AMERICAN ASSOCIATION OF SHERIFF POSSES AND RIDING CLUBS

The Rider's Round Up

Where were you in 1966?

These Lewisville Saddle Club members were at

Playday Finals

You don't want to miss this year!

The Rider's Roundup

Official Publication of the
American Association of Sheriff Poses and
Riding Clubs. Published and printed
monthly.

All correspondence should be mailed to:

AASP&RC
P.O. Box 423
Kempner, TX 76539

Association Office
P.O. Box 287, Bowie, TX 76230 940/872-4656

Yearly Advertising Rates

Any business or organization wanting to
advertise in the Riders Roundup can either mail a
copy of the ad or use email. Payment should be
received in the office by the 15th of the month
the ad will run.

Full Page - \$400.00

1/2Page - \$250.00

1/4Page - \$125.00

2 1/2 X 7 1/2 - \$75.00

Business - \$40.00

This reflects Ads running for 12 full months.

CLASSIFIED ADS

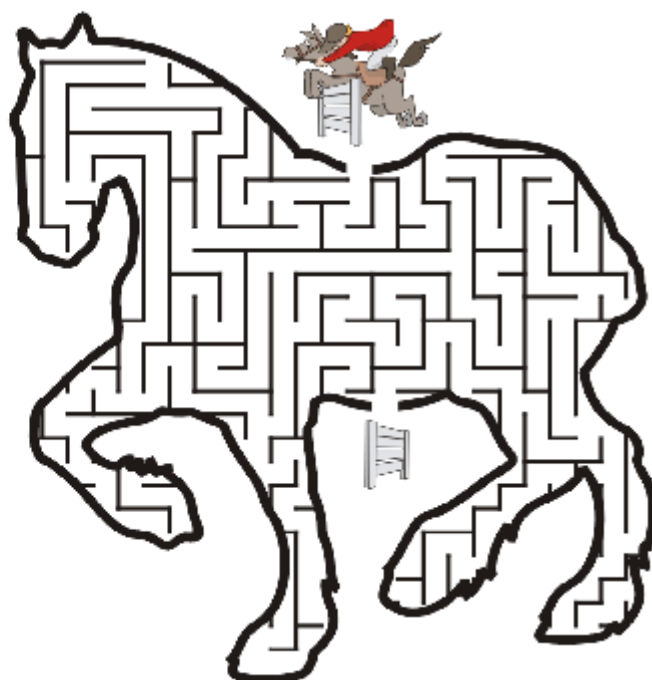

.10 each word, add a picture for \$1. Send your
ads to the office by email and send your
payment asap! No ad will run until payment has
been confirmed.

Notice: The purpose of the Rider's Round
Up is to be an information tool for Clubs within
the Association. Keeping every member up to
date with functions and members success
stories. The Officers of this association wish to
promote a happy, healthy, family oriented
newsletter.

stephog@zipnet.us

President **Donna** **Leipsic**

To say that May has been hectic for the Leipsics would CERTAINLY be an understatement! As many of you know, Gary and I traveled to Lubbock to attend a playday on May 1. Unfortunately, during the first event, Gary was seriously injured when he sustained an "open book fracture" of the pelvis. As I am writing this, I am sitting in the Waiting Room for his SECOND surgery. They are in the process of putting a second plate in and hopefully he will be good to go after this one!! It's going to be a long recovery, but he's got a really good attitude and I believe he is ready for the challenge. He's really going to set off metal detectors now!!

I want to thank everyone that has called and emailed and offered their help, love and support. It means so very much to us and makes me so thankful to have friends and family like those we have in the Association. Just knowing that so many of you have had him in your thoughts and prayers makes the days easier and I know because of this, everything will be alright in the end. Your actions are appreciated more than you will ever know. And to everyone in Lubbock – what a wonderful bunch!! You guys were angels...from getting me back and forth to the hospital initially to taking care of my ponies and babysitting my "Dax" to giving me a place to stay to the calls and hospital visits....you all know who you are and please know that you will always have very special places in my heart.

Looking back over the last few weeks makes me realize how truly wonderful our organization is. As I sit here and look around at the others in this waiting room, I know there is probably no one here as lucky as I am because I am a member of such an extended FAMILY....no one else in this room that is as blessed with the knowledge that no matter where I am or what

has happened, there are so many in this Association that are so willing to drop everything to help in any way they can without hesitation. It has made me realize how lucky I am to have all of you in my life. I am just so grateful. Yes, like any other family, sometimes we may be a bit "dysfunctional", but in the end, we are all tied together and care about one another because of the relationships we have formed through this organization. Count yourselves fortunate to be a member of such a group.

