Howdy from Lubbock and West Texas,

This year has pretty much flown by. September is halfway over and October is nearly here. Which means we just had Fall Round-up and K.D. did a great job. After a few technical difficulties Friday night, the barrel race finally started. There were 21 racers, 6 of which were members. Congratulations to the winners. I don't have a listing of them other than Jackie won 2nd in the 3D. The rain was a welcome sight. Which made the ground that much better.

Saturday brought the horseshow, I have to say I'm very disappointed in the participation of the members. There were three officers, none of which live within 90 miles of the grounds. Seventeen people were in attendance for the show. Five participants of the show. Queen Lauren, Hailey Martin, Taylor Foltz, Jackie Dunlap, and K.D. Foltz. Ray Cornelison did a great job as the judge for the show. Thank you goes out to Garland for bringing Parker to drive the tractor and help out. Others to be thanked are Kathy for opening the concession, Stephani Foltz for her hard work, Misty, Nicole, Hailey, and Macy Martin, Gary Montgomery and Varsi for coming to what was suppose to be a jackpot playday but, ended up just being a fun evening setting up events and practicing. Brittany, Buster, Janice, Peggy, Jimmy, Jackie, Taylor, Bobby, Heath, Carla, Gabby, Lisa, UB, Varsi, Gary THANK YOU SO MUCH FOR SUPPORTING YOUR **ASSOCIATION** this weekend.

I'm going to speak my mind, which as most of you know isn't anything new. We have gripers in this organization, that complain there isn't any support. Where were you this weekend to show your support? Unless you were in attendance at FRU. DO NOT COMPLAIN! You don't have the CONGRATULATIONS to the winners riaht. Grand Champion. Leather. and Reserve Champion, Honey mares goes to Jackie. Grand Champion Gelding, Quigley goes to Queen Lauren. Reserve Champion, Budweiser goes to Taylor Foltz. Junior class 1st Hailey Martin, 2nd Queen Lauren. Senior class 1st Jackie Dunlap, 2nd Taylor Foltz, 3rd K.D Foltz.

K.D. did a GREAT job picking out the awards and getting them herself. Saturday night brought some really nasty weather, thank goodness there wasn't a lot of damage at the grounds. Just a couple of roofs need repair and a tree was knocked down. Jackie was happy her horses were still standing and so was her trailer.

District 2 finished their playday season Sept 10th congratulations to the winners. I know there were some really close races in the senior classes for first and second.

West Texas Raiders begin their playday season this Sunday Sept 25th, I'm hoping for a good year and weather. There is a team sorting on the 24th so the arena will be in great shape. Playday dates scheduled so far are October 9th and 30th, which will be a Halloween playday. I know there will be some good costumes out for this one. West Texas Raiders won 1st in the Parade of the Horse during the Cowboy Symposium Sept 10th. Congrats to those that rode.

Convention is coming up soon, I know there will be much discussion on several topics. I would like to say let us ALL please try to remain civil and get the business at hand dealt with so, that we can move on to bigger and better things for the Association.

May you travel the road less taken in life and create your own path.

Until we meet again Happy Trails to you, Ronnie Elrod Region 1 VP

Hello Everyone,

I am sorry it has been so long since I have had an article in the Rider's Round-Up. Life has been really busy lately. Playdaying has been really slow, but we were still busy around here getting ready for the 47th annual Lewisville Saddle Club Labor Day Rodeo. There is a lot of work that goes into putting this on and this year there was extra stress added due to our dealings with the City of Lewisville. We couldn't do it without Diane Johnson as she makes it all run smoothly. We had an awesome rodeo; one night Joe Beaver even team roped at our rodeo! Congratulations to Manny Merritt on winning the horse trailer and to Morgan Johnson for winning the calf scramble one night. She is 10 now and told us she wanted to win just once before she was too old (the calf scramble is 10 and under). It is so awesome to be able to have this rodeo and still have one of the people who helped start it working with us. That would be Pawpaw; he got the concession stand ready on Friday and Saturday nights. Riley Theall is the LSC Sweetheart and she looked beautiful every single night and thanks to me, she never lost her hat even the night when the wind was about to blow us all away (that is kind of an inside joke between she and I)! Thanks to all of the Lewisville Saddle Club officers, directors, and members for making it a great rodeo weekend.

