Greetings from West Texas and Lubbock,

Well summer is coming to a close, most of the playdays are coming to an end. West Texas Raiders are still playing. WTR is having a saddle series for the remaining playdays this fall. All members that ride are eligible for the saddle.

Lubbock Saddle Club won 2<sup>nd</sup> place in The Parade of the Horse during the Cowboy Symposium in Lubbock. Great job to the parade group.

I wasn't able to attend HSF this year, but I hear there was a good turn out of folks riding and watching. Congratulations to Jackie for winning the Novice Overall. Congrats to Big Dude for winning Grand Champion Gelding.

I'm sorry I wasn't there to compete and cheer. Congratulations to all the other winners and competitors. I know K.D. Worked really hard to make HSF a great success.

We have convention coming up next month in Wichita Falls, hope to see everyone there I know Region 2 has been working hard on the festivities. This should be a good time for all I'm looking forward to the weekend.

I would like to welcome back the Texas Red Wings to Region 1.

Until next time Happy Trails

Region 1 V.P.

Ronnie Elrod

## **Region 2**

Hello from Region 2,

Horseshow Finals went off without a hitch, hot and humid but we all had fun. Some novice folks who never showed before came and did great. The awards were great and if you missed it you missed out!! The Queen and her Court were beautiful.

We are sorry to hear that more members of the Waggoner family was injured at National Finals. We are going to wrap them in bubble wrap.

We also got one more District Playday. Boy was that a hot one. We are starting High School Rodeo and deep into Volleyball. Both Augie and Ali will be doing High School Rodeo. Busy. Busy. We are all set for Convention and looking forward to seeing you all there.

See ya down the road,  
Charmie Sanders

*Congratulations*

## **Region 5**

**Hello Everyone:**

Since my last article a lot has gone on. I know on Labor Day weekend several officers were in Bowie for National Association's playday. I was not able to make it due to it being the weekend of the Lewisville Saddle Club Labor Day Rodeo! Those of us on the parking crew had a ton of fun except for getting yelled at 4 times in the first 15 minutes of opening the parking lot on Sunday night. We had a lot fun and will be there again next year. Congratulations to Morgan Johnson on winning the trailer that we give away at the rodeo each year. This year we didn't have a "rodeo queen contest" in which the trailer is given away, we opened it up to all members. The QUEEN of the rodeo is truly Diane Johnson. We couldn't put on our rodeo without her and I certainly hope we don't ever have to. She deals with sponsors, drill teams, stock contractors, and whatever else needs to be done. We love you Mom #2! Also to the officers and directors of Lewisville Saddle Club you all did a great job.

The next weekend there was a playday at Lewisville but Eric and I didn't go and we had plans to celebrate our anniversary. Although I heard later that the playday was over way before we ever left to go out.

There was also a playday the next weekend but I was in Bowie for Horse Show Finals. The crowd was small but it was still a good time. Barbara Jones and I worked up stairs and even though we didn't really know what we were doing until the speed events we had a lot of fun. KD did a really good job putting together the Horse Show and Becky Rhodes got some very nice awards. A huge thank you to Glynn Nobile and Parker Cantrell as well. Glynn stayed in the arena for all of the speed events and Parker was

on the tractor. At the end of the day several of us sat around and told stories of past horses, playdays, and memories of the "Oklahoma Land Rush" sitting out on the road until the gate was unlocked on the Saturday before finals before we had permanent pens on the grounds. Donna and I even reminisced about old Ashes that was the first horse I ever rode by myself and then was passed on to Daniel. Donna told the group of how I used to ride Ashes to the baseball bucket and put the baseball in the pocket on the front of my special baseball shirt then when I got to the barrel I would take it out and throw it in. I think that ages both of us to how long we have known each other...haha! It was fun just to sit around and talk and not be rushed like we are most functions. Several also went to eat at the Armadillo Grill and I think some teenagers at the table with us might have gotten a little embarrassed at all of us adults laughing at Gary telling stories and the waitress asking Donna how she wanted her mashed potatoes. I think there are only a few ways to do that!