On another note, by the time you read this article, we will have hosted the Texas Smokin' Guns (Cowboy Mounted Shooting Association) event at the grounds over Memorial Day weekend. I am looking forward to having them at our facility and hope this is the beginning of a long relationship with this group. Look for a report on the happenings in the next issue of the Riders Roundup!

As you know, June is JUST around the corner and with that comes Playday Finals. You will see schedules for the event running and working order, concession stand working order, schedules for other activities and all sorts of additional information contained in this issue. I am pleased to say that we are in for a treat for the dinner on Friday night as the chuck wagon will return to prepare and serve our dinner that night! Check out the menu....it will make your mouth water.

Also remember, the team playday from SRU will be made up on Tuesday before Playday Finals begin on Wednesday. We will still accept entries for the team playday, so even if you weren't able to sign up before SRU, we'll still let you ride! Becky has also extended the placings, so now instead of placing the top 3 teams, we have awards for the top 4 teams! What a deal!!!

If you have not requested your stall or RV hookup, we're running SHORT, so get that paperwork in immediately! We're working on procuring some portable panels to build some temporary stalls, but once the RV spots are reserved, we're out of luck on additional availability there! So if you need a place to plug in your trailer or stall your horse, let us know NOW so that we can make the necessary arrangements.

Continued...

We spread Bermuda grass seed at the grounds last week, but I'm concerned that some of it might have washed away in the recent rains! It's been raining copious amounts in Bowie, but as we all know, we'll be looking for it in another month and wishing we would get some of the wet stuff! Guess you can't look a gift horse..... We might have to reseed, but I'm hoping we can get the areas covered before Finals rolls around.

I want to thank Garland Hargis and Parker Cantrell for taking care of spraying at the grounds a couple of weeks ago. I understand Parker did double duty dragging for District 31 that day as well! He's quite a worker!! Also thanks to my "unnamed hero" for picking up the week killer and getting it to the grounds for me and for the additional repairs you took care of! Your efforts are greatly appreciated!

Executive Vice President

Hey Y'all!

This past month has been a whirlwind! We started out the month with Gary and Donna coming for a visit to playday with Lubbock Saddle Club. First rattle out of the box, Gary was hurt very badly in a very strange incident. ALL the members of Lubbock Saddle Club were out doing "something" to help. We were fortunate to have nurses and paramedics right there at the arena to give first support. We had people catching horses, unsaddling, taking care of Dax, loaning vehicles.....what a wonderful group of "angels" the Lubbock Saddle Club membership is! Thank You LSC for everything you did that day!!!

Donna and I have been discussing all the things we need to get done to get Playday Finals ready to go. It's been pretty hard for her to accomplish everything she wants to get done with taking care of Gary and his second hospital visit

In closing, I hope as many of you as possible will attend Playday Finals this year. We have some exciting plans and some "surprises" for you when you arrive at the grounds, so get ready to have a fun-packed week. I am looking forward to seeing and visiting with all of you!

Until then, stay safe.

Donna

PLEASE NOTE :

The front gates at the grounds will open at 8 am on Saturday, June 12 for setup of pens. Due to maintenance and ongoing mowing readying the grounds for Finals, no one will be allowed to set up pens before this time, so please do not ask. Any pens set up before this time will be removed.

and three surgeries at this point. It is my understanding that ANOTHER group of "Angels" spent an entire day at the grounds this past Saturday chipping in and getting most of Donna's "to do list" taken care of. Although I'm aware of only a few names, I have NO clue as to who every one of these "Angels" are, but you have Donna's and my MOST heartfelt gratitude!!!! When the chips were down, to know that there are so many wonderful members of our Association that are willing to drop everything to step in and "save the day" brings a tingle to the old spine!!!

We still have a bit to do to get things off the ground, but I assure you, this will be a GREAT Playday Finals!!! We are flying high with excitement looking forward to this event!!!

We have several graduates in our membership and I want to CONGRATULATE each and every one of YOU on your accomplishments!!!!!! I know all of us are happy that school is out and summer is officially underway.....ENJOY!!!!!!

May Your Arena ALWAYS be to Small to Hold ALL your Friends!!!!!!