I would like to apologize for not being able to attend the Fall Round Up due to personal reasons. I have heard that a good time was had by those that did attend. I did however get to go to a club playday and to a party that night. At the playday I got to ride "Old Faithful", TJ and it was the most fun I have had at a playday this year. With Martin in Sweden I am going to finish the year on him. This was the day I learned that I MUST learn to back a horse trailer. Like my mother, I can go forward all I want to but backwards is a challenge. I was by myself and got caught behind two wrecks, one of which I was escorted away from by a first responder vehicle because I had horses and they were about to land a helicopter! If I could have backed up I could have left a little sooner! Later that night Eric and I went to a 70's party, thankfully the pictures have not hit face book yet!

As we are all well aware convention, is right around the corner. This has been a year of unique challenges. There has not been a year like this in my memory, and while some would like to forget it, of all the officers I have been a member for the longest time even though I am the youngest. This year has not something any of us that wear the blue vests asked for but we have handled it in ways we felt were best for the "greater good" of the association. While I have long been known as

the "quiet one", that doesn't mean that I am not paying attention but on the advice of a former Executive Vice President and someone who continues to be a good friend of mine, I "stay above the fray". Much of the drama around us is not needed and only serves to divide us and hurt people. I LOVE this association, I have been raised in it and plan on raising my own kids in it. I wanted to be gueen of it when I was four years old and have served proudly as queen, an executive board member, and an officer for the past three years. However, I think we all need to take a step back and assess our priorities. Mine are God first, my husband and family second, work third, and then everything else fourth. For me the association falls under everything else while it is probably top of the list in my "everything else" . You may not have the same beliefs I do but still, I sincerely hope this is not all you have in your life.

It seems that some use the association to fulfill their need to feel important, their needed weekly dose of drama or whatever else it is they need at the time. It is my deep hope that most of us use the association to fulfill the things it was meant to be. We can say what it says at the front of the rule book until we are blue in the face but when you boil it down, it is a place to meet new friends, ride horses, spend time with established friends and family time. My own husband sold his Harley and got into the horses with me so we could have "family time".

What happened in February could have brought us together or it could have torn us apart and we can debate from now until Jesus comes back what that was or wasn't or what should have or could have been done, we are never all going to agree. There are several of us, including myself that it took a toll on personally and emotionally completely outside of association business. For a while I thought this whole situation was going to bring us together, when we had the executive board meeting in February there were people having conversations that I KNOW had not spoken in years. It seems that the closer we get to convention, it is tearing us apart. The past is the past and we cannot change it so what is the point of all the divisiveness? Why can't we go into convention with positive attitudes and not "out for blood" so to speak. It serves no purpose but to divide us and there will come a time when we are so divided and fractured that there won't be anything left.

I hope we can all see that while we love the association, it is but a small part of the big picture of life and is this really a forum we want to use to attack people? This is a family organization and this doesn't seem like much of family to me at this point in time. As I sit at my desk and write this

article, I am preparing to go meet with a new National Association club that wants to join us in Region 5 and I certainly hope that at our core what I tell them is in fact the truth that we ARE a great place to playday.

Fall Round Up Chair

What a Weekend!!! It Finally rained on my parade... lol.. On Friday, When I arrived at the ground I saw RONNIE and JACKIE and we discussed the barrel race and decided its going to take A LOT of rain before the arena would be soaked and not to cancelled the barrel race. On Friday my phone was being blown up with calls and I started to panic because if everyone showed up, we would be there all night because I didn't have enough workers. It all worked out.. Yes we had issues along the way. DON had to come and unlocked everything and showed RONNIE, JACKIE and myself how to start and move the tractor to get the arena ready, the PA system wouldn't work, and it was raining off and on. GARLAND brought PARKER to help drag the arena this whole weekend. So RONNIE plowed and PARKER was dragging. Then never fear MOM and LAUREN showed up and a little time, we got everything started. (Signing up, plowing, dragging and ect..) KATHY, UB, LISA, COLTON, JORDAN had the concession stand up & going.. Of Course we stole LISA and JORDAN to help MOM up stairs while LAUREN and I sat in the arena while the 49 exhibitions were being ran. Come to find out we only had 19 runs in the 4D and not enough to do pay out so I had 2 horses there already and LAUREN had one to bump it up. Things we do to make things happen. Out of 22 Riders... HAYLIE, NICOLE, LAUREN, JACKIE, GABBY rode 2 horses and myself on 2 horses were AASP&RC member the rest were not members. I do appreciate the volunteers that took LAUREN and my place in the arena!! BARBARA, BUSTER, and BRITTANY did show up and helped. All is good there & we made money and that is all that counted. Saturday Morning Horseshow, 5 riders including myself. We had a BLAST not every horseshow you can say we laughed at ourselves and at each other. BUSTER and RONNIE were on stand by if I needed anything. KATHY had the Concession stand open. GARLAND had PARKER there and PARKER was a "go to get this and that man" and had the arena ready to go. My MOM was helping the Judge with announcing the Winners from the arena and directing traffic. MISTY had RYDER and DALTON entertained while the Horseshow was in action. The Results from the Horseshow:

