settled in and something to eat we went to watch the stick horse rodeo. That was too cute. It was also fun to see the princesses decorated. They did a wonderful job the whole week. Annette you did awesome with those girls.

Wednesday morning began with introductions and we could already feel the heat. I would like to thank Diane Johnson for taking care of introductions with a less than ideal PA system. Then we began with the first events. I rode Eric's paint horse and it was a lot of fun, he is kind of mine now so I am pretty excited to have a new project. I kind of went through all three horses all week due to the heat, Daisy swelling up in the stall, and Eric not being able to ride. Wednesday night we cooked out with our "Red Cup" friends and some additions that was a fun and relaxing time.

Thursday is what some of my friends and I call Andi Day. June 16th is the birthday of our fallen friend Andi Lampier Geis and since her passing my mom #1 Suzanne Wilson, mom #2 Diane Johnson, our Con (Connie Ivins) and I have made it a tradition of wearing our pink and brown Andi shirts on her birthday at Playday Finals and at dinner that night we toast her and her memory. This year we even had the honor of Andi's son Brandon joining us. Thursday I also rode "Old Faithful" TJ in the poles and minus a major stirrup malfunction it was so much fun. He acted just like he always has with me. Eric said his eyes were huge and bright when he came out of the arena. I may have to ride him every once in a while just to keep his juices flowing. It was also my day to do awards and I was so lucky to get to hand them out with Wayne Moody.

Friday was once again hot and windy I rode TJ in Pylon and Petey the paint in the barrels. Friday also brought the dinner and dance, I have to say that Renee and I can fill some plates. The fajitas were amazing and we did the best we could in the wind. Kathy Whatley and Janice Blahuta are amazing in a concession stand. After the formalities at the slab it was time to dance. I only got to dance once with my Paul because my lifetime dance partner is a little under the weather after knee surgery a week before finals.

Saturday is usually the end of finals for me but due to the Executive Board meeting Eric and I stayed another night. We were so tired that we stayed in the camper and watched the Disney movie Cars and didn't move much.

I know that there are several different opinions on what should have been done and what should not have been done concerning awards. We can argue the point from now until Jesus returns but everyone is always going to have their own opinion and own agenda. We can argue for hours and hours and it still won't change what took place this year. Right or wrong, good or bad all we can do is take the lessons we have learned and move forward. I have had good teachers as to how to do this job and have worked very hard to do it without an agenda and make choices that are for the "Greater Good" of everyone. I will say however that what we officers found ourselves faced with in February came with no handbook or rule book we have just done the best we can for everyone.

I have a lot of memories from the week I will take home with me. I will take home the memory of our group sitting around camp telling stories about Andi with her son Brandon sitting there listening to us. I will remember people that truly love me encouraging me to get up on my paint horse and not rely on TJ forever and one of them providing me with a better bit to ride Petey the paint with. I will take home with me the laughter and entertainment that was provided to us by 4 twenty-somethings, Jordan Johnson, Brandon Wilson, Tex Coulter and Kody Blay that have been friends for many years. I will take home with me the song that Morgan Johnson sang for us at dinner one night and us buying her out of popsicles because we were hot. I will take home with me the smiles of two girls who have been through a lot in the past year that had to come to finals on borrowed horses who had the most fun I have ever seen them have in Bowie (Good job Tara Solomon and Bullet and Liz Solomon and Pippen). I will take home with me the excitement that Morgan had to present my mom with the thank you card that Miss Annette helped her make. I will take home with me the Sportsmanship that the other senior men showed to my husband Eric when he was only able to ride one event with TJ walking due to knee surgery. I will never forget the look on Janice Blahuta and Kathy Whatley's face when Michael Wheeler, Diane Johnson, Eric and I ran the concession stand like pros with only four people. They were so sweet and complementary to us. These are all things that will last in my heart and mind forever. In an organization like this, you get out of it what you put into it. It is my sincere hope that no matter.....*cont.*

what your opinion is on anything we are dealing with as an association right now, that the friendships and memories will be what is most important and what you keep with you.

I also want to give major kudos to my hubby Eric Savage for all the work he did collecting money for the 50/50 with "limited mobility". Congratulations to Jackie Dunlap on the win. Also, he had a maid service come clean our house while we were gone to finals to surprise me which was the best surprise EVER!

My friends at Lewisville Saddle Club and some friends outside of the horse world came together to donate a saddle in honor of Martin Hedeman, the autistic child that rides my old horse TJ. While he didn't go to finals with Region 5 he is a member of Lewisville Saddle Club, I would like to congratulate Manny Merritt on winning the saddle in Junior Boys that was donated in Martin's honor. It is wonderful to see a good kiddo win that appreciates it so much! Manny goes out of his way at LSC playdays to be nice to Martin even when he doesn't understand Martin's response since it usually comes in Swedish!

I would like to send out some prayers to Ronnie Elrod, I am so sorry for the loss of Spiderman.

On a happier note I would like to send out 50th birthday wishes to Mom #1 Suzanne Wilson (July 28) and Mom #2 Diane Johnson (June 25) and a happy 10th Birthday to Morgan Johnson on July 9th.

Howdy everyone!

I hope everyone is having a good year so far. I know mine has been pretty busy.

I want to thank Don McEwen, Billy Privett, Glen Nobile, and everyone else who helped to get the grounds ready for finals. Finals was a lot of fun and we didn't have many problems. A few breakers weren't working right but they were easy to fix. We had a great turn out for the dinner and dance. The guys that cooked Friday night for us did a great job. And a big thanks to Cathy Whatley for taking care of the concession stand for us. Another big thanks to Parker for driving the tractor every day for different districts. He did a good job and worked hard all day everyday. Also I'd like to thank Lisa Herrington for doing such a great job on the awards this year. I'd also like to thank all of the people who donated saddles this year. Congrats to everyone who placed! The competition was tough this year in all the classes.

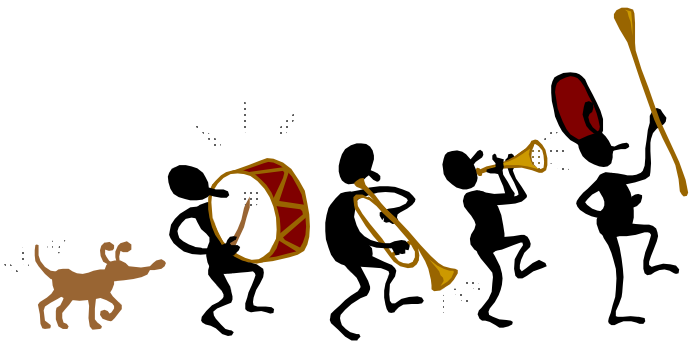

I'm keeping this month short and sweet and stopping here. I hope to see everyone soon!

Hey y'all,

Well, summer is in full swing and Playday Finals has already come and gone. We had eleven riders and their families travel up to Bowie to have some fun in the sun, while meeting up with old friends and making new ones. I think it's safe to say a great time was had by all and a million memories were made. In the midst of all this, we also had some Top 6 Finishers that included Noah Rushton, Brandon Elliott and Sally Goetz. The majority of the classes had 30 or more riders, so to be in the Top 6 was quite an accomplishment. Our June playday got cut short due to the City of Georgetown shooting off fireworks in the park across from us. This causing horses to break loose from trailers and running crazy, more or less looking like a scene out of a nightmare. The make-up date for this playday will be discussed and decided by our officers as soon as possible. We would also, like to congratulate Ava Antolik and Kaycee Killingsworth for qualifying to ride in the Georgetown Rodeo this past weekend. So until next time, stay safe and ride hard.