Renee Guthrie

Just to bring you up to speed:

.....The new pressure tank has been installed and is working. Thanks to Billy Privett and his helpers for getting the old tank removed and the new one installed.

.....A special thanks to all of those that turned out on Saturday, May 22 to get the grounds in shape for the CMSA shoot scheduled for Memorial Day Weekend. I understand there were about 25 wonderful members that came out and pitched in to help get the grounds ready. You all have Renee and my undying gratitude for all your hard work. The grounds looked great and I'm so grateful. You did a magnificent job.

.....We have added a "banner page" on the website in order to thank our advertisers and sponsors. As we gather advertisers and sponsors, their logos will be added to this page to show our appreciation for their support. This gives you one more selling point if you are out there working on selling ads this year. We have several members that have been selling ads and their totals are climbing....great for the Association and adding to our bottom line with every ad sold!

.....The septic tank by the bathrooms has some major problems. The Officers are still looking into possible solutions for this situation.

.....We have spread Bermuda grass seed at the grounds to stabilize the areas where the dirt work was done. Here's hoping that the recent rains have not washed it away and that we have a good start on a covering grass by the time Finals rolls around. A second seeding may be in order, but time will tell!!

.....We had planned on cutting and baling the south side of our property and selling the hay at Finals. The weather has just not cooperated – been a little cool for Bermuda to grow like we expected, so we will NOT be selling hay at Finals like we had anticipated. Apologies to those that were looking forward to not having to haul hay from home, but it just didn't make! We'll try again next year hopefully!!

.....Please note that we are retiring our American Flag on Tuesday night before Finals. This promises to be a very moving event, so make plans to attend!

.....A huge thanks to Glynn Nobile for rebuilding the drag! Our red drag was on it's last legs and had been "patched up" a couple of times. Glynn took the drag and not only rebuilt it, but painted it for us as well. He did a fantastic job and we have a "new" drag now that will last us a long time.

.....Our soft drink dispenser in the concession stand is such a dinosaur we are no longer to get the canisters of syrup that it requires. We are discussing our options with the Coca-Cola, Pepsi and Dr Pepper (Cadbury-Schwepps) companies regarding our possible options.

.....The CMSA shoot over Memorial Day Weekend was a great success. There was a good crowd and I believe everyone had a good time. The Association made over \$2000 for the weekend. A HUGE thanks to Billy Privett for making this all possible!! Also, thanks to the Jeter and Hargis families for coming out to help in the concession stand. **And finally, to Daniel Leipsic for ALL his help. He certainly did TRIPLE duty and I certainly would have been in deep trouble without him coming home and helping his mama!!**

Let's Get It Covered!!!!

One of my goals this year has been to add value to the grounds and make improvements to our grounds that we can all enjoy. I believe that we have a wonderful facility and we ought to be able to rent it out to others so that we can realize a situation where others "pay our bills".

One of the things that I had thought would be a very nice addition would be a cover for the slab. Spring Roundup put an exclamation point on the need for us to have a covered area where we could meet in a larger group. I have discussed the possibilities with the Officers and we have decided to move forward with this project. That being said, we are going to ask our members to become invested in this project if possible.

The following is a list of materials we will need to build this covering. Beside each item is the price of what one piece of that item will cost. If you see fit, please try to donate at least one piece of material to help us toward our goal. If nothing else, ANY donation of cash will be greatly appreciated.

This project will make it so much nicer for us at the grounds. I am hoping that when we complete this project, we can add lights and fans to make it so much nicer for us for awards presentations, dinners, dances and so forth. I have high hopes that if we all pull together and work diligently towards this goal, that we can complete this dream before Finals!

We need:

8 - 4" x 4" x 25' (1/2" thick) posts	total cost \$2048	or	\$256.25 each
60' R-panel roof cap, white	total cost \$320	or	\$16.00 each
40 - 22' pieces of R-panel (white)	total cost \$2710	or	\$67.75 each
2 1/2", 14-gauge square tubing (below prices figured on \$1.70 per foot cost)			
8 - 24' sticks	total cost \$486.40	or	\$40.80 each
9 - 20' stick	total cost \$338.40	or	\$37.60 each
3 bags self-tapping screws, white	total cost \$75.60	or	\$25.20 per bag
1 bag lap screws	total cost \$22.50	or	\$22.50 per bag
20 bags concrete	total cost \$107.00	or	\$5.35 per bag
	Total material cost \$6107.90		

Please understand, metal prices fluctuate daily, so some of these material costs might fluctuate a small amount. But if we move forward quickly, they should be fairly close.