Grand Champion Mare: JACKIE with Leather
Reserved Champion Mare: JACKIE with Honey
3rd place: KD with Harley
4th place: HAYLIE with Tootie Fruity
Grand Champion Gelding: LAUREN with Quigley
Reserved Champion Gelding: TAYLOR with Budweiser
3rd place: JACKIE with Big Dude
Senior Overall was HAYLIE on Tootie Fruity
Reserved was LAUREN on Quigley
Open Overall JACKIE on Big Dude
Reserved was TAYLOR on Budweiser
Third was KD on Harley

Thank You, RAY for Judging the Horseshow, bearing with us and laughing with us too.

JIMMIE and PEGGY Franklin arrived and watched and helped out during the Horseshow.

OK here is where things got difficult in hosting an event. I cancelled the Jackpot Playday due to the lack of riders. At that time only 9 where signed up, Not enough to make it a jackpot. VARSI and GARY arrived while we (everyone in bold) were making decisions and was shocked that I cancelled but understood when they saw the number of people there. I brought up the option or Idea to pay \$10 and set up the events and have Fun. That way the AASP&RC is making money and the riders are saving money. With that note I asked the group of people under the concession stand if it was ok for me to leave and go to my Club Hi Point Playday. The majority said to go. I did and if this offended anyone, I truly apologize and I honestly wouldn't have if people would have just shown up. I know people talk about money and ect.. But I hosted, worked and also spent \$75 on entry fees so I felt that it was ok. At the Fun Playday before I left. I saw JANICE cooking up a storm in the Concession stand and RONNIE was on the tractor and BARBARA & JANICE was going upstairs to announce times and running order. At the Fun playday (if I forget someone please let me know) it was the following: JACKIE, BRITTANY, BUSTER, RONNIE, VARSI, GARY, BARBARA, HAYLIE, MACYIE, RYDER, MISTY'S Friends from Keller, and JANICE. I got reports back that everyone was enjoying each other. I heard HAYLIE was riding Tootie Fruity bareback and still having FAST times. BUSTER took a spill and I heard he is fine. BUSTER what are we going to do with you!!!! I had a Great time and yes I was Stressed Out more than anyone will know. I care about this association greatly and don't want it to go down hill and every year it is going down and the ONLY way for it to be the best and a Great place to go to is for YOU to mark your calendars for the events and show up!! Convention is around the corner. Get to Denton and speak up! Last Note I want to Thank Everyone in Bold for coming out and helping, working, cleaning and supporting this association I greatly appreciate!

Convention is coming up soon, that is where we all need to remember to be adults and work together for the Association. It would be nice if we could get thru the agenda in a timely manner without dwelling on all the small petty items that never get solved. There is a new format for this year, I hope it works.

Congratulations to West Texas Raiders for winning first place in the riding club division of the Parade of the Horse September 10th in Lubbock. WTR will be having fall playdays starting Sept 25th, Oct 9th, Oct 30th BO @ 1 pm ride @ 2 pm. October 30th will be a Halloween playday. The imagination of members and friends should be very interesting. I would like to invite everyone to come and ride with us on these dates.

Fall is almost here in West Texas! I think I am being funny, but the radio says that Friday is the first day of Autumn. Does not really feel like it here in San Angelo as the temperatures have still been in the 90's, but I think we can see cooler weather coming. With that being said we want to keep all of the people in Bastrop and that area in our prayers for all the people who lost their homes and animals. I know that Elaine Lee has a friend that lives there and they lost everything. We have a nephew that is on the Texas Task Force that was there for a week and our niece that we helped raise and is like a daughter to us was in Bastrop for about 12 days working with Texas A & M vet clinic taking care of animals and helping in anyway that they could.

