## Hello Everyone!

This is my last official Riders Round Up Letter. I am sad that this year has already come to an end. It has gone by so very fast, but man it was fun. I am also excited to see what the good Lord has in store for me after this chapter of my life.

This past month has flown by more than ever I spent some time here helping out my home Dist. 2 with their Queens Contest and I would like to say that Hannah and Sammie you both did a wonderful job!

Congratulations Sammie Joe! I also got to go down to Abilene for a Dist Awards Lunch and then to Hawley for a playday. Thank you to all for making me so welcome and being such good people, my family and I really had fun. We didn't get to have my benefit playday due to the rain and weirdly cold weather. For some reason we just didn't need to have it that day. We will however go head and reschedule it for November 1. If there is anyone that would like to come and ride I would really appreciate it and I promise you will have fun!

I would like to take this chance to tell each and every member of this Association how thankful I am to all of you. It's you who made my year so awesome and memorable. To all of you that I met and got to know this year thank you for everything. Thank you for making this such a wonderful Association and for keeping me on my toes, driving, riding, judging, helping, meeting, greeting, and just being me. I also want to say thank you to all of my officers. Ya'll are awesome people and I have loved getting to know all of you and your families. I know that I can never go to Bowie and be a stranger because you have all been my family and I don't want to let that stop. It is my promise that I will not fall off the face of the earth and that I will be there for this Association from now on. (I have to add even though I don't get to be a lifetime member because I was very excited to be one and now I can't.) I plan on being at just as many Association events next year as the Lord permits me to be at.

Once again thank you for everything.  
Signing off for the last time,

Queen Delci Jolene Willis

# WE'RE BACK!!!!!!

**After being in-active for around 30 years, the Lone Star Riding Club of Mullin is back in action!! We are excited that this also brings about the revival of District 10 in the association.**

The Lone Star Riding Club hosted their first playday on October 4, enjoying a beautiful day and a wonderful turnout for some serious playing. There were 35 contestants during the course of the day and it felt just like a family reunion. A large number of the adults getting this together were the kids the last time Lone Star had a playday and it was exciting to see things come full circle as several of them were introducing their children and children of their friends to the wonderful sport of playday.

Lone Star also sends out a big thanks to all our friends and "association family" that came out to help us get things in gear again. Among those were Executive VP Curtis Smith and Region 7 VP Rick Fitzgerald as well as officers and members of several other area clubs.

We were thrilled to have a good number in each age group, but the "oldies" get the "goodies" for the largest class with 9 running in the Super Seniors; and they were pretty serious about it too!! (in fact, 6th place in the pylons was a 5.9!) Everyone hauled home some goodies with nice prizes being awarded to everyone that competed. First place winners received spur straps in a western tin, second place winners got western tubs, third place was a portable tack rack, fourth place received shedding blades, fifth place got bucket straps, 6th place won bridle hooks and 7th through 9th places received brushes. Awards were presented by "borrowed" royalty , Kindle Fitzgerald, 2008 Senior Sweetheart of the Cove Saddle Club and Kutter Shelnutt, 2009 Senior Wrangler of the Cow Pokes Riding Club.

Our next playday is scheduled for November 22, so come over and play with us a bit!