It will cost us approximately \$1800 labor to build the trusses off site and transport them to the arena. These trusses will be at the same angles to match the office peak, so the cover will be simply an extension of the current building.....

Total labor cost \$1800.00

Therefore, our total cost for construction of a cover on the slab will be approximately\$7907.90

I truly believe that this is a very achievable goal. If we all work together to reach the completion of this project, we can enjoy this improvement at Finals this year. Anything you can send in will be greatly appreciated. If you can donate the cost of a piece of R-panel, send in a check for \$67.75.....if you want to donate an upright post, send in a check for \$256.25....if you don't see anything that fits into your budget at the moment, try to send in \$20. Again, if we all work together, we can get this done and have something that we can all use and enjoy for years to come.

I am planning on working hard at this end to see if I can solicit some donations and lower our costs in this manner. There are lots of companies in the DFW area that carry metal, so keep your fingers crossed!!

*And when we achieve this goal, I think we need to stop calling this area the "slab" and start calling it "the pavilion"!!! Between us all, we can do this, so
LET'S GET COVERED!!!!!!!*

Treasurer

Hello Everyone!

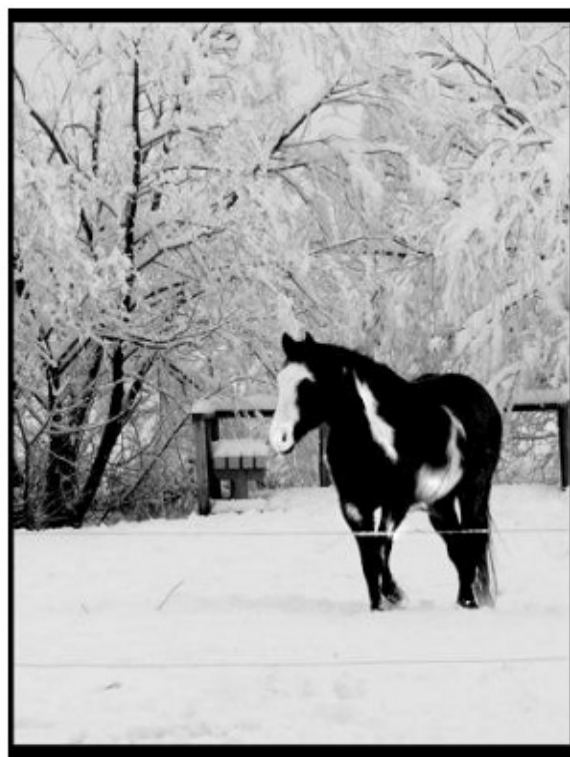

My first month as Treasurer has been, shall I say, rather eventful as I attempt to wrap my arms and head around the first several months of this year and get up-to-speed on everything. I would like to personally thank Donna, Renee, and Peggy who have all been so generous with phone calls and filling up my inbox with information that has been both helpful and informative. What an amazing accomplishment considering how busy all of them are in the midst of Final preparations!

Our family would like to extend our thoughts and prayers to Gary, Donna, and Daniel as Gary continues to recover from his accident a couple of weeks ago now. I've been very glad to hear from Donna that his recovery is going very well. Hopefully, he'll be feeling more like himself by the time we make it to Finals.

This week, I'm looking forward to a lunch meeting with Donna and completing the transition into the Treasurer's position. In the interim, I've familiarized myself with all of the contents of an office-sized white box that was passed to me shortly after the officer's meeting at SRU. I've also made a trip to Sanger to sign signature cards and whatnot; plus a LOT of email and phone conversations that have helped tremendously in getting up-to-speed.

Thank you to all of you who sent kind thoughts yesterday as we lost our 10 year old gelding, Cisco, to colic. Cisco was Dean's Father's Day present a few years ago. He was a horse that I, and my city girl self, purchased for Dean...He was absolutely beautiful, but NOT a Play Day horse. Therefore, he became more of a pet around here who every once in a while someone would saddle up and take for a ride.