We had our club playday August 27 and even though the turnout was low, but had a blast. Winners were Super Pee Wee Girl – Georgia Bullock, Super Pee Wee Girl – Mikaela Avila, Super Pee Wee Boy – Dakota Bullock (lead line), Pee Wee Boy – Jaycee Hubbard, Sr. Women – Kassie Hubbard and Super Sr. Women – Jeton Tumlinson. Our club had elections September 6 and elected new officers for the upcoming year of 2012 and they are as follows:

We also had our District V Awards Banquet September 10 at Los Panchitos. We had our AASP & RC Queen Miss Lauren O'Brien and her family there to help us give out our high point awards as our own Region 6 Vice President Buster Jones and his wife Barbara. Buster was elected for another term to represent us as the Region Vice President.

Thanks Buster.

We were able to enjoy good food and set up our dates for the upcoming year. Will have those dates in the next article for everyone to put on your 2012 calendars. That time will be here before you know it. I have decided that the older that you get the faster that times flies by and we all could live by the words "If we knew that we were going to LIVE this LONG we would have TAKEN BETTER CARE OF OURSELVES.

The "Merle Damron" achievement award was given this year by my sisters and I to Koda Miller from Hawley, Texas. We started this award in 1994 in honor of our Mother and give it to a youth rider they has excelled in horsemanship, sportsmanship and citizenship. It was a please to give this award to Koda.

We have a playday for Saturday September 24 with registering at 6:30 p.m. and riding at 7:00 p.m. We are also getting ready for our Playday in October that will be full of fun for anyone wanting to dress up in a costume as well as your horse. Yours truly is going as a 'WITCH" so I should not have to do very much, but my costume is cute.

We are all looking forward to the AASP & RC Convention that is coming up in October. We have a lot of issues that need to be discussed and taken care of so if you are planning on going please get your reservations in.

We all need to read this one over and over until it becomes part of who we are!

HOW TO STAY YOUNG

1. Try everything twice.

On one woman's tombstone she said she wanted this epitaph:

"Tried everything twice. Loved it both times!"

2. Keep only cheerful friends. The grouches pull you down.

(Keep this in mind if you are one of those grouches!)

3. Keep learning:

Learn more about the computer, crafts, gardening, whatever...

Never let the brain get idle. 'An idle mind is the devil's workshop.'

And the devil's name is Alzheimer's!

4. Enjoy the simple things.

5. Laugh often, long and loud. Laugh until you gasp for breath. And if you have a friend who makes you laugh, spend lots and lots of time with HIM/HER.

6.. The tears happen:

Endure, grieve, and move on.
The only person who is with us our entire life, is ourselves.
LIVE while you are alive.

7. Surround yourself with what you love:

Whether it's family, pets, keepsakes, music, plants, hobbies, whatever..

Your home is your refuge.

8. Cherish your health:

If it is good, preserve it.

If it is unstable, improve it.

If it is beyond what you can improve, get help.

9. Don't take guilt trips.. Take a trip to the mall, even to the next county.

to a foreign country, but NOT to where the guilt is.

10. Tell the people you love that you love them, at every opportunity.

I love you, my special friend.

11. Forgive now those who made you cry. You might not get a second chance..

And please remember to share this with someone special.

Remember! Lost time can never be found.

Be kinder than necessary, for everyone you meet is fighting some kind of battle.

Wine does not make you FAT...

- it makes you LEAN ... (Against tables, chairs, floors, walls and ugly people.)

Enjoy the cooler weather and hope everyone has a blessed month.

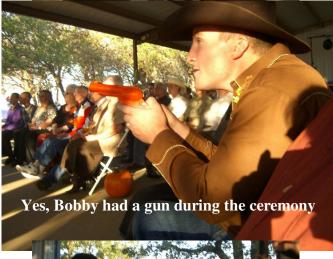

Our next club meeting will be October 4 at Los Panchitos on the Paseo. Looking forward to seeing everyone at Convention.

Take care and until next time.
Jeton Tumlinson