Region 5 members, we have some additional playdays coming up at Lewisville and hope to do some small fundraisers. I will be contacting members soon with additional details.

I believe this will be the last article prior to convention. I know Janice and Charmie have worked hard and have some fun stuff planned. I hope we can all go into this convention with good attitudes and remember that while we all enjoy the AASP&RC it is but a small part of our lives and there is no reason for personal attacks or negativity. It is possible to get your point across with out attacking a person's character or morality. We are all different people with different beliefs and we need to respect that. We will elect officers and crown a new queen. There will be several motions made some of which we will like and some of which we won't but it is still possible to be civil and respectful to one another. Most of us learned the "Golden Rule" as children but sometimes as adults we need to be reminded of it! "Do unto other as you would have them do unto you". In other words treat people how you would like them to treat you. Remember the motto of this great organization is Horsemanship, Sportsmanship, and Citizenship.

I would like to say good luck to Lauren and Brittney when we get to Saturday night of

convention one will walk away with the crown and one will not but you are both winners. I have stood in both pairs of shoes and I know how difficult it is. I hope that either way it turns out you will take the experiences you have had as Princesses and use them in life. If you are the one honored as Queen remember that even with the work you have done as Princess you will have an even bigger job as Queen and I wish you the best of luck in the future.

In closing I would like to say I have enjoyed this year as Region 5 Vice President. I hope I have made Region 5 proud of me. I would like to thank my Region and my family for all the support. I am lucky to have two former officers in my own family (Pawpaw and Diane Johnson) that I have been able to go to when I wasn't sure how to do something. Thank you two so much. I

know Eric probably never thought he would spend a weekend in Bowie, Texas in 6 inches of rain cooped up in an 18 foot camper but he did for me along with a ton of other things that are too many to list and I appreciate it so much. Thanks to my mom for letting me vent when needed and to my grandma for the encouraging e-mails she always sent to me telling she was proud of how I conducted myself. I have watched the association officers most of my life but there is still a level of unexpected when you are actually wearing the vest. I have enjoyed working with Donna and Renee and all of the other officers and I look forward to next year as well.

Sincerely,  
Summer Savage  
Region 5 Vice President

## **Region 6**

Hello from West Texas,

Well it has been a pretty busy month. First we had National Finals, it went really well. I want to thank the people who came to work. Thanks to Janice, Lynn Cox, Debbie, Donna Rust, Gary, Brittney and Barbara for all their work in the concession stand. Also thanks to Lauren, K.D. and Stephani for their help. Thanks to Larry Mitchell and all the others who drove the tractor. A very special thanks to Don and Tommy McEwen for helping me with the water leak. I want to apologize to Don McEwen and thank him. I didn't mean for you to get stuck on the tractor so long on Sunday, but I really appreciate it.

Next thing was Horse Show finals, and K.D. done a really good job. There just wasn't very many to show up, but the ones of us that were there had a really good time. Congratulations to the winners. And thanks to everyone who help out.

This weekend we will travel to Abilene for District 5 Banquet, I hope to have fun and good food. I want to congratulate in advance all the district winners.

I am really looking forward to Convention in a few weeks. If you haven't made your reservations you need to do it soon. If you have never been to Convention before you should really make plans to come.

Since this will be the last R.R. letter before Convention, I want to tell Queen Joy that it has been a pleasure and a lot of fun to have had her as our Queen this year. I think she has represented our Association very well. I always enjoyed traveling with you and my buddy Sarge. Good luck in College.

I also want to tell Lauren and Brittney it has been a great pleasure being your Region VP. You have both represented the Region and the Association very well. I want to wish you both the best of luck and either one of you will make a great Queen.

I guess that's about it for this month, I think this is the most I have ever written.

Be Safe.  
Buster Jones, Region 6 VP

# **Horseshow Chair**

**Hello AASP&RC Members:**

As you may know by now, Horseshow Finals Attendance was very small and was supported with 20 riders and almost the same amount of volunteers. I would like to give a huge **THANK YOU** to my hard workers: Stephani Foltz, Donna Leipsic, Gary Leipsic, Pam Dodson, Summer Savage, Barbara Jones, Buster Jones, Larry Mitchell, Janice Blahuta, Ronnie Maxwell, Sarge Mainville, Parker Cantrell, and Glen Nobile. Becky Rhodes, you did an awesome job on awards.