He was a good trail horse but an even better oversized puppy dog, which I hear is the worst kind of horse to own. However, me and my "two boots always on the ground" self, loved looking out the window and seeing him out grazing in our field. He was very graceful and beautiful...he was also the horse that I aspired to someday ride. Cisco is now resting in fields of green under an old oak tree at The Schroeder Ranch in Gainesville. After our local vet had given up hope, Robbie and Joan Schroeder, and their vet staff were willing to take Cisco into their care, but he didn't make the drive. Perhaps, my personal lesson learned here, is to no longer put off until tomorrow the things that I could have done today because not one time did I sit in the saddle atop the horse that I believed to be the most beautiful horse in our fields.

2010 Queen Joy Mainville

Hello Everyone,

The months have just flown by this year and my Dad and I have been putting many miles on his truck, but I love every minute of it. This past weekend I stayed home and went to my home town club for their highpoint. The following weekend my Dad and I went up to Georgetown for Miss Addie's Sweetheart Social, which was a blast. I got to know so many new people and I can't wait to see them again. Everyone was so friendly, the cake and punch was fantastic and the weather was great too. Thank you to all that helped, ya'll did a fantastic job, and I am glad I was invited!! Miss Addie you are an inspiration to me and everyone else, thank you for all you have done, you really are a blessing.

The following weekend was the Copperas Cove buckle playday and at first I thought it was going to get rained out, because it rained quite a lot during the night before, but it made the arena just perfect to ride in. As the day progressed it

got really hot and I was hoping not to get burned. It was a great turn out and thank you to all that came and congratulations to all the winners.

On the 22nd of May my Dad and I will be heading to the National Chisholm Challenge. I hope to meet with the National Queen again and also to getting to know the National Crew. I am super excited.

As the end of May approaches the last day of school is getting closer and so is my graduation. I am looking forward to going to college in August and majoring in Veterinary Medicine and minoring in Criminal Justice.

I look forward to seeing everyone soon at Playday finals in June and hope everyone has a safe trip there!

AASP&RC Queen

Joy Mainville

Region 6 Princess Brittney Jones

Hey Ya'll!

I would like to start off by telling our President, Donna, that my prayers are with her and Gary due to his recent injury. I hope he gets better soon, it just wouldn't be the same without him.

This has been a very busy month, and I have loved it! One of the most exciting things going on for me is getting out of school. We release on May 28, and I can't wait. I can already taste what it's going to be like to be a Junior in High School next year.

On April 24, I was supposed to go to a Twin Mountain Club playday but unfortunately the weather wouldn't permit it. So instead of riding horses all day I spent the day getting ready for prom that night. I must admit that my lime green topped boots looked pretty good with my hot pink dress.

On May 7, my family and I left and drove to Copperas Cove and stayed the night with my brother at his home. Then on May 8, we all woke up and drove to Georgetown for the Sweetheart Social. It was really fun. There were a lot of riders, and around 18 assisted super pee wee's. It was so cool to see all of the future riders of the Association. After the third event we loaded up in the back of trucks and got introduced. After introductions we went into the kitchen area and had cake and punch, which was delicious by the way. We then finished the playday and handed out awards and the Brushy Creek Saddle Club Royalty Buckles. I had a lot of fun and met a lot of amazing people.

On May 14, my family and I again made the drive to Copperas Cove and stayed at my brother's house. We woke up the next morning and went to Cove Saddle Club's playday. The weather started out really nice but then it got really hot. Half way during the playday is when I realized that there was some major competition in my age group. I have been to a lot of arenas and concession stands and let me tell you, the one at Cove was definitely one of the best. I had a lot of fun there and really enjoyed seeing everyone.

On May 22 my parents and I will be traveling to Joshua to ride with the National Association at their Chisholm Challenge Benefit. I can't wait, it should be a lot of fun, and I'm really looking forward to seeing all of their people.

As you all know Playday Finals is right around the corner, and I hope to see everyone there. I know I can't wait to ride up at Bowie again. I hear that President Donna has a lot of fun games and things planned so I think it will be a great year. I know it will be a great year for my District because we have more people going than we have in a long time.

Well, I guess I'll close here. I hope everyone stays safe and I can't wait to see ya'll!

