I can't say this enough,

Please push yourselves to turn in your articles as soon as possible. If you are going to be late let me know by email as soon as you know. I can work with you. But not if its going to be longer than a day of two.

The Riders Round Up is the best way to let all of our members know when your events are within your club and let us know all about your members.

The Riders Round Up is also a most essential tool for new members within your club. Everybody loves to see their name, or their picture, or their success stories of their family members in the newsletter.

So get motivated and start writing those articles.

Hello Everyone,

I would like to start out saying, Thank You, to all my officers and chairpersons for a successful year so far. A few Individuals, I would like to acknowledge for all the hard work they have done this year: Don and Marie McEwen, Darryl and Sylvia Brown, Billy Privett, Jordan and Colton Niblett, Buster, Barbara and Brittany Jones, Glenn Nobile, Wendy and Lonnie Vann, Chris Cox and family, and Slim Wigington. Thanks so much for all your help and support.

I would like to thank everyone that came out to the 50/50 that rode and worked, it was a little hot but we did have fun. The National Association took the trophy back home with them however it was close. I did get the pie in the face from the president of the National Association.

I would like to ask everyone to keep are Association in their payers along with a few of our members. A few of the members are Jackie Dunlap and Becky Jeter Rhodes.

To all the kids that are going to school, I hope you have a fun and exciting year. Seniors may you enjoy your senior year and have fun making those lasting relationships with your friends.

Just a reminder, if you plan on attending convention this year, please reserve your room and send in your registration when the form comes out in the Riders Roundup.

For the ones that don't know Donna Leipsic has filed a lawsuit against the AASP&RC, if you would like a copy of the lawsuit you can email Wendy Vann at wgfinancial@aol.com or myself at uholab@aol.com and we will forward you a copy by email.

Until next time,

Wow, today is the 27th and I bet Stephani is going to love me for being so late. What can I say, I let the time slip up on me. We have been a bit busier than normal what with the hay baling and all.

We attended the 50/50 yesterday. There were not many people there. Buster, Britney, Ruby and my self were the only riders from District 5. The Nationals came out on top by a narrow margin. Well they should have since all the events were theirs, National flags, pylon, which we have not run for 2 or 3 years, barrels and poles which both associations run. I was proud of Bingo. He did well especially in pylons. He had the fastest time of the day. Who would think a 1400# horse could change directions that quick. I think his time was 5.408. I know it was 5.4 but not sure about the last two numbers, my hearing being so good. Yeah right!

I had better close and give this to Ruby to email to Stephani. Computers are not my thing. I will try to be more informative next time.

Jan Crocker,
VP Region 6

Debbie Mason

Hello from District 2,

I hope that everyone is enjoying there summer. It's gone by rather quickly. We've gotten rain this year which has been such a relief to farmers and us horse owners.

District 2 was represented in the Abernathy parade by Brooke Kruger, District 2 Princess and Joanna Byrne, Vice-President. Then again in the O'Donnell parade and rodeo.

We had our make up playday from April July 19th. We have two more playdays to go before we wrap up this series. We ran the bowtie at the last playday to get it kicked off for next year. I think some people remembered it and some had never seen it before.

We will be setting new by-laws to be voted on soon so everyone was asked at the last meeting to start thinking of anything that needs to be brought up or fixed.

We will have our next District club meeting on August 12th. I do think it is important that if you are a club delegate for your club you should be in attendance at the club and District meetings. That way your club has representation.

Our next club playday will be at the WTD arena and will be August 23rd. We will have one left after that.

Hope everyone is ready for school to start back. We don't have much summer left. My kids start back the 5th of August. One of the perks of homeschooling you can pick your start up days.

Have a great summer,

Debbie Mason

West Texas Drifters

Princess Emily

Hi from the West Texas Drifters,

We've had rain this summer and what a blessing. My mom turned our horses loose in our yard to save from mowing. They've enjoyed green grass in our pastures too. We are blessed.

We had our first parade of the year this 4th of July in Abernathy my home town. Then we did O'Donnell's parade and grand entrance home town for Tatum the other club princess.

We had our fourth playday July 13th on a Sunday due to the parade and rodeo. We didn't have a big turn out, but seems like Sunday is a hard day for everyone to make.

Our next parade will be the Petersburg parade August 16th if we have enough people going. My mom was disappointed in our club in O'Donnell when we brought from our family five of the eight riders.

The next WTD playday will be August the 9th if anyone is close by and wants to ride and hang out please come out. We will be riding the poles, SAB, larryette, hitch n go, spur and barrels. Books open at 4:00 ride at 5:00.

I have had an amazing year and it doesn't matter where I finish I've been blessed to ride my sister's horse that is now mine. She is 26 years old and still running great times. I love my Gypsy. I realize that I am a very blessed little girl. My family loves horses and as a family we do the playdays. I thought about how sad it would be if I loved horses and my family didn't and wasn't supporting me doing what I love. We've met some great friends through our love of horses. We've also had some rough times along the way.

I know our club is built from many different people coming together because of the joy of riding. Sometimes you get ugly competition and sometimes people don't always see eye to eye. Grown ups are so much more serious than us kids. I get mad at my friends, but we make up and keep playing. I've seen our club split and lose some members. I think sometimes adults should be more kid like in their forgiveness. That is just the Christian way to do things my mom says.

Just waiting for it to cool down so I can get out and ride my horses. Hope everyone has a good month and is getting ready to head back to school. My school will most likely start back before this newsletter goes out. My mom likes to start us early.

Till next time

Emily Mason,
West Texas Drifters Princess