I know we have happy award winners. Without ya'll horseshow Finals would have been a wreck, I do appreciate the hard work each one of you has done. I want to also give thanks to the riders that supported this association: Queen Joy Mainville, Princess Brittney Jones, Princess Lauren O'Brien, Shelby Maxwell, Leo Cramer, Jackie Dunlap with 2 horses, Katherine Chisholm, Stephani Foltz, Charmie Sanders, Auggie Nobile, Sarah Braden, Haylie Martin, Polly Moss, Larry Mitchell, Alice Mitchell, Ronnie Maxwell, Saddle Garrett.

With that said and done, the day started off a little slow but if we started on time we knew it wouldn't feel right. The weather was hot and humid but everyone stuck to their guns and we finished before 6pm. Everyone looked sharp and their horses look very clean and sharp too. There were a couple of first time showers and I think they did awesome. We had some laughs, it's a challenge to take a playday horse and turn it into a show horse but in my eyes that takes a true horseman or horsewoman.

## **District 2**

District II wrapped up their playday season with the make-up playday on August 22<sup>nd</sup>. # **Lubbock Saddle Club**

Lubbock Saddle Club finished up their fourth annual Friday Night Youth Series! It was a HUGE success! We averaged 40-50 riders each Friday Night!

Lubbock Saddle Club also wrapped up their playday season on August 7<sup>th</sup>. The year-end awards banquet is scheduled for December 4<sup>th</sup> at the Shallowater Community Center.

The Lubbock Saddle Club had 70 riders go to Cal Farley's Boy's Ranch over the Labor Day weekend. Cal Farley's hosts a rodeo for the residents each year and opens the grounds for camping and trail riding. The residents' families and alumni are invited to come out and spend the weekend. The Lubbock Saddle Club has participated in this event for over 40 years. As in years past, we rode in the grand entries on both Saturday and Sunday. We went on trail rides and took our horses swimming in one of the stock ponds. It was an awesome time and Lubbock Saddle Club made a great showing for this event.

On Saturday, September 11<sup>th</sup>, the Lubbock Saddle Club participated in the National Cowboy's Symposium Parade of the Horse. 17 Riders turned out to ride in the parade from the saddle club. There were over 30 entries and the Lubbock Saddle Club placed 2<sup>nd</sup> in the Riding Club Category. This parade is one that the saddle club has participated in annually for several years now. This year, the club modified its parade uniform by adding a red, white & blue bandana to pay tribute to 9/11/01 and the World Trade Center anniversary.

*Continued...*

The next event that the Lubbock Saddle Club will participate in is the Reilly's Ranch Horse Rescue and Rehab Benefit Playday. Reilly's Ranch is a local non-profit horse rescue. They hold fund raisers a few times per year, and this year, the weather did not cooperate. Two benefit trail rides were planned and the rain prevented their success. For that reason, the Lubbock Saddle Club allowed Reilly's Ranch to use the arena facilities to host a benefit playday.

The Ranch takes in horses that have been neglected and need new homes. Amy and Steve Reilly operate the rescue with the help of Misty Basquez, who is on the rescue's Board of Directors. For more information on Reilly's Ranch Horse Rescue and Rehab, please see their website at: [www.reillysranch.com](http://www.reillysranch.com).

The Lubbock Saddle Club will be hosting a Fall Series in October. The books will open at 11:00 a.m. and the rides will begin at 12:00 p.m. Four events will be ran: Pylon Alley, Rodeo Flag, Spur and Cloverleaf Barrels. The entry fee is \$15.00 and the rides will be \$3.00/event.

The dates for the series are:

October 2<sup>nd</sup>, October 9<sup>th</sup>, October 23<sup>rd</sup>

October 30<sup>th</sup> – There will be a Halloween Costume Contest and Trailer Treating at this playday!

If you happen to be in town, come out and playday with us!  
Until the next issue...