Until we meet again,
Brittney Jones
Region 6 Princess

Region 6 Princess Lauren O'Brien

Well another month has passed and Whew! Let me catch my breathe The first weekend in May was a home playday for me in Big Lake. However, I work at a daycare and I came down with the stomach bug that was going around! It was horrible and I was not able to attend. The next weekend I traveled to Georgetown for a playday with the Brushy Creek Saddle Club. I had a great time. Everybody was super nice. They proved to me that lead liners don't just walk but also can be used as a work out for family members. I want to thank the Elliot family for letting me ride their horse Molly. She is really nice and she is for sale. If your interested, look for her ad in the classifieds. Also a BIG THANK YOU to Ms. Addie. She did such a good job hosting and putting everything together. Thank-you again for inviting me and I hope to come ride with ya'll soon. After Brushy Creek I made a mad dash home to take my finals at college. It was done quick though and I am so glad. We then loaded up the trucks and headed to Copperas Cove for their buckle challenge playday. This was a lot of fun! Thank you to the Burks for letting me stay at their house. I got to sleep on a bean bag bed and it was SUPER cool! The playday was great and it was good to see the Franklins, the Smiths, the Burkes, the Herringtons, and Melissa Thompson again. I had not been able to see them in quite awhile. Congrats to everyone who

won including K.D., Tiffany Elliot, Lisa Herrington and lots more. After the playday, we took the horses back to the Burks house and missed our turn-off. K.D. and I got to do some backing up practice. Thank goodness it was her behind the wheel and not me! We then had a bite to eat and went down to the Rabbit Fest. It was a blast. I think the whole city was there! Well a few more weekends and playday finals will be here! I am super excited to see everyone and hope everyone is ready to ride. Congratulations to everyone who is graduating at the end of May.

Hopefully, Gary Leipsic is home from the hospital and recovering there by now. He ended up back in the hospital for surgery again. Unfortunately, Carl Coursen from Hawley Saddle Club was recently injured in a fall from a roof at his home and has been hospitalized. Please keep them in your thoughts and pray for a speedy recovery for both.

Well its off to Joshua at 4:30 in the morning. Can't wait to meet lots of new people.

I hope to see everyone real soon,
Ride hard and be safe!
Princess Lauren

The Chisholm Challenge Benefit Playday was a lot of fun. Unfortunately one of the riders fell off early in the playday and had to be taken to the hospital but soon we got word that he was itching to get back to ride. At the beginning there were some trick riders that came and performed for us and a drill team that set the pivots for the grand entry. I'd say we started the playday around 11:30 or 12. Unfortunately, just after I rode the second event we got a call from home saying that my Great Uncle had passed away so we decided to come home. We left around 5 and they were just finishing the second event. They had around 102 riders. I'm sure they raised a ton of money for the Chisholm Challenge. Before I left I got a T-shirt from 2009 that said Chisholm Challenge on it and was soon told that a young man who was paralyzed from the neck down drew the picture with his mouth. Next year I really encourage people from our Association to travel there to help raise money for the Chisholm Challenge.

Brittney Jones
Region 6 Princess

Chisholm Challenge Benefit Playday

This past weekend we traveled to Joshua for the National Assoc. fund raiser for the Chisholm Challenge. I had a great time. AASP&RC was well represented by Queen Joy, Princess Lauren, and Princess Brittney. Also Region 7 VP Sarge and myself were there. There were 102 riders there. I don't know how much money was raised but I do know they raised over \$400 on just the cake walk.

The Queen and Princesses did a fantastic job representing the Assoc. The girls were treated with respect and everybody was friendly. I know that Glenda Edmondson & Beth Podell certainly made Brittney and I feel very welcome and thanked us for attending. We had to leave early due to a death in the family but really enjoyed the time there.

I certainly want to extend a special thanks to Glenda and Beth and the National Association for inviting us. I think we will try to make this an annual trip. It is definitely a good cause.

I wish our membership would pick such a great cause and support it with as much enthusiasm as National does.
Buster Jones
Region 6 VP

Well I attend the Chisholm Challenge this past weekend in Joshua, Tx. It was a BLAST! I got to meet a lot of the National members and I got to work the arena while we did golfette..... I even got the golf ball when Jack and I ran it (LUCKY ME) well it was a lot of fun and for a great cause. So I hope they raised a lot of money. I got to talk to Sammy Blay and his wife Kathy and I think they are ready for Playday Finals, I know how much work they have done getting it ready so I hope everybody is attending.

The Nationals sure know how to put on a benefit playday with over a 100 riders, WOW. I sure hope I am able to go back next year.

Princess Lauren O'Brien

Buster Jones's Cobbler, Ice Cream, Silent Auction and Bingo Extravaganza

**Monday Night 7:00 pm before Finals
at the concession stands**

all proceeds to help offset the cost of medical bills for

Gary Leipsic

**\$4 a bowl cobbler, w/ice cream \$5, Bingo .50 a board each game
Winner's choice of prizes**

Since this is a fundraiser we need donations

For Buster Jones Fabulous Cobbler we will need:

Cake mixes (Yellow, Spice, and Chocolate) sticks of butter, Heavy Duty foil, Fruit
(Canned Peaches and Big chunk Pineapple) and (Apple and Cherry Pie filling)
the cheep stuff makes a better cobbler

"Ice Cream" (Twin Mountain Riding Club has already donated the Ice Cream)

Bingo and Silent Auction: items needed, lots and lots of Prizes. This does
not have to be horse related, anything will do from clocks to any what not.

Email Stephani at steph09@zipnet.us so she can keep a list.

"Bring your Lawn chairs"

Come show your support!!!

Everyone!!!! As of Wednesday May 19th Gary was back in Lubbock having surgery
from complications and then another surgery on Saturday May 22nd. This makes a total
of 3 surgeries from a horse accident in Lubbock. If we can raise enough money to
cover the cost of all the driving back and forth our President is having to endure and
food, (oh my, you know how Gary likes to eat), that would be so appreciated.

When the American Flag has finished the job and is lowered from the flag pole for that last time, it is our duty and privilege to retire it in a respectable manner.

On Tuesday, June 15 at 6:00 pm the AASP&RC will perform a Flag Retirement Ceremony in arena 1. Come join us and the 14 young men and women on horseback for this moving tribute.

**Don't forget,
June 14th, is National Flag Day**

Meet Our Awards Chair

Name: Becky Jeter Rhodes

Association Title: Awards Chairperson

Home Club and District Meadowbrook - District 29

Birthday (year optional): I am old

Years of AASP&RC Membership: Over 40 years

Other positions held in the AASP&RC ??

Positions held at club or district level: Just about every position

Job: Energy Administrator for Verizon

Trips you would like to take: Back to Hawaii..... loved it there!

Hero: I have two... my parents!!!

Interesting AASP&RC tidbits about you:

Activities and Hobbies outside of the AASP&RC: Making Bling tack with my daughter

Interesting things we might not know about you:

Goals in your position for 2010: To get the best awards that we can get!

A NOTE REGARDING FINALS ENTRIES:

Remember, if you did not register to ride at Finals before the May 26 deadline and have found that you will now be able to attend that event, you CAN still ride! We will take late entries up until noon on Tuesday, June 15. There will be a \$50 late fee applied in addition to the standard entry fee. Also, your name will NOT appear in the program and you will ride at the end of the class – NOT in normal rotation.

| 7:30 pm | Rules meeting - Slab |
| 8:00 pm | Awards presentation for Team Playday; meet the Queen and her Court; meet
your Association Officers; refreshments provided |

Something new for Finals!!!

At the Executive Board Meeting in January, in order to “move with the times” it was proposed that we offer options for the high point saddle awards for Playday Finals. For years, we have placed the same “stock order”, meaning the same size seats for the same classes and everyone received the same basic saddle with no differences. As a result, there have been times that people have not utilized their high point saddles due to an incorrect seat size or some other reason. Some simply prefer something different or more “flashy”!!

It is a wonderful accomplishment to win a high point award. People work very hard each year to achieve this goal. We certainly want those that win our saddles to USE them going forward, so we thought it prudent to offer the ability to “customize” these saddles to ensure that people are completely pleased with what they receive and will proudly use their award saddles in the coming years. And if others see a really “cool” award saddle, it might give them the added incentive to join our organization and compete for such an award.

To that end, this year we are trying something slightly different. If you are the high point winner in your class at Finals, you will be able to customize the saddle award if you so choose. Below is a list of the choices that will be available and additional upgrades that are offered. The cost of any upgrades will be borne by the winner. There will be a standard saddle available at the Awards Presentation for high point photos to be taken, but all saddle winners will be required to confirm their saddle order after the Awards Presentation on Saturday of Finals. You will also be required to pay for any upgrade costs for your customized saddle at that time. The saddles will then be shipped directly to the winners within the following of weeks; shipping time depends on the changes to the basic saddle that you have chosen.

OPTIONS AVAILABLE:

*(Please note - Anything listed with a ** indicates a 30-day custom order time frame)*
